Course Grading

A  90-100% of points  
B  80-89% of points  
C  70-79% of points

Required Text

Recommended Textbook

"A student of this institution is not under any obligation to purchase a textbook from a university-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer."

COURSE POLICIES

All assignments are expected to be completed to the best ability of the student and adhere to the stated assignment criteria. Assignments that require the student to redo and resubmit will be adjusted by 10%.

There is no extra credit work. However, students may choose to resubmit written assignments if they are not satisfied with their grade. If a student chooses to resubmit a written assignment, the student may earn up to 90% of the points. There are no retakes for quizzes, the midterm or the final exam.

All assignments must be submitted by date listed on the assignment schedule. Given the challenges that come with being a full-time educator while going to graduate school, each student has a one-time two-week grace period. The student has two options when using the one-time two-week grace period.

a. Submit the assignments for ONE module up to two-weeks late without penalties. OR
b. Submit the assignments for TWO modules up to one-week late each without penalties.

The student must contact Dr. Oliveras-Ortiz to inform her that he/she will be using a “late pass”. If a written assignment is due and a “late pass” will be used, a note should be included with the assignment. It is the student’s responsibility to keep track of due dates and keep Dr. Oliveras informed of any conflicts that result in late submissions. Failure to notify Dr. Oliveras that a “late pass” will be used will result in a late submission penalty as explained below.
Once the **one-time** two-week grace period has been used or if the student does not notify Dr. Oliveras when using a “late pass”, assignments will receive a 10% late submission penalty per week. If the assignment is more than a week late, an additional 10% will be deducted per week.

The “late passes” may **not** be used for the class discussions. To receive credit for the class discussions, the student must participate on time.

**Participation** and your commitment to your learning is critical to your success in any course. Your timely participation in the class discussion and group assignments is a substantial part of your grade in this course. You will note that your original post to the class discussions will be due first while your response to your classmates will be due later in the module. This structure will ensure we can engage in meaningful conversations about instructional supervision. If you wait until Friday evenings, when the assignments are due, to complete the required readings and watch the lecture videos, you will not be successful in this course. Each module will be open at least 2 weeks prior to the due date to facilitate the required group participation. Please plan accordingly!

**Communication**

To contact me via email, you may use the Canvas email. Click on the Inbox on the left side of the Canvas main menu. Through Canvas, you may send a text email or a video message. You may also email me at yoliverasortiz@uttyler.edu. Please note that this is not a Patriots email address.

I will respond to your emails as quickly as possible; my priority is to be supportive of your work to ensure your success. I generally reply to email within a few hours but given other commitment and responsibilities, my goal is to respond to emails sent during the week within 24 hours. While I try to respond to emails over the weekend as promptly as possible, emails sent over the weekend might not be read until Monday morning.

**Written Assignments, Quizzes & Exams**

Some of the written assignments in this course require collaboration with other students; your participation as documented on Canvas will count towards the participation grade.

All other written assignments as well as all quizzes and exams are **individual assignments**. Students may not collaborate on the individual assignments. Unauthorized collaboration is considered cheating and will be handled according to University Policies and the Students Standards of Academic Conduct.

**UNIVERSITY POLICIES**

The following University policies must appear on each course syllabus or be provided as an informational sheet (web-links to these policies may be used in the print or electronic syllabus) [http://www.uttyler.edu/academicaffairs/syllabuspolicies.pdf](http://www.uttyler.edu/academicaffairs/syllabuspolicies.pdf)

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions that students need to be aware of. These include:

· Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
· Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
· Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
· Being reinstated or re-enrolled in classes after being dropped for non-payment
· Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Disability Services

In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University offers accommodations to students with learning, physical and/or psychiatric disabilities. If you have a disability, including non-visible disabilities such as chronic diseases, learning disabilities, head injury, PTSD or ADHD, or you have a history of modifications or accommodations in a previous educational environment you are encouraged to contact the Student Accessibility and Resources office and schedule an interview with the Accessibility Case Manager/ADA Coordinator, Cynthia Lowery Staples. If you are unsure if the above criteria applies to you, but have questions or concerns please contact the SAR office.

For more information or to set up an appointment please visit the SAR office located in the University Center, Room 3150 or call 903.566.7079. You may also send an email to cstaples@uttyler.edu
**Student Absence due to Religious Observance**
Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

**Student Absence for University-Sponsored Events and Activities**
If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

**Social Security and FERPA Statement**
It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

**Emergency Exits and Evacuation**
Everyone is required to exit the building when a fire alarm goes off. Follow your instructor’s directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class.

**UT Tyler a Tobacco-Free University**
All forms of tobacco will not be permitted on the UT Tyler main campus, branch campuses, and any property owned by UT Tyler. This applies to all members of the University community, including students, faculty, staff, University affiliates, contractors, and visitors. Forms of tobacco not permitted include cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco, and all other tobacco products.
