

How to add or change an address on MyUTTyler

- From the MyUTTyler Student Homepage, select the “My Profile” tile.

- On the left-hand menu select “Addresses”.

You should have several address options including the home, mailing, and diploma addresses. To add a new address, select the + option.

- To make a correction to the current address select the address.

“Edit Address” will open. Add the new address information or correct any errors on this screen.

- Select “Save” in the top right corner.

- If your address does not save, please email the change to enroll@uttyler.edu.
