Expectations: We all approach courses with certain expectations. I expect you to:

1. Work hard – learning requires constant reading, researching, thinking, discussing, and working with your classmates and me. Everyone has something important to contribute. My job is to present new information and prepare a climate in which you can contribute your own special knowledge. Your job is to be prepared to contribute.
2. Participate – you must be an active part of the course to succeed. You will also have to give effort outside of class.
3. Display Classroom Courtesies
4. Talk, debate, ask questions, and challenge yourselves and each other, but stay on topic.
5. Limit use of cellphones, tablets, or other device use during class. I understand emergencies and the need to take a call or text. If this must happen, be discreet, don't disturb others, do not let it get in the way of your learning, and DO NOT abuse this.
6. I use Canvas and email to communicate, post assignments and readings, present feedback and provide a space for you to communicate with your classmates. I expect you to check both daily and stay aware of what is coming up.
7. Communicate - If you have a problem with anything throughout the semester... getting an assignment in on time, needing to be absent from a class, getting your book, checking out equipment, or anything I'm doing as a professor... talk to me about it.

- F. Multiple pages must be stapled or paper clipped together. It is your responsibility to see this is accomplished.

Final Examination Date: Pending publication of final examination schedule

Attendance and Tardiness Policy: Students are expected to attend class. **Four** absences are allowed (that's two weeks) – this includes doctor appointments, illness, university-sponsored activities, etc. **A fifth** absence will **lower the final grade by 10 percentage points**. **A sixth** absence will **lower the grade by 20 percentage points**. See the current UT Tyler catalog for the university's policy on student responsibility for missed classes and assignments. **Be familiar with the university's drop policy.** Students who anticipate being absent from class due to religious observance or university-sponsored activities should inform the instructor by the second class meeting. **Students over 10 minutes late are considered absent. If a student must be absent the day an exam is scheduled, he/she must notify the instructor before class time. Grade Replacement/Forgiveness and Census Date Policies:

- A. Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the **Census Date is Jan. 28**) Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.
 - a. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.
 - b. The **Census Date (Jan. 28th)** is the deadline for many forms and enrollment actions of which students need to be aware. These include:

MCOM 2313 – Spring 2019

Introduction to Multimedia Production

M/W 3:00 - 5:00 p.m.

- i. Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- ii. Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- iii. Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- iv. Being reinstated or re-enrolled in classes after being dropped for non-payment
- v. Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy: Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

- A. Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Student Absence due to Religious Observance: Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

Student Absence for University-Sponsored Events and Activities: If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time, the instructor will set a date and time when make-up assignments will be completed.

Social Security and FERPA Statement: It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

Emergency Exits and Evacuation: Everyone is required to exit the building when a fire alarm goes off. Follow your instructor’s directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.
