COURSE POLICIES

All assignments are expected to be completed to the best ability of the student and adhere to the stated assignment criteria.

Written assignments that require the student to redo and resubmit will be adjusted by 10%.

There is no extra credit work. However, students may choose to resubmit written assignments if they are not satisfied with their grade. If a student chooses to resubmit a written assignment, the student may earn up to 90% of the points. There are no retakes for quizzes, the midterm or the final exam.

All assignments must be submitted by date listed on the assignment schedule. Given the challenges that come with being a full-time educator while going to graduate school, each student has a one-time two-week grace period. The student has two options when using the one-time two-week grace period.

a. Submit the quiz and written assignment for ONE module up to two-weeks late without penalties. OR
b. Submit the quiz and assignment for TWO modules up to one-week late each without penalties.

The student must contact Dr. Oliveras-Ortiz to inform her that he/she will be using a “late pass”. If a written assignment is due and a “late pass” will be used, a note should be included with the assignment. It is the student’s responsibility to keep track of due dates and keep Dr. Oliveras informed of any conflicts that result in late submissions. Failure to notify Dr. Oliveras that a “late pass” will be used will result in a late submission penalty as explained below.

Once the one-time two-week grace period has been used or if the student does not notify Dr. Oliveras when using a “late pass”, assignments will receive a 10% late submission penalty per week. If the assignment is more than a week late, an additional 10% will be deducted per week.

The “late passes” may not be used for the class discussions. To receive credit for the class discussions, the student must participate on time.

**Participation** and your commitment to your learning is critical to your success in any course. Your timely participation in the class discussion and group assignments is a substantial part of your grade in this course. You will note that your original post to the class discussions will be due first while your response to your classmates will be due later in the module. This structure will ensure we can engage in meaningful conversations about instructional supervision. If you wait until Friday evenings, when the assignments are due, to complete the required readings and watch the lecture videos, you will not be successful in this course. Each module will be open at least 2 weeks prior to the due date to facilitate the required group participation. Please plan accordingly!

**Communication**

To contact me via email, you may use the Canvas email. Click on the Inbox on the left side of the Canvas main menu. Through Canvas, you may send a text email or a video message. You may also email me at yoliverasortiz@uttyler.edu. Please note that this is not a Patriots email address.

I will respond to your emails as quickly as possible; my priority is to be supportive of your work to ensure your success. I generally reply to email within a few hours but given other commitment and responsibilities, my goal is to respond to emails sent during the week within 24 hours. While I try to respond to emails over the weekend as promptly as possible, emails sent over the weekend might not be read until Monday morning.

**Written Assignments, Quizzes & Exams**

Some of the written assignments in this course require collaboration with other students; your participation as documented on Canvas will count towards the participation grade.

All other written assignments as well as all quizzes and exams are **individual assignments**. Students may not collaborate on the individual assignments. Unauthorized
collaboration is considered cheating and will be handled according to University Policies and the Students Standards of Academic Conduct.

UNIVERSITY POLICIES

UT Tyler Honor Code
Every member of the UT Tyler community joins together to embrace: Honor and integrity that will not allow me to lie, cheat, or steal, nor to accept the actions of those who do.

Students Rights and Responsibilities
To know and understand the policies that affect your rights and responsibilities as a student at UT Tyler, please follow this link:
http://www.uttyler.edu/wellness/rightsresponsibilities.php

Campus Carry
We respect the right and privacy of students 21 and over who are duly licensed to carry concealed weapons in this class. License holders are expected to behave responsibly and keep a handgun secure and concealed. More information is available at
http://www.uttyler.edu/about/campus-carry/index.php

Tobacco-Free University
All forms of tobacco will not be permitted on the UT Tyler main campus, branch campuses, and any property owned by UT Tyler. This applies to all members of the University community, including students, faculty, staff, University affiliates, contractors, and visitors. Forms of tobacco not permitted include cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco, and all other tobacco products. There are several cessation programs available to students looking to quit smoking, including counseling, quit lines, and group support. For more information on cessation programs please visit http://www.uttyler.edu/tobacco-free

Grade Replacement/Forgiveness and Census Date Policies
The Census Date (the 12th class day of the semester – January 29, 2018) is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

The specific Census Date for each term can be found online on the Academic Calendar. Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at
http://www.uttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

