

## How to Activate Your myUTTyler Account.

1. You should have an email from our UT Tyler Admissions team with information over activating your Patriots email account. Start by opening this email and reading through the activation steps. Keep the email open, you will need it to copy the password. I recommend you look up your student ID number from your applicant portal as this item will also be needed to complete the activation process.

to me 🔻

Jewell,

The following email contains important instructions for establishing your myUTTyler account. myUTTyler is an impc you will use throughout your experience here at UT Tyler. It is also where your Patriot email account is located. You check your Patriot Email account often as all notices about financial aid, billing, registration and other important info will only be sent to your Patriot Email account.

## Steps to Activate your myUTTyler Account

Step 1: Navigate to my.uttyler.edu

Step 2: Click on the Applicant Sign In tile. You will be taken to a sign in screen where you will use the temporary cre sign in.

Username: Your individual student ID number provided in you admissions letter.

Password: SKW4]

Step 3: Click on the Patriot Activation tile and enter the credentials above to sign in.

Step 4: Follow the instructions on the screen to activate your Patriot email account. Once you have activated your ac reset your password, you will use these newly created credentials when signing on to your account.

- 2. Navigate to my.uttyler.edu
- 3. Select the 'Applicant Sign In' Tile. This will allow you to use your student ID number and temporary password to access the applicant side of myUTTyler.

4. In the User ID field, enter your 10 digit student ID number you received during the admissions process.

In the Password field, enter the temporary password from your Account Activation email.

Select 'Sign In'.

	User ID Password	Sign In User ID Password Enable Screen Reader M Sign In	X ] Aode	

5. You should now be inside the Applicant page of myUTTyler.edu. Select the tile that says Patriot Activation.

6. You should now see a message on screen that reviews the activation options. You can activate via phone or email. I recommend email. If you notice that your phone number or email account are listed incorrectly, please send an email to <u>enroll@uttyler.edu</u> requesting these items be updated. Make sure to include a valid photo ID to verify your identity and your student ID number to locate your account. Once updated, it can take a few hours to sync to the account activate process.

7. Under the email activation process, select the orange 'Click Here' option.

Activate using your Cellular Phone Number (Preferred Method). Click Here and enter your Student ID number to activate using your Cellular Phone: 99999999999. If this cellular phone is incorrect, please change it using the My Profile tile below and allow up to 2 hours for the change to sync.

If <u>unable to activate using your Cellular number</u>, you may use your Personal Email Address, Cick Here and enter your Student ID number to activate using your Personal Email Address: @@gmail.com. If this email address is incom.ct, please contact the Enrollment Services Center (Enroll@uttyler.edu). 8. This will open a password reset process. You should see an image on screen that says 'Forgot Password?'. A textbox displays for you to enter your Student ID number. Enter your 10 digit ID number and select the check box next to the statement 'I'm not a robot'. Then select 'Next'.

12. In your personal email account you should now have an email from IT Support. Open the email and select the blue link that says 'Click here to reset your password'.

13. The link will bring you back into the UT Tyler Password Reset system and should start on the reset password step. If you are asked for a username first, remember to use your @patriots.uttyler.edu email now.

Set up a password on this page. Read all password criteria, as you fulfill the criteria you should see a green check mark appear next to each requirement.
