COURSE POLICIES

All assignments are expected to be completed to the best ability of the student and adhere to the stated assignment criteria. Assignments that require the student to redo and resubmit will be adjusted by 10%.

There is no extra credit work. However, students may choose to resubmit written assignments if they are not satisfied with their grade. If a student chooses to resubmit a written assignment, the student may earn up to 90% of the points. There are no retakes for quizzes, the midterm or the final exam.

All assignments must be submitted by date listed on the assignment schedule. Given the challenges that come with being a full-time educator while going to graduate school, each student has a one-time two-week grace period. The student has two options when using the one-time two-week grace period.

a. Submit the assignments for ONE module up to two-weeks late without penalties. OR 
b. Submit the assignments for TWO modules up to one-week late each without penalties.

The student must contact Dr. Oliveras to inform her that he/she will be using a “late pass”. If a written assignment is due and a “late pass” will be used, a note should be included with the assignment. It is the student’s responsibility to keep track of due dates and keep Dr. Oliveras informed of any conflicts that result in late submissions. Failure to notify Dr. Oliveras that a “late pass” will be used will result in a late submission penalty as explained below.

Once the one-time two-week grace period has been used or if the student does not notify Dr. Oliveras when using a “late pass”, assignments will receive a 10% late submission penalty per week. If the assignment is more than a week late, an additional 10% will be deducted per week.

The “late passes” may not be used for the class discussions. To receive credit for the class discussions, the student must participate on time.
Participation and your commitment to your learning is critical to your success in any course. Your timely participation in the class discussion is a substantial part of your grade in this course.

Grade Replacement/Forgiveness and Census Date Policies
Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy
Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

These standards are based on those developed by the Interstate New Teacher Assessment and Support Consortium (InTASC) and shared by other accredited universities in Texas and across the United States. *Texas Teacher Practice Standards: 1.6, 5.1, 5.2, 5.3, 5.4, 6.2*

Standard #7: Planning for Instruction