State-Mandated Course Drop Policy
Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (the 12th class day of the semester – January 29, 2018). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Disability Services
In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University offers accommodations to students with learning, physical and/or psychiatric disabilities. If you have a disability, including non-visible disabilities such as chronic diseases, learning disabilities, head injury, PTSD or ADHD, or you have a history of modifications or accommodations in a previous educational environment you are encouraged to contact the Student Accessibility and Resources office and schedule an interview with the Accessibility Case Manager/ADA Coordinator, Cynthia Lowery Staples. If you are unsure if the above criteria apply to you, but have questions or concerns please contact the SAR office. For more information or to set up an appointment please visit the SAR office located in the University Center, Room 3150 or call 903.566.7079. You may also send an email to cstaples@uttyler.edu

Student Absence due to Religious Observance
Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second-class meeting of the semester.

Student Absence for University-Sponsored Events and Activities
If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

Social Security and FERPA Statement:
It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all
students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

**Emergency Exits and Evacuation:**
Everyone is required to exit the building when a fire alarm goes off. Follow your instructor’s directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

**Student Standards of Academic Conduct:** Disciplinary proceedings may be initiated against any student who engages in scholastic dishonesty, including, but not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts.

(i) “Cheating” includes, but is not limited to:
- copying from another student’s test paper;
- using, during a test, materials not authorized by the person giving the test;
- failure to comply with instructions given by the person administering the test;
- possession during a test of materials which are not authorized by the person giving the test, such as class notes or specifically designed “crib notes”. The presence of textbooks constitutes a violation if they have been specifically prohibited by the person administering the test;
- using, buying, stealing, transporting, or soliciting in whole or part the contents of an un-administered test, test key, homework solution, or computer program;
- collaborating with or seeking aid from another student during a test or other assignment without authority;
- discussing the contents of an examination with another student who will take the examination;
- divulging the contents of an examination, for the purpose of preserving questions for use by another, when the instructors has designated that the examination is not to be removed from the examination room or not to be returned or to be kept by the student;
- substituting for another person, or permitting another person to substitute for oneself to take a course, a test, or any course-related assignment;
- paying or offering money or other valuable thing to, or coercing another person to obtain an un-administered test, test key, homework solution, or computer program or information about an un-administered test, test key, home solution or computer program;
- falsifying research data, laboratory reports, and/or other academic work offered for credit;
- taking, keeping, misplacing, or damaging the property of The University of Texas at Tyler, or of another, if the student knows or reasonably should know that an unfair academic advantage would be gained by such conduct; and
• misrepresenting facts, including providing false grades or resumes, for the purpose of obtaining an academic or financial benefit or injuring another student academically or financially.

(ii) “Plagiarism” includes, but is not limited to, the appropriation, buying, receiving as a gift, or obtaining by any means another’s work and the submission of it as one’s own academic work offered for credit.

(iii) “Collusion” includes, but is not limited to, the unauthorized collaboration with another person in preparing academic assignments offered for credit or collaboration with another person to commit a violation of any section of the rules on scholastic dishonesty.

(iv) All written work that is submitted will be subject to review by TurnItIn™, available on Canvas.

We affirm and promote global perspectives that value individual and cultural diversity to enhance learning, service, and scholarship.
TEXAS ADMINISTRATIVE CODE STANDARDS FOR PRINCIPAL PREPARATION PROGRAMS

Texas Education Standards: The Department of Educational Leadership and Policy Studies is committed to teaching and implementing the Texas Educator Standards at the highest level.

Texan Educator Standards
Title 19: Chapter 149, Subchapter AA
§149.2001. Principal Standards.

(a) **Purpose.** The standards, indicators, knowledge, and skills identified in this section shall be used to align with the training, appraisal, and professional development of principals.

(b) **Standards.**

(1) Standard 1—Instructional Leadership. The principal is responsible for ensuring every student receives high-quality instruction.

(A) Knowledge and skills.

(i) Effective instructional leaders:

(I) prioritize instruction and student achievement by developing and sharing a clear definition of high-quality instruction based on best practices from research;

(II) implement a rigorous curriculum aligned with state standards;

(III) analyze the curriculum to ensure that teachers align content across grades and that curricular scopes and sequences meet the particular needs of their diverse student populations;

(IV) model instructional strategies and set expectations for the content, rigor, and structure of lessons and unit plans; and

(V) routinely monitor and improve instruction by visiting classrooms, giving formative feedback to teachers, and attending grade or team meetings.

