Clinical Teaching is the graduate equivalent of EDUC 4640: Student Teaching EC-12. In EDIN 5380 you will engage in an academic year of daily clinical teaching. You will be working with a mentor teacher in a public school and also a university supervisor.

During your year of Internship you will be:
• Observed for 50 minutes for a minimum of 5 times across the academic year. You will have a minimum of five observations from your university supervisor. You will meet with your university supervisor in a conference after the observation to discuss your progress in your teaching. Your mentor teacher will observe you at least two times. As you did with your university supervisor, you will meet with you mentor teacher in a conference after the observation to discuss your progress in teaching.
• Submit lesson plans to your mentor teacher and university supervisor.
• Submit weekly journal to your university supervisor.

Evaluation

This course is graded as Credit or No Credit. The following provide you with insight into earning a grade of Credit or No Credit.

Credit – You need to meet the following criteria for a grade of Credit
• Successfully complete your internship
• Earn ratings of Exceeds Expectations or Proficient in your observations/evaluations from field supervisors and mentor teacher.

No Credit – Any of the following can result in earning a grade of No Credit
• Unsuccessful completion of your internship
• Being removed from your student teaching placement by request of the school or UT Tyler
• Unacceptable ratings (Emerging Proficient, Emerging, or Unsatisfactory) on your teaching observations/evaluations
