

THE CHEMISTRY OF BREWING

Fall 2020 Syllabus

University of Texas at Tyler

Department of Chemistry and Biochemistry

Instructor of Record:

Dr. Jordan Beaver

DISCLAIMER!

While this course does not require students to be of legal drinking age, abuse of the knowledge learned in this course in the form of illegal activities as defined by University Policies or local, state, or national laws is not tolerated.

COURSE DESCRIPTION

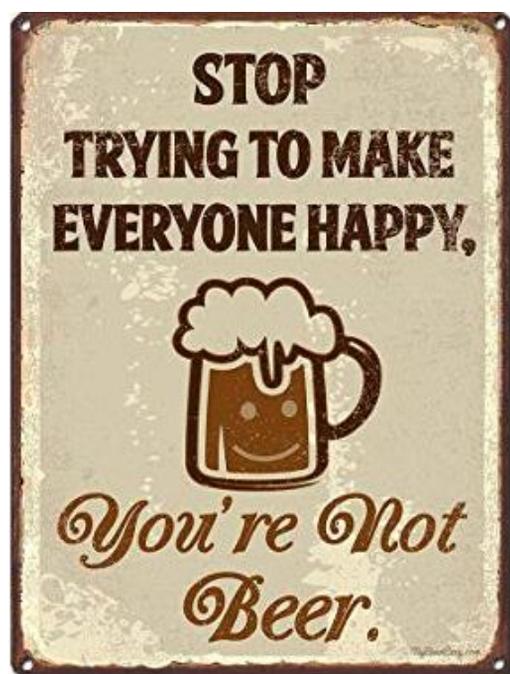

A thorough investigation of both the elemental principles of malting/brewing and practices relevant to the brewing industry. **Prerequisites:** Must have credit for Analytical Chemistry (CHEM 3310) and Analytical Chemistry Laboratory (CHEM

3111). **Corequisite:** Must have credit for General Chemistry I (CHEM 1311) and General Chemistry II (CHEM 1312)

Waivers may be granted by the instructor if a logical reason for taking the course without prerequisites is provided.

COURSE CONTENT

This course examines the fundamental principles of malting and brewing. Students will learn and apply biochemical to examine the four main ingredients used in brewing as well as the production process. An in-depth scientific approach will be utilized to study the role of each ingredient, and how chemical composition, chemical reactions, extracted constituents...

of the ingredients, metabolic pathways of yeast, and water quality affect the flavor, aroma, and quality of beer.

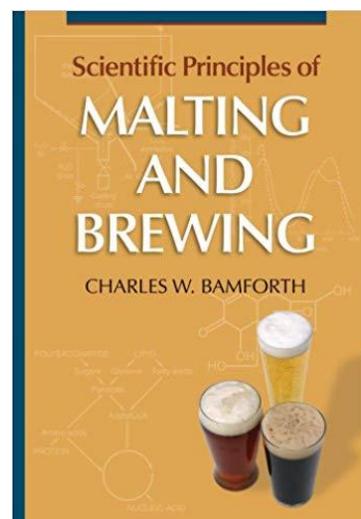

COURSE WEBSITE

UT Tyler's Canvas system will be the primary online connection with this course. Use of this system may include but is not limited to online homework submission, course and external resources, tentative schedule, grades, group project communication, and instructor-student communication. Students will be responsible to frequently checking this site for pertinent information.

TEXTBOOK

This course frequently utilizes *Scientific Principles of Malting and Brewing* by Charles Bamforth (aka "The Pope of Foam")

COURSE EXPECTATIONS

By the end of the course, students should be able to:

1. Demonstrate an understanding of the start-to-finish procedures of beer brewing as well as the major chemical processes that drive those underlying techniques.
2. Have knowledge of common and innovative techniques for Quality Control/Quality Assurance, malting, brewing, fermentation, and packaging related to beer production.
3. Demonstrate an understanding of both the history and current state of beer and brewing in a local, national, and international context.
4. Be able to critically assess the social and health impact alcohol abuse and have knowledge to recognize and appropriately respond to such cases.

COURSE GRADE

Course grade will be determined by a combination of:

- 1) Quizzes (20%)
- 2) A midterm and final exam (30%)
- 3) Group Podcast Project: Brewery Deep Dive (BDD) aka Meet Your Maker (30%)
- 4) A final presentation (20%)

HOW TO MAKE AN "A"

It is highly recommended to:

- 1) Complete all required reading and/or assigned work prior to coming to class. This should be defined by the instructor at the end of the previous lecture or via Canvas notification.
- 2) Work periodically on the group project (once it has been assigned)
- 3) Ask questions in class or attend office hours if information is unclear or difficult to comprehend. Additionally, **please reach out to schedule a one-on-one meeting with the instructor if you are unable to attend the scheduled office hours.**
- 4) Voice your opinion (respectfully) if you believe the instructor could do something better; we're all still learning! This may include grading, presentation of information, or course requirements.

