UNIVERSITY POLICIES

CLASS POLICIES
Academic Dishonesty: Representation of other’s work as your own will not be tolerated. Cheating on examinations, quizzes, and homework and the false representation of work will be interpreted as academic dishonesty. Academic dishonesty will be subject to disciplinary action as outlined by the UT Tyler Student Guide on Conduct and Discipline.
**Attendance/Late Work Policy:** Late work is not accepted for credit unless approved by the instructor.

**University Policies:** The University sets forth policies regarding students’ rights and responsibilities in the classroom. These may be revised without notice.

These policies can be found on at the end of this document and the UT Tyler’s website:

http://www.uttyler.edu/academicaffairs/files/syllabuspolicy.pdf

**SYLLABUS POLICY**
A syllabus is a statement of intent by the course instructor that should clearly explain what a student must do and when they must do it to successfully complete the course and get a grade. A syllabus is intended to protect students from arbitrary or untimely changes in course requirements and due dates. A syllabus must also provide information about departmental and University policies governing conduct of the course.

All UT Tyler teaching faculty are required to distribute a course syllabus to their students on the first class meeting day. Faculty are also required to post their syllabi on the UT Tyler website, in a directory determined by the department or college.

Syllabi for concurrently taught undergraduate/graduate courses (ex: CENG 4314/5314) must clearly describe the additional expectations of graduate students that are substantively and progressively more advanced than those of the undergraduates. This can be done in a separate graduate syllabus or a combined syllabus.

Each syllabus MUST include the following minimum information:
1. Course number, title, section number (if applicable) and scheduled class time;
2. Instructor's name, office address, phone number and e-mail address, with recommendations on which method of contact the instructor prefers;
3. Office hours-- at least three per week and a provision for arranging office hours to accommodate students whose schedules conflict with regularly scheduled office hours.
4. Course content--should be consistent with the approved course description found in the current UT Tyler catalog;
5. Course learning objectives.
6. Grading policy and criteria to determine final course grade;
7. Date of final examination, scheduled according to the University final exam schedule.
Reminder: any deviation from scheduled times must be approved by the college dean.
8. Date to withdraw without penalty (census date)—please include actual date, which can be found in the current Schedule of Classes.
9. Tentative dates of required assignments, quizzes, and tests, if applicable;
10. Attendance and make-up policy
11. Required textbooks, materials, and supplies;
12. Required field trips, rehearsals, etc., scheduled outside of regularly-scheduled class time, along with any accompanying fees and tickets; and/or course procedures unique to the course that might cause students to reconsider their enrollment in the course; and

13. Required university policies and additional information is provided on the following pages.

The information contained in the course syllabus, other than the grading criteria and absence and make-up policies, may be subject to change with reasonable advance notice as long as the change is without prejudice to the students.

**Instructors should also consider including:**

1. Course Web site (if applicable);
2. Course prerequisites and restrictions, as they appear in the catalog;
3. Information about required learning-management software (Canvas)
4. Tentative deadlines for all assignments;
5. Tentative schedule of course topics

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract. The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

**Student Absence for University-Sponsored Events and Activities**

**Social Security and FERPA Statement**
It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.
