Date to withdraw without penalty (9th class day) is January 20, 2014
Last day to withdraw from one or more courses is March 27, 2014

Make-up Procedure:
If you must miss an exam, you must make every effort to contact me before the exam. Failure to do so may result in a zero for that exam. Make-up exams, if allowed, must be taken within a week of the scheduled exam. The format of the make-up exam will be at my discretion (multiple-choice, short answer, or essay).

Study Groups:
On Tuesday, January 13, we will select study groups for the class projects, chapter reviews, and in-class discussions. As a rule, each study group will consist of four students. We will make changes to accommodate students who add the class. Students may choose their own groups.
Exams:
There will be 3 exams including the final exam. Each exam will consist of 50 multiple-choice questions. You must bring a scantron and #2 pencil to class for each exam. Exams will cover all lecture, text, and supplementary material. Supplementary material may include readings, case studies, videotapes, and exercises. The exams are not cumulative.

Case Analysis Report:
The report must be a minimum of two pages in length: double-spaced, 12-point font, Times New Roman script, one-inch margins. There is no maximum answer length per case. Please answer in complete sentences. In order to receive full credit for your answers, use proper spelling, grammar, and punctuation. Each individual or entire study groups together may write this report. The cases will address relevant entrepreneurship issues and are chosen from the instructor's own sources. I will give case analysis guidelines under a separate cover.

Feasibility Analysis Report:
Each study group will generate a business idea and report this idea to me in writing (a paragraph or two) by Tuesday, March 31. After my approval, the group will write a feasibility analysis report on their idea (see Chapter 3). Each group will prepare a Power Point Presentation of approximately seven minutes in length for the class. Each group member must participate in the presentation. The presentations will be on April 21 and 23.

Class Participation:
Each student will begin the semester with 25 points of credit for class participation. If you are not present, you may lose 1 point of the participation grade. Please note that there are approximately 25 non-exam class periods. In order to keep the full 25 points, you must also be actively involved in class discussions on a regular basis.

Executive Interview/Extra Credit Opportunity:
Identify and select an individual in the community who is actively employed as a manager. You must inform me of your selection by Tuesday, March 17. This manager may be a friend, relative, or acquaintance. Tape record an Executive Interview with the manager. There is a list of questions posted in Blackboard Getting Started. Transcribe the tape recorded interview. The transcription must be a minimum of 5 pages, double-spaced, 12-point font, and one-inch margins. Write a case study of the individual and their company. The case study must be a minimum of 2 pages, double-spaced, 12-point font, and one-inch margins. This is a total of 7 pages minimum. You may exceed 7 pages. Each student who successfully completes this project will receive up to 25 bonus points. The complete report is due Thursday, April 16.

Executive Speaker/Extra Credit Opportunity:
Executive speakers are welcome to our class. Experienced managers can add valuable insights applicable to our class. If you have a friend, family member, or acquaintance, who you believe is qualified and willing to come speak to us, please extend an invitation.

Please notify me in writing of possible speakers. When you have a commitment from the executive speaker to come to our class, please come to me to arrange a day from our class schedule. Speakers should plan to talk to us for about 10 to 15 minutes and then answer questions from the class. Please refer to the executive interview questions for possible items the executive speakers to address. Students will receive 20 extra credit points for successful arrangements. The number of speakers is limited and spots are available on a first-come, first served basis. We will not be able to accommodate guest speakers after Thursday, April 16.
**Academic Honesty Policy:**
No form of academic misconduct will be tolerated. The University has a strict code for cheating and students should refer to the Student Code of Conduct to understand the consequences. University policy will be followed if a student is caught cheating.

**Grade Replacement/Forgiveness and Census Date Policies**
Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions that students need to be aware of. These include:
- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid
State-Mandated Course Drop Policy
Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