*****The instructor reserves the right to alter any aspect of this syllabus with proper notification to the students of such changes.**

Me: I really want to try hard and get good grades this term.

Teacher: please read pages 45-51

Me:

TENTATIVE COURSE SCHEDULE

Week 1

Tues: Introduction/Syllabus/Expectations/How to make an A
A basic understanding of “Flavor”

Thurs: History/Definition of beer/Process Overview/Beer Styles

Week 2

Tues: Malting/Roasting/Tyles of Malt/Barley alternatives

Thurs: Malting Continued

Week 3

Tues: Mashing/Filtration/Recirculation/Milling/Lautering/
Transfer

Thurs: Boiling/Hops/Whirlpool/OG/Foaming

Week 4

Tues: Oxygenation/Cool Down/Inoculation/Airlock/Dry
Hopping

Thurs: Fermentation/Mid-ferm Hopping/Dry Hops vs. Wet
Hops

Week 5

Tues: Hops Deep Dive/Protein and Polyphenols/Foam
stability

Thurs: Malt Deep Dive

Week 6

Tues: Midterm Review Session/Content Catch-up

Thurs: Midterm

Week 7

Tues: Midterm Analysis/Group Project Details/Brewing
Equipment and Techniques

Thurs: Quality Control/Quality Assurance

TENTATIVE COURSE SCHEDULE

Week 8

Tues: Yeast Deep Dive

Thurs: Water Deep Dive (1st BDD section due)

Week 9

Tues: Brewer Management/Start-up

Thurs: Big Players in the Beer World (2nd BDD due)

Week 10

SPRING BREAK!

Week 11

Tues: Meet a Brewer (TBD)

Thurs: TBD (3rd BDD Due)

Week 12

Tues: Social Responsibility and Health

Thurs: Beer Research and Innovations (4th BDD Due)

Week 13

Tues: Meet a Brewer (TBD)

Thurs: TBD (5th BDD Due)

Week 14

Tues: Student Question Session (must come with questions)

Thurs: Content Review

Week 15

Tues: BDD Turn-in and Presentation

Thurs: BDD Presentation

Week 16

Final Exam

University Policies

UT Tyler Honor Code

Every member of the UT Tyler community joins together to embrace: Honor and integrity that will not allow me to lie, cheat, or steal, nor to accept the actions of those who do.

Students Rights and Responsibilities

To know and understand the policies that affect your rights and responsibilities as a student at UT Tyler, please follow this link: <http://www.uttyler.edu/wellness/rightsresponsibilities.php>

Campus Carry

We respect the right and privacy of students 21 and over who are duly licensed to carry concealed weapons in this class. License holders are expected to behave responsibly and keep a handgun secure and concealed. More information is available at <http://www.uttyler.edu/about/campus-carry/index.php>

UT Tyler a Tobacco- Free University

All forms of tobacco will not be permitted on the UT Tyler main campus, branch campuses, and any property owned by UT Tyler. This applies to all members of the University community, including students, faculty, staff, University affiliates, contractors, and visitors. Forms of tobacco not permitted include cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco, and all other tobacco products. There are several cessation programs available to students looking to quit smoking, including counseling, quitlines, and group support. For more information on cessation programs please visit www.uttyler.edu/tobacco-free.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 10.) Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract. The Census Date (Sept. 10th) is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid.

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Disability/Accessibility Services

In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University of Texas at Tyler offers accommodations to students with learning, physical and/or psychological disabilities. If you have a disability, including a non-visible diagnosis such as a learning disorder, chronic illness, TBI, PTSD, ADHD, or you have a history of modifications or accommodations in a previous educational environment, you are encouraged to visit <https://hood.accessiblelearning.com/UTTyler> and fill out the New Student application. The Student Accessibility and Resources (SAR) office will contact you when your application has been submitted and an appointment with Cynthia Lowery, Assistant Director of Student Services/ADA Coordinator. For more information, including filling out an application for services, please visit the SAR webpage at <http://www.uttyler.edu/disabilityservices>, the SAR office located in the University Center, # 3150 or call 903.566.7079.

