READ 5307.60: Literacy Instruction Practicum

[ONLINE]

School of Education
The University of Texas at Tyler

Spring 2017

A. Instructor Information

Name: Dr. Kouider Mokhtari, Anderson-Vukelja-Wright Endowed Chair
Email: kmokhtari@uttyler.edu
Office Address: 126 HPR
Office Phone: (903) 566-7177
Office Hours: Physical Office Hours—By Appointment
Virtual Office Hours—Thursdays 7:00-8:00 p.m. &/or by appointment via ‘Zoom’. Sign up for a free zoom account @ http://uttyler.zoom.us/.

Important Reminders

First Class Day: January 17, 2017
Census Date: January 30, 2017
Spring Break: March 13-18, 2017
Final Exam Week: May 2-6, 2017

B. Course Description

READ 5307: Literacy Instruction Practicum. Field experience focused on addressing the literacy instruction needs of struggling readers and writers in PreK-12 clinical and/or classroom settings. A field-based practicum is required. Pre-requisite: READ 5306: Literacy Assessment Practicum.

READ 5307 builds on the knowledge, skills, and experiences gained in READ 5306, which is designed to prepare you for the supervised practicum. In this companion course, you will have an opportunity to apply what you learned about literacy assessment and instruction while working directly with school-aged children in real-world school settings.

Important Notes Re: Field-Based Practicum Requirements

The UT Tyler MEd-Reading program places a great deal of emphasis on field-work that enables program graduates to apply knowledge and skills gained in real-world instructional settings. While field-work is emphasized to varying degrees across all courses in the program, it is most evident in READ 5306: Literacy Assessment Practicum, READ 5307: Literacy Instruction Practicum, and READ 5309: Foundations of Literacy Coaching.

The program emphasis on field work is consistent with The Texas Administrative Code, which stipulates that each certificate program provide a minimum of 360 hours (200 coursework and 160 hours of field) for the Reading Specialist1 and the Master Reading Teacher2 certificates. Following these guidelines

1 Requirements for the preparation of Reading Specialists in the State of Texas (Texas Administrative Code, Chapter 239, Subchapter D)
• TAC § 241.10 (b). The Reading Specialist preparation program shall include a field-based practicum whereby candidates

1

2
and consistent with the Texas Examination of Educator Standards (TExES) standards for the preparation of reading teachers, reading specialists, and master reading teachers, we have designed this practicum so that students spend approximately 160 hours engaging in field work that focuses on the identification of reading and writing difficulties using a set of assessments tools, and designing evidence based literacy instruction aimed at addressing these difficulties among struggling readers and writers (see “Supervised Professional Literacy Educator Practicum” for more details).

Our literacy team has developed a Professional Practicum Handbook, which provides more information about the requirements for the field-based practicum associated with the practicum. I will share a copy of the handbook during the first two weeks of the semester, and provide step-by-step guidance in completing this important field-based component of the program. I will also share a copy of the handbook with your assigned mentor teacher and university supervisor who will be trained to assist with the implementation of the practicum.

To facilitate and support your preparation as a reading specialist via this practicum, our School of Education has purchased use licenses for Edthena, a coaching tool that enables you, your mentor teacher, field supervisor, course instructor and practicum coordinator to review video-taped lessons online, reflect on the type and quality of work completed, receive coaching support, and reflect on progress made in light of the overall goals of the intervention. Click on the link below for an overview of Edthena along with a series of short training videos tutorials [https://edthena.zendesk.com/hc/en-us/articles/213995783-Video-Tutorials](https://edthena.zendesk.com/hc/en-us/articles/213995783-Video-Tutorials).

C. Knowledge Base(s) for This Course

This graduate level course builds upon the knowledge base and experiences gained in prior graduate coursework addressing language and literacy issues. The course addresses clinical and classroom aspects of literacy assessment and instruction. Emphasis will be placed on examining the causal factors, which inhibit the students’ developmental processes of learning to read and write, and how an understanding of these factors enables a teacher to develop an effective program of instruction for all students, including those with language and learning challenges.

Course content incorporates the International Literacy Association (ILA) as well as the Texas Examination of Educator Standards (TExES) standards for the preparation of reading specialists/literacy coaches (ILA, 2010; TEA, 2006). IRA standards pertain primarily to Standard 2: Instructional strategies and curriculum materials and Standard 3: Assessment, diagnosis, and evaluation. TExES Standards pertain primarily to Domain 1: Instruction and Assessment: Components of literacy, Domain 3: Meeting the Needs of Individual Students, and Domain 4: Professional knowledge and leadership.

must demonstrate proficiency in each of the standards identified in § 42.15 this title.

- TAC 228.35 (b) an educator preparation program shall provide a candidate [for Reading Specialist] with a minimum of 200 clock hours of coursework that is directly aligned to the state standards.
- TAC 228.25 (c) (3) an educator preparation program shall provide a practicum … for a minimum of 160 clock hours [for Reading Specialist]

---

2 Requirements for the Preparation the Master Reading Teachers in the State of Texas (Texas Administrative Code (Chapter 239.101).