(ii) In schools led by effective instructional leaders, data are used to determine instructional decisions and monitor progress. Principals implement common interim assessment cycles to track classroom trends and
determine appropriate interventions. Staff have the capacity to use data to drive effective instructional practices and interventions. The principal's focus on instruction results in a school filled with effective teachers who can describe, plan, and implement strong instruction and classrooms filled with students actively engaged in cognitively challenging and differentiated activities.

(B) Indicators.

(i) Rigorous and aligned curriculum and assessment. The principal implements rigorous curricula and assessments aligned with state standards, including college and career readiness standards.

(ii) Effective instructional practices. The principal develops high-quality instructional practices among teachers that improve student learning.

(iii) Data-driven instruction and interventions. The principal monitors multiple forms of student data to inform instructional and intervention decisions and to close the achievement gap.

(2) Standard 2--Human Capital. The principal is responsible for ensuring there are high-quality teachers and staff in every classroom and throughout the school.

(A) Knowledge and skills.

(i) Effective leaders of human capital:

   (I) treat faculty/staff members as their most valuable resource and invest in the development, support, and supervision of the staff;

   (II) ensure all staff have clear goals and expectations that guide them and by which they are assessed;

   (III) are strategic in selecting and hiring candidates whose vision aligns with the school's vision and whose skills match the school's needs;

   (IV) ensure that, once hired, teachers develop and grow by building layered supports that include regular observations, actionable feedback, and coaching and school-wide supports so that teachers know how they are performing;

   (V) facilitate professional learning communities to review data and support development;

   (VI) create opportunities for effective teachers and staff to take on a variety of leadership roles and delegate responsibilities to staff and administrators on the leadership team; and
(VII) use data from multiple points of the year to complete accurate evaluations of all staff, using evidence from regular observations, student data, and other sources to evaluate the effectiveness of teachers and staff.

(ii) In schools with effective leaders of human capital, staff understand how they are being evaluated and what the expectations are for their performance. Staff can identify areas of strength and have opportunities to practice and receive feedback on growth areas from the leadership team and peers. Staff evaluation data show variation based on effectiveness but also show improvement across years as development and retention efforts take effect. Across the school, staff support each other's development through regular opportunities for collaboration, and effective staff have access to a variety of leadership roles in the school.

(B) Indicators.

(i) Targeted selection, placement, and retention. The principal selects, places, and retains effective teachers and staff.

(ii) Tailored development, feedback, and coaching. The principal coaches and develops teachers by giving individualized feedback and aligned professional development opportunities.

(iii) Staff collaboration and leadership. The principal implements collaborative structures and provides leadership opportunities for effective teachers and staff.

(iv) Systematic evaluation and supervision. The principal conducts rigorous evaluations of all staff using multiple data sources.

(3) Standard 3--Executive Leadership. The principal is responsible for modeling a consistent focus on and commitment to improving student learning.

(A) Knowledge and skills.

(i) Effective executive leaders:

(I) are committed to ensuring the success of the school;

(II) motivate the school community by modeling a relentless pursuit of excellence;

(III) are reflective in their practice and strive to continually improve, learn, and grow;

(IV) view unsuccessful experiences as learning opportunities, remaining focused on solutions, and are not stymied by challenges
or setbacks. When a strategy fails, these principals analyze data, assess implementation, and talk with stakeholders to understand what went wrong and how to adapt strategies moving forward;

(V) keep staff inspired and focused on the end goal even as they support effective change management;

(VI) have strong communication skills and understand how to communicate a message in different ways to meet the needs of various audiences;

(VII) are willing to listen to others and create opportunities for staff and stakeholders to provide feedback; and

(VIII) treat all members of the community with respect and develop strong, positive relationships with them.

(ii) In schools with effective executive leaders, teachers and staff are motivated and committed to excellence. They are vested in the school's improvement and participate in candid discussions of progress and challenges. They are comfortable providing feedback to the principal and other school leaders in pursuit of ongoing improvement, and they welcome feedback from students' families in support of improved student outcomes.

(B) Indicators.