Student Absence due to Religious Observance

Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

Student Absence for University-Sponsored Events and Activities

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

Social Security and FERPA Statement

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

Emergency Exits and Evacuation

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor's directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

Student Standards of Academic Conduct

Disciplinary proceedings may be initiated against any student who engages in scholastic dishonesty, including, but not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts.

i. "Cheating" includes, but is not limited to:

- copying from another student's test paper;
- using, during a test, materials not authorized by the person giving the test;
- failure to comply with instructions given by the person administering the test;
- possession during a test of materials which are not authorized by the person giving the test, such as class notes or specifically designed "crib notes". The presence of textbooks constitutes a violation if they have been specifically prohibited by the person administering the test;
- using, buying, stealing, transporting, or soliciting in whole or part the contents of an unadministered test, test key, homework solution, or computer program;
- collaborating with or seeking aid from another student during a test or other assignment without authority;
- discussing the contents of an examination with another student who will take the examination;
- divulging the contents of an examination, for the purpose of preserving questions for use by another, when the instructor has designated that the examination is not to be removed from the examination room or not to be returned or to be kept by the student;
- substituting for another person, or permitting another person to substitute for oneself to take a course, a test, or any course-related assignment;
- paying or offering money or other valuable thing to, or coercing another person to obtain an unadministered test, testkey, homework solution, or computer program or information about an unadministered test, test key, home solution or computer program;
- falsifying research data, laboratory reports, and/or other academic work offered for credit;
- taking, keeping, misplacing, or damaging the property of The University of Texas at Tyler, or of another, if the student knows or reasonably should know that an unfair academic advantage would be gained by such conduct; and
- misrepresenting facts, including providing false grades or resumes, for the purpose of obtaining an academic or financial benefit or injuring another student academically or financially.

ii. "Plagiarism" includes, but is not limited to, the appropriation, buying, receiving as a gift, or obtaining by any means another's work and the submission of it as one's own academic work offered for credit.

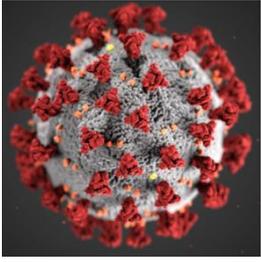

iii. "Collusion" includes, but is not limited to, the unauthorized collaboration with another person in preparing academic assignments offered for credit or collaboration with another person to commit a violation of any section of the rules on scholastic dishonesty.

All written work that is submitted will be subject to review by plagiarism software.

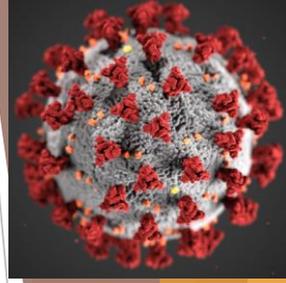

UT Tyler Resources for Students

- UT Tyler Writing Center: (903.565.5995), writingcenter@uttyler.edu
- UT Tyler Tutoring Center: (903.565.5964), tutoring@uttyler.edu
- The Mathematics Learning Center, RBN 4021: this is the open access computer lab for math students, with tutors on duty to assist students who are enrolled in early-career courses.
- UT Tyler Counseling Center: (903.566.7254)

COVID-19 POLICIES (read carefully)

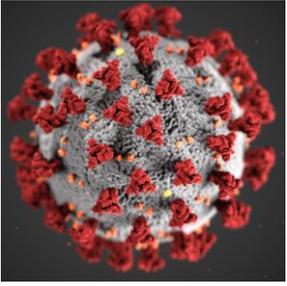

Important Covid-19 Information for Classrooms and Laboratories

Students are required to wear face masks covering their nose and mouth, and follow social distancing guidelines, at all times in public settings (including classrooms and laboratories), as specified by [Procedures for Fall 2020 Return to Normal Operations](#). The UT Tyler community of Patriots views adoption of these practices consistent with its [Honor Code](#) and a sign of good citizenship and respectful care of fellow classmates, faculty, and staff.

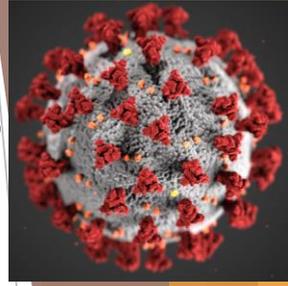

Students who are feeling ill or experiencing symptoms such as sneezing, coughing, or a higher than normal temperature will be excused from class and should stay at home and may join the class remotely. Students who have difficulty adhering to the Covid-19 safety policies for health reasons are also encouraged to join the class remotely. Students needing additional accommodations may contact the Office of Student Accessibility and Resources at University Center 3150, or call (903) 566-7079 or email saroffice@uttyler.edu.

Recording of Class Sessions

Class sessions may be recorded by the instructor for use by students enrolled in this course. Recordings that contain personally identifiable information or other information subject to FERPA shall not be shared with individuals not enrolled in this course unless appropriate consent is obtained from all relevant students. Class recordings are reserved only for the use of students enrolled in the course and only for educational purposes. Course recordings should not be shared outside of the course in any form without express permission.

COVID-19 POLICIES (Cont.)

Lectures for this course will be live streamed via Zoom® during the designated time slot. Recordings will be posted for 1 week after posting. You may attend in-person or full virtually, but *It is the responsibility of the student to keep up with course material and assignments*, but I will do my best to help in any way that I can. If issues or unforeseen circumstances arises, please reach out to me as soon as possible so that a plan of action can be made.

Me holding in my coughs in public so ppl don't try and quarantine me 😂
