**Evaluation and Grading**

**Course Grading**

The practicum is a “Credit” or “No Credit” course. All work will be continued until it meets the standards judged by the professor. In the event that the Action Research Project is not finished or does not meet the graduate standards by the end of the semester, the student will receive “Incomplete” as the course grade. University policy dictates that graduate students have one semester to complete the coursework before an “F” is assigned. In addition, EDLR students may not proceed to Block IV classes until the incomplete work has been accepted.

**Teaching Strategies**

EDLR 5271 utilizes 100% online instruction through UT Canvas. The instructor uses lecture module format and a constructivist learning experience in an electronic environment. Since the class is exclusively online, the instructor will serve as a facilitator of knowledge and skills for the successful completion of the practicum experience.

**Related Field Experiences**

This course is an application of EDLR 5313 on the local campus through research data collection, analysis, and reporting of data in the Action Research Project.