(i) Resiliency and change management. The principal remains solutions-oriented, treats challenges as opportunities, and supports staff through changes.

(ii) Commitment to ongoing learning. The principal proactively seeks and acts on feedback, reflects on personal growth areas and seeks development opportunities, and accepts responsibility for mistakes.

(iii) Communication and interpersonal skills. The principal tailors communication strategies to the audience and develops meaningful and positive relationships.

(iv) Ethical behavior. The principal adheres to the educators' code of ethics in §247.2 of this title (relating to Code of Ethics and Standard Practices for Texas Educators), including following policies and procedures at his or her respective district.

(4) Standard 4--School Culture. The principal is responsible for establishing and implementing a shared vision and culture of high expectations for all staff and students.
(A) Knowledge and skills.

(i) Effective culture leaders:

(I) leverage school culture to drive improved outcomes and create high expectations;

(II) establish and implement a shared vision of high achievement for all students and use that vision as the foundation for key decisions and priorities for the school;

(III) establish and communicate consistent expectations for staff and students, providing supportive feedback to ensure a positive campus environment;

(IV) focus on students' social and emotional development and help students develop resiliency and self-advocacy skills; and

(V) treat families as key partners to support student learning, creating structures for two-way communication and regular updates on student progress. Regular opportunities exist for both families and the community to engage with the school and participate in school functions.

(ii) In schools with effective culture leaders, staff believe in and are inspired by the school vision and have high expectations for all students. Staff take responsibility for communicating the vision in their classrooms and for implementing behavioral expectations throughout the building, not only in their own classrooms. Teachers regularly communicate with the families of their students to provide updates on progress and actively work with families to support learning at home. Members of the broader community regularly engage with the school community.

(B) Indicators.

(i) Shared vision of high achievement. The principal develops and implements a shared vision of high expectations for students and staff.

(ii) Culture of high expectations. The principal establishes and monitors clear expectations for adult and student conduct and implements social and emotional supports for students.

(iii) Intentional family and community engagement. The principal engages families and community members in student learning.

(iv) Safe school environment. The principal creates an atmosphere of safety that encourages the social, emotional, and physical well-being of staff and students.
(v) Discipline. The principal oversees an orderly environment, maintaining expectations for student behavior while implementing a variety of student discipline techniques to meet the needs of individual students.

(5) Standard 5--Strategic Operations. The principal is responsible for implementing systems that align with the school's vision and improve the quality of instruction.

(A) Knowledge and skills.

(i) Effective leaders of strategic operations:

(I) assess the current needs of their schools, reviewing a wide set of evidence to determine the schools' priorities and set ambitious and measurable school goals, targets, and strategies that form the schools' strategic plans;

(II) with their leadership teams, regularly monitor multiple data points to evaluate progress toward goals, adjusting strategies that are proving ineffective;

(III) develop a year-long calendar and a daily schedule that strategically use time to both maximize instructional time and to create regular time for teacher collaboration and data review;

(IV) are deliberate in the allocation of resources (e.g., staff time, dollars, and tools), aligning them to the school priorities and goals, and work to access additional resources as needed to support learning; and

(V) treat central office staff as partners in achieving goals and collaborate with staff throughout the district to adapt policies as needed to meet the needs of students and staff.

(ii) In schools with effective leaders of strategic operations, staff have access to resources needed to meet the needs of all students. Staff understand the goals and expectations for students, have clear strategies for meeting those goals, and have the capacity to track progress. Members of the staff collaborate with the principal to develop the school calendar. Teacher teams and administrator teams meet regularly to review and improve instructional strategies and analyze student data. Throughout the year, all staff participate in formal development opportunities that build the capacity to identify and implement strategies aligned to the school's improvement goals.
(B) Indicators.

(i) Strategic planning. The principal outlines and tracks clear goals, targets, and strategies aligned to a school vision that improves teacher effectiveness and student outcomes.

(ii) Maximized learning time. The principal implements daily schedules and a year-long calendar that plan for regular data-driven instruction cycles, give students access to diverse and rigorous course offerings, and build in time for staff professional development.

(iii) Tactical resource management. The principal aligns resources with the needs of the school and effectively monitors the impact on school goals.

(iv) Policy implementation and advocacy. The principal collaborates with district staff to implement and advocate for district policies that meet the needs of students and staff.
