**Description of Grading and Evaluation**

1. **Exams (3):** These are intended to measure student comprehension of course material. These are worth 100 points each. **See schedule for exam dates.**

2. **Weekly Modules:** Each Monday morning at 6:00 a.m., a weekly module will be posted. Each module consists of an online lecture, reading assignment, quiz and assignment for the week. There also may be discussion board item to complete. Module components must be completed by **11:59 p.m. on Sunday evening.** If any module component is not completed by 11:59 p.m., the work is considered to be **late and will not be accepted.**

**Teaching Strategies**

The following instructional strategies will be employed during this class:

- Online lecture, modules, simulations, discussion board and activities.

**Required Text and Related Readings**

Documents and document links posted on UT Tyler Course Web Site: www.Canvas.uttyler.edu

**NOTE:** A student of this institution is not under any obligation to purchase a textbook from a university-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

**Course Policies:**

- **People First Language/Class Etiquette:** Our language is a reflection of our attitudes. Always refer to persons with disabilities with respect. Degrading terminology will not be tolerated. In this class we will strive to use “people first” language at all times. “People First” language always refers to the person first and not as a label or a category. For example, refer to “a student with autism” an not “an autistic child.”

- **Safe Zone:** I consider this classroom to be a place where you will be treated with respect as a human being - regardless of gender, race, ethnicity, national origin, religious affiliation, sexual orientation, political beliefs, age, or ability. Additionally, diversity of thought is appreciated and encouraged, provided you can agree to disagree. It is my expectation that ALL students consider the classroom a safe environment.

- **Communication:** You’ll need to log in to Canvas regularly (at least once a week) to view that week’s assignments and check announcements and the Coffee & Conversations discussion board – this is a forum in Canvas that is for you to pose questions and general musings about the course. Before emailing me with questions, please post them here because 1) your classmates will respond more quickly with an answer, and 2) everyone in the class has the benefit of that answer. I will check this board periodically and answer any questions that have not been answered by your classmates or that still seems to be unclear. I encourage you to use Coffee and Conversations as an environment to interact with and support one another throughout the semester. If you need to email me privately, I normally respond to emails within 24 hours during the week, and up to 48 hours on a weekend. If you email me over a weekend, holiday break, or semester break, there may be a longer response time.

Also, it is my policy to discuss grades in a live, one-on-one meeting so that we can clearly communicate and I can hear your perspective and you can hear mine as this promotes open dialogue. If you have questions about grades or your performance in this class, I’m happy to meet with you in Zoom conference or if you reside close to our campus during a face to face office visit.

- **Course Organization and Frequent Logins:** This course is organized into learning modules. The modules will open Mondays at 6:00 a.m. and close Sundays at 11:59 p.m. unless otherwise noted. Because this is an online course, on-campus attendance is not applicable. However, you must demonstrate self-motivation and be disciplined to complete the course activities and assignments in
timely manner. Thus, frequent (not less than once a week) logins to the course are expected.

- **Late assignments**: Because this is an online class, you have a lot of flexibility in where and when you complete many of your assignments. You have many opportunities to submit the assignment on time throughout the week. *You will need to be proactive and plan ahead to submit assignments on time even if you are temporarily unavailable or your student/client is temporarily unavailable (i.e. illness, vacations, family emergency, weddings, funerals, etc.).*

Assignments are due Sundays at 11:59 p.m. as determined by the module schedule. *Late assignments will not be accepted unless you have made prior arrangements with me 48 hours in advance of the due date/time.* Assignments and due dates are noted on the course schedule located in the syllabus and in each canvas module.

There will be NO make-up activities or exams for this course unless there is an extended emergency that encompasses more than the time allowed in the module. Relevant documentation must be submitted (i.e. doctor’s note) in the event of a make-up activity to receive full credit.

- **Written assignments**: Possessing the ability to clearly communicate in writing is an essential skill in our jobs as educators for the children and families we serve. Therefore, written assignments must be typed using double spacing lines and have page numbers. In addition, work submitted must reflect a professional quality in terms of scope, depth, writing mechanics, and appearance. Proofread all assignments as only materials with minimal or no errors will receive high scores.

- **Canvas**: You will access class lectures, assignments, grades, and course information through Canvas. Any changes to the course schedule, schedule of assignments, or any special assignment will be posted on Canvas.

- **Technology**: Because this is an online course, you are expected to possess basic technology skills. However, if you are struggling with technology, please post your questions on coffee and conversations, or in many cases you can find answers to your question on Google or other search engines. For issues related to Canvas, please contact IT Support at [http://bit.ly/StudentBbHelp](http://bit.ly/StudentBbHelp)

**Topical Outline**:

See Attached Schedule Page (specific information for each week is listed in the module posted on Canvas)

**Grade Replacement/Forgiveness and Census Date Policies**
Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.utttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

**State-Mandated Course Drop Policy**
Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
