Description of Grading and Evaluation

1. Online Assignments – (6 @ 10 points). You will have 6 online assignments to complete during the timeline stated in the syllabus. Each of these assignments are worth 10 points.

2. Quizzes – (6 x 20 points). You will have 6 online quizzes, worth 20 points each.
   Quizzes will be assigned for online sessions. These short quizzes provide you the opportunity to demonstrate your understanding of the assigned readings and lectures.

3. In-Class Activities – 100 maximum points
   Throughout the semester, you will be expected to participate with your peers in class activities. These activities are extensions of the topic being discussed during the class session. You must be present during class to receive these points. No extra credit will be awarded to make up these points. Due Date: Refer to Course Schedule.

4. Reading Group Participation (6 x 20 points). Students will be expected to participate in a “Padlet” discussion. This will consist of answering a question(s) given in each module of the chapter readings.

5. Teacher Interview (50 points): You will conduct a short interview with a cooperating teacher to determine what strategies he/she finds the most effective in the classroom when working with diverse learners (i.e. students with disabilities, ELL, below level learners). A detailed rubric will be provided.
6. Group Presentation (100 points): Students will be grouped into groups of 4-5 for a strategy presentation. The group will select and examine a research-based strategy which is used to improve academic performance for students with disabilities in the classroom. Research the strategy and design a demonstration or small group activity for the class. Plan to take 20-30 minutes, including time for questions and comments from the class. The presentation must include the following components:

   One page handout for each class members that includes:
   a. Brief explanation of the strategy
   b. Materials used
   c. Procedures
   d. For what grade level your strategy demonstration is most appropriate
   e. Reference used (a minimum of 3)
   f. Each student must submit a contribution sheet documenting his/her contribution and the contribution of the group partners to the project.

   A detailed rubric will be provided.

7. Reflective Paper: The student will provide a reflection of their time working in the field classroom. You will be expected to reflect on your growth in using differentiated instruction during your lessons in the field. The reflective paper should be 2-3 pages in length. Questions you may choose to answer could include:
   a. How have you grown as a novice teacher this semester?
   b. What strategies did you find most effective in your field teaching?
   c. What strategies did you feel were least effective and why?
   d. How did your cooperating teacher implement differentiated instruction? What would you change or add to what the cooperating teacher did in the classroom?

IV. Related Field Experiences
Supervised field experience is not required for this class.

VII. Course Policies

- Code of Conduct: Please see section 2.09 of the University of Texas at Tyler Handbook of Operating Procedures for specific information about expectations related to student conduct. It is the responsibility of the student to bring to the instructor’s attention any
question, misunderstanding or confusion he/she has concerning classroom policy or course requirements BEFORE an adverse effect on student’s grade results.

- **Blackboard:** Students will access class notes, assignments, grades and course information through Blackboard. Any changes to the course schedule, schedule of assignments, or any special assignments will be posted on Blackboard. Students are expected to regularly check blackboard for updates and to download any class handouts. Please refer to [http://www.blackboard.uttler.edu](http://www.blackboard.uttler.edu) for more information.

- **Academic Dishonesty:** Academic dishonesty (cheating, plagiarism, collusion) will NOT be tolerated and will result in a grade of zero (0) for the assignment. A second infraction will result in automatic failure of the class. Additional information on Academic Dishonesty is found in Section IX.B of this syllabi (Selected University Policies).

- **Cell Phone / Pager / PDA / Blackberry usage:** Cell phones, pagers, etc., are not to be used during class. Turn such devices off or on vibrate and do NOT access them during class without the approval of the instructor.

- **Person First Language:** Our language is a reflection of our attitudes. In this class we will strive to use “people first” language at all times. “People First” language always refers to the person first and not as a label or a category. For example, refer to “a student with autism” and not “an autistic”.

- **Written Assignments.** Written assignments MUST (a) be typed using double spaced lines and have page numbers. In addition, work submitted should reflect a professional quality in terms of scope, depth, writing mechanics, and appearance that would be expected of students at a prestigious university. Proofread all assignments as only materials with minimal or no errors will receive high scores.

- **Late Assignments** (turning in after due date) will result in a decrease of 10 points for each day the assignment or class activity is not turned in after the due date unless a prior agreement has been made with the instructor. Assignments over 24 hours late will not be accepted.

- **Teacher Candidate Dispositions.** The University of Texas at Tyler School of Education has developed Teacher Candidate Disposition Assessment outlining professional behaviors educators are expected to demonstrate in their interactions with students, families, colleagues and communities. The process assumptions, dispositions to be assessed, and examples of deficiencies within each disposition assessment categories are available at the UT-Tyler School of Education website: [www.uttler.edu/education](http://www.uttler.edu/education) (access School of Education; School of Education Disposition Assessment). It is expected that all students enrolled in EDUC 4369 will adhere to and demonstrate these teacher candidate dispositions at all times.

Grade Replacement/Forgiveness and Census Date Policies
Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 12.) Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date (Sept. 12th) is the deadline for many forms and enrollment actions of which students need to be aware. These include:
- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy
Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Disability Services
In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University offers accommodations to students with learning, physical and/or psychiatric disabilities. If you have a disability, including non-visible disabilities such as chronic
diseases, learning disabilities, head injury, PTSD or ADHD, or you have a history of modifications or accommodations in a previous educational environment you are encouraged to contact the Student Accessibility and Resources office and schedule an interview with the Accessibility Case Manager/ADA Coordinator, Cynthia Lowery Staples. If you are unsure if the above criteria applies to you, but have questions or concerns please contact the SAR office. **Student Absence for University-Sponsored Events and Activities**
If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

**Social Security and FERPA Statement:**
It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor’s directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

These standards are based on those developed by the Interstate New Teacher Assessment and Support Consortium (InTASC) and shared by other accredited universities in Texas and across the United States. The Standards are broad understandings and practices gained throughout the program using a constructivist model in which new learnings are assimilated and attached to prior understandings, thus, over time, building a mental structure (schema) of educational concepts.
