

**UTTyler**  
THE UNIVERSITY OF TEXAS AT TYLER

# Add the One-Stop to your Home screen

1. On your cell phone, select your internet browser. Ex: Safari, Chrome

2. In the search field, type [uttyler.edu/enroll](http://uttyler.edu/enroll) to bring up the One-Stop webpage.

3. Apple Device - Select the share icon at the bottom of the screen. This generally looks like a square with an arrow coming out of the center.

Android Device - Select the three dots on the URL bar to open your menu. You should see an option to Add

#### APPLE

#### ANDRIOD

OR

4. Look for an option that allows you to edit or add to the Home Screen. On this example, the option is 'Add to Home Screen'.

#### APPLE

OR

#### ANDRIOD

5. The Home Screen edit options should now be displayed. You can add a name for this new widget and adjust the icon. Once complete, select Add in the top right corner.

#### APPLE

OR

#### ANDRIOD

6. You should now see the One-Stop icon on your Home Screen for easy access.
