**COURSE EVALUATION AND REQUIREMENT DESCRIPTION**

**Performance Assessments**

Grading is based on the total number of points accumulated by each student at the end of the semester for all evaluations including exams, assignments, and class activities. The assignments and projects outlined below are designed to contribute in a different, and yet complementary way in achieving the stated course objectives.

1. **Class Participation** – SLO 1, 2, 3 (20 points). Throughout the semester, you will be expected to attend every class, complete assigned readings, and engage actively in-class and online discussions and related activities. The in-class and online assignments will be randomly collected throughout the semester and will be worth points towards your class participation grade. Your contribution to assigned class work is an important part of the course grade and an important component of your growth as a classroom teacher.
2. **Project #1: Literacy Content Video Integration** – SLO 3 (20 points). Students will create a music video that highlights one reading or writing strategy they could use in their future teaching. At the beginning of the semester, the students will select one reading or writing strategy to be approval by the course instructor. The student will choose background music for their video and write lyrics that will promote repeated exposure to the strategy. They will film on location and use costumes and props as appropriate to reinforce the strategy. After filming the music video the student will upload it to YouTube. The YouTube link will be submitted/shared in Canvas for their peers to view and use in their future teaching. Example videos will be shown in class. A rubric will be used for this project.

3. **Project #2: Micro Teaching/Literacy Bagtivity** – SLO 3 (20 points). Students will create and implement a literacy activity that can be used during guided reading rotations and center times in the classroom. The literacy activity will be based on one of the following literacy skills: phonemic awareness, letter identification, phonics, sight word recognition, fluency, vocabulary, comprehension, spelling, and writing. The literacy activity will include step-by-step directions, references, appropriate grade level and TEKS standard, and all materials needed to perform the activity. Completed literacy bagtivities will be placed in a large Ziploc bag for easy access and storage. A rubric will be used for this project.

4. **Quizzes**– SLO 1, 2, 3 (10 points). There will be ten scheduled online quizzes (1 point each or 10% of course grade) throughout the semester. Quizzes will cover material addressed in lectures, discussions, and assigned readings.

5. **Final Exam** – SLO 1, 2, 3 (30 points). The final exam will be a comprehensive exam covering topics presented throughout the semester. The content of exam, which will consist of a mix of objective and/or constructed response answers, is designed to probe your level of preparedness in understanding and using knowledge gained throughout the course to promote and support students’ literacy development in EC-6 classroom settings. The final exam will be an online exam.

Course Attendance Policy:
Absences and tardiness may result in a permanent grade change. Students are expected to arrive promptly for every class and to call or email the instructor in the case of an emergency. Come to class prepared to contribute to discussions, ask appropriate questions, and participate in class activities. Roll is taken at each class session. Please see the instructor if you come in tardy to ensure that I indicate your attendance in my records. If it is necessary for you to miss a class, you should arrange for a classmate to take notes and pick up handouts for you. You are responsible for the content of classes that are missed.

Late Assignment:
Late assignments without prior, written permission from the instructor or without the presence of documentable (by you) of extenuating circumstances will result in lowering of the assignment grade. In order to earn an “A” for the semester, students must demonstrate outstanding performance on class work, exemplary credit on all assignments, and professionalism throughout the semester. To earn and “A” you must go above and beyond average academic performance

Technology Policy:
Out of respect for your fellow students, your professor, and the educational process, all technology devices (i.e. cell/smart phones, lap tops, iPads, etc.) must be powered down and put away unless otherwise indicated by the professor. Cell phones may be left on vibrate for emergency notification purposes only. Students will be allowed to use the electronic devices during designated technology breaks. Texting or other cell phone use during class time may result in a reduction of your participation points.

Grade Replacement/Forgiveness and Census Date Policies
Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:
- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy
Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
