COURSE DESCRIPTION:
This course will provide the learner with an overview of major contemporary approaches to the study of human development, learning, and motivation. Course topics include theories with an environmental, cognitive, and social cognitive focus. The course will provide the student with both theoretical background and educational applications of those theories.

STUDENT LEARNING OUTCOMES:
After completion of this course, students will be able to:
1. Understand and apply major theories of cognitive and psychosocial development
2. Understand and apply major behavioral, cognitive, and social-cognitive theories of learning
3. Understand and apply current environmental and affective theories of human motivation
4. Understand the relationship between diversity and theories of learning and development
5. Apply course content within the context of the K-12 classroom

Student learning outcomes include three components: 1) Content Outcomes, 2) Technology Outcomes and 3) Professional/Ethical Outcomes.
The Student Learning Outcomes reflect the School of Education Program Standards

Standard #1: Learner Development. The teacher understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional, and physical areas, and designs and implements developmentally appropriate and challenging learning experiences.

Standard #2: Learning Differences. The teacher uses understanding of individual differences and diverse cultures and communities to ensure inclusive learning environments that enable each learner to meet high standards.

Standard #3: Learning Environments. The teacher works with others to create environments that support individual and collaborative learning, and that encourage positive social interaction, active engagement in learning, and self-motivation.

Standard #9: Professional Learning and Ethical Practice. The teacher engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner.

Standard #10: Leadership and Collaboration. The teacher seeks appropriate leadership roles and opportunities to take responsibility for student learning, to collaborate with learners, families, colleagues, other school professionals, and community members to ensure learner growth, and to advance the profession.

TECHNOLOGY OUTCOMES:
The following technology outcomes are infused into the learning opportunities throughout the course. Students do not need to be an expert in technology, but they are expected to develop the following skills:

- Email, Blackboard tools including discussion boards
- Word processing to produce quality written documents
- Presentation software to produce a quality presentation (PowerPoint, Prezi, etc.)
- Other technologies as required by the course (Wikis, Blogs, Apps, etc.)

PROFESSIONAL/ETHICAL OUTCOMES:

- Positive, collaborative professional behavior is expected throughout the semester.
- Students in this course are expected to conduct themselves as university students of advanced standing.

- Students will attend class regularly and to participate in class activities. Students arrive at the beginning of class and to remain until the class is dismissed.

- Students assigned deadlines. Students behave in an academically honest manner.

I reserve the right to penalize students who violate class policies.

TEACHING STRATEGIES:

Lecture, discussion, small group problem solving, case studies.
REQUIRED TEXT:

- You can use any version of this book: bound, loose-leaf, or electronic – but make sure it is the 3rd Edition.
- See Blackboard for information about the electronic book.

- A student of this institution is not under any obligation to purchase a textbook from a university-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

COURSE POLICIES

E-MAIL:
The best way to contact me is via e-mail. Please make sure you have activated your UT Tyler e-mail account because I will use that account for any class announcements.

ATTENDANCE:
- Students are expected to attend every class meeting.
- Course objectives and performance outcomes cannot be met unless you attend class and participate in class activities.
- Attendance Policy: For summer classes you are only allowed a maximum of 1 absence.
- If you miss more than the maximum class periods, you will need to make an appointment with the instructor for a Disposition Conference. More than maximum absences will result in the completion of a Disposition Assessment Form by the instructor and may result in lowering your final grade by one letter grade. If you are absent for an extended period of time, you should make arrangements to explore options such as retaking the course or taking an incomplete grade.
- Students, who receive three or more Disposition Assessment Forms during the course of his/her study in the educator preparation program, may be dismissed from the program.

DEADLINES:
Only legitimate (i.e., doctor's) excuses, presented PRIOR to a deadline will be recognized. Students will be penalized ten percent of the point value of a task (one letter grade) for each day or portion of a day that elapses between the missing deadline and the making of alternative arrangements with the instructor. Without a legitimate excuse, NO late work will be allowed.

