

Accept/Decline Financial Aid

From your MyUTTyler student homepage select the “Financial Aid” tile.

You will need to select the Financial Aid Year you would like to view. A financial aid year runs Fall, Spring, Summer.

In the left-hand menu select “Accept/Decline”

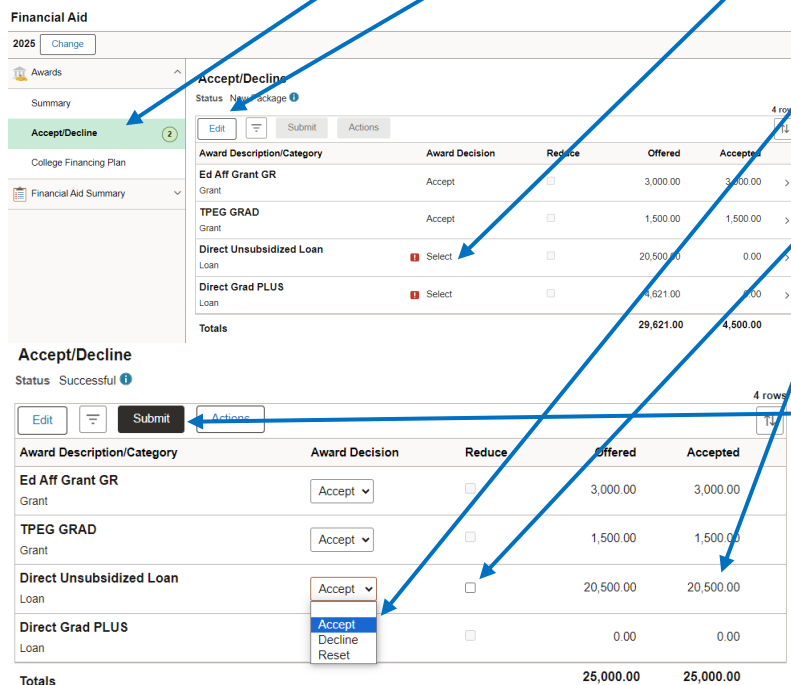

To begin accepting awards select the “Edit” option.

You can now select the “award decision” option next to each award.

When you select an award, a drop-down option will appear to allow you to Accept, Decline, or Reset the award.

If you would like to reduce an award amount, select the checkbox under Reduce. This will allow you to change the total loan amount under the accepted field.

When you have accepted all the award options you desire, select submit. You should now see the award as accepted in your award summary.

The screenshot shows the 'Financial Aid' section with the 'Accept/Decline' tab selected. A table lists awards with columns for 'Award Description/Category', 'Award Decision', 'Reduce', 'Offered', and 'Accepted'. A dropdown menu for 'Award Decision' is open, showing options: 'Accept', 'Decline', and 'Reset'. A blue arrow points to the 'Accept' option.