CORRECTING ASSIGNMENTS:
If you are not satisfied with the grade you receive on an assignment, you may resubmit it. Corrected assignments will receive a maximum grade of 80%. Corrections must be submitted within 1 week of the grade being posted.

**INAPPROPRIATE USE OF TECHNOLOGY:**
Students are encouraged to use technology appropriately in class, whether on-line or face-to-face. I will not lecture about inappropriate technology use in class. For every class meeting in which a student uses technology inappropriately (texting, surfing the web, checking e-mail, looking at Facebook, etc.), the student’s **FINAL GRADE** will be reduced by 1 letter grade.

**WRITTEN ASSIGNMENTS:**
All assignments will be posted on Blackboard. It is each student’s responsibility to check Blackboard for assignments and announcements. All written assignments will be submitted via Blackboard. **E-mail and hard copy submissions will not be accepted or graded.** Specific requirements and guidelines for the papers will be distributed separately. In all cases, out of class written assignments are expected to represent university quality work and to meet the following minimal criteria:

1. On Time
2. Word processed, double-spaced – Arial or Times New Roman 12 pt font – saved as a **Word, Word Perfect or PDF file**
3. Free of typographical errors
4. Name and date on each assignment

**CLASS ASSIGNMENTS**
There will be class assignments. Some will be given in class, some as homework. If you are absent for an in-class assignment, it is your responsibility to find out what assignment you missed and complete it by the deadline.

**CHAPTER QUIZZES:**
There will be quizzes posted on Blackboard over the chapters of the O’Donnell text. The purpose of these quizzes is to help you understand the text. For the chapter quizzes, you are encouraged to use your book.

**TESTS:**
There will be 4-6 tests given this semester. For the tests, you are not allowed to use your textbooks, notes, other materials or to get help from another person or the internet. The tests will be done on Blackboard. Even though they are on Blackboard, the Universities policies regarding cheating are still in effect.

**MAJOR ASSIGNMENTS**
There are two major course assignments: a book study and a live case study.

**COURSE GRADED COMPONENTS:**
Course grades will be assigned on the following basis:

UNIVERSITY POLICIES

UT Tyler Honor Code
Every member of the UT Tyler community joins together to embrace: Honor and integrity that will not allow me to lie, cheat, or steal, nor to accept the actions of those who do.

Students Rights and Responsibilities
To know and understand the policies that affect your rights and responsibilities as a student at UT Tyler, please follow this link: http://www.uttyler.edu/wellness/rightsresponsibilities.php

Grade Replacement/Forgiveness and Census Date Policies
Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Summer I, the Census Date is June 9th.) Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date (June 9th) is the deadline for many forms and enrollment actions of which students need to be aware. These include:
- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy
Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).
Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Disability Services
In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University offers accommodations to students with learning, physical and/or psychiatric disabilities. If you have a disability, including
non-visible disabilities such as chronic diseases, learning disabilities, head injury, PTSD or ADHD, or you have a history of modifications or accommodations in a previous educational environment you are encouraged to contact the Student Accessibility and Resources office and schedule an interview with the Accessibility Case Manager/ADA Coordinator, Cynthia Lowery Staples. If you are unsure if the above criteria applies to you, but have questions or concerns please contact the SAR office. For more information or to set up an appointment please visit the SAR office located in the University Center, Room 3150 or call 903.566.7079. You may also send an email to cstaples@uttyler.edu

Student Absence due to Religious Observance
Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

Student Absence for University-Sponsored Events and Activities
If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

Social Security and FERPA Statement:
It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

Emergency Exits and Evacuation:
Everyone is required to exit the building when a fire alarm goes off. Follow your instructor’s directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

Student Standards of Academic Conduct: Disciplinary proceedings may be initiated against any student who engages in scholastic dishonesty, including, but not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts.