- TAC 239.101-[The Master Reading Teacher preparation program] shall include a field-based practicum.
- TAC 228.35 (b) an educator preparation program shall provide a candidate [for Master Reading Teacher] with a minimum of 200 clock hours of coursework that is directly aligned to the state standards.
- TAC 228.25 (c) (3) an educator preparation program shall provide a practicum … for a minimum of 160 clock hours [for Master Reading Teacher]
Course content is grounded in literacy research, policy, and practice findings (e.g., Bell & McCallum, 2008; Gay, 2000; NICHHD, 2000, Snow, Griffin, & Burns, 2005) that identify the performance criteria demonstrated by effective reading professionals. Course content is further guided by the following state and national standards:

2. **Texas Examination of Educator Standards (TExES, 2006) Standards for the Preparation of Reading Specialists and Master reading Teachers**, with a focus on Standard 2: Instructional strategies and curriculum materials and Standard 3: Assessment, diagnosis, and evaluation. TExES Standards pertain to Domain 1: Instruction and Assessment: Components of literacy, Domain 3: Meeting the Needs of Individual Students, and Domain 4: Professional knowledge and leadership.

3. **Texas Educator Standards (2016) Title 19: Chapter 149, Subchapter AA, Rule: 149.1001**, which delineate the performance criteria to be used to inform the training, appraisal, and professional development of teachers. Standards pertaining specifically to this course include Standard 1: Instructional Planning and Delivery, Standard 3: Content Knowledge and Expertise, and Standard 5: Data-Driven Practice (see attachment in this syllabus).

### D. Student Learning Outcomes

Teacher candidates successfully completing the requirements of this course will have an opportunity to:

1. Develop an understanding of literacy assessment as an on-going and essential part of reflective literacy instruction.

2. Expand knowledge about the types, characteristics, and applications of commonly used and evolving literacy assessment and instruction approaches, measures, and practices.

3. Develop expertise in identifying students’ literacy needs, and using that information for planning, implementing, and evaluating evidence-based literacy interventions to address those needs.

4. Develop knowledge and skill in identifying and addressing the literacy needs of students with diverse social, cultural, linguistic, and literacy learning needs, including English learners and students suspected of having learning needs such as dyslexia.

5. Gain knowledge and skill in communicating literacy assessment and instruction results to students, parents, school administrators, and the public.

### E. Course Evaluation and Grading

The assignments and projects outlined below are designed to contribute in a different, and yet significant way to your knowledge and experiences in assessing and using assessment data to inform instruction for striving readers and writers in clinical and school settings.

**Important Note about Assigned Readings.** Each lecture (approximately 12) has a set of readings to support the learning outcomes for that lecture and associated course objectives. The volume of assigned readings will depend on the nature of the topics addressed in each lecture. Some of the readings will be selected from course textbooks; others will be selected from articles and related materials outlined in the reference list. Specific assigned readings will be announced during each lecture. Please note that given the vast amount of information available in the area of K-12 literacy assessment and instruction, I will not have enough class time to “cover” all of the readings assigned. Consequently, I ask that you COMPLETE ALL ASSIGNED READINGS, at your convenience, and be prepared to discuss them with classmates via discussion forums. All assigned readings are important
for successfully completing class activities, assignments, projects, and quizzes.

1. **Class Participation & Engagement** (20 points or 20% of course grade). Throughout the semester, you will be expected to engage either individually or in small groups in a series of relatively brief but useful reading assignments and activities that will help increase your knowledge, skills, and experiences in using assessment data to inform the design, implementation, and evaluation of effective literacy programs for students with diverse needs.

   Unless otherwise indicated, we will use the Blackboard Discussion Forum as a venue for responding to assigned readings, sharing lessons learned about new and emerging media tools and resources, or exploring questions related to new or emerging media literacies.

   Active engagement entails making sustained and substantive contributions by completing assigned readings, asking critical questions, collaborating with others online and offline, and exploring implications and applications of knowledge gained for your own professional work. Your asynchronous discussion responses will be evaluated on the level of engagement (how often and when you contribute to the discussions), the quality of the contributions made (how thoughtful and substantive your contributions are), and the professionalism you exhibit when responding to assigned discussion topics or issues (how respectful and considerate you are to discussion forum members). The following criteria will be used to evaluate your class participation and engagement.

   - At minimum, you should post one original response (worth 1.5 points) and two follow up responses to other posts (worth 0.5 points each) per lecture.
   - Original responses should be at least 250 words in length and should present your thoughts in an organized and well-written manner.
   - Follow-up responses should be at least 75 words in length and contribute substantively to the conversation, not just echo the original post.

2. **Field Practicum Report** (50 points or 50% of course grade).

   In this supervised field practicum, you will have the opportunity to refine your knowledge and skills regarding the collection and use of literacy assessment data to inform instruction for striving readers in clinical and classroom settings. Your specific tasks are as follows:

   a. Identify a child (or a small group of children) underperforming in the areas of reading and/or writing.
   b. Administer a set of informal and formal assessment measures to determine the child’s strengths and needs. Assessments would ideally be collected from three related sources including administration of specific assessments directly to the child (e.g., an informal reading inventory, an attitude survey, and a developmental spelling test); obtaining archival assessment data from school records (e.g., TPRI results, other assessments); and soliciting informal assessments from the child’s parents and/or teachers (e.g., parent and teacher interviews).
   c. Analyze and interpret the assessment data obtained with the goal of diagnosing the child’s literacy strengths and needs.
   d. Use the assessment findings to develop and implement an evidence-based literacy intervention (e.g., over a period of 12-weeks, 60 minutes a day, 2-3 times per week) aimed at enhancing the child’s literacy skills.
   e. Prepare a literacy assessment and instruction report describing the work accomplished, and reflecting on your professional learning as a result of completing this project.
I will guide you in planning, completing, and writing a 5-7 single-space page report for this project, which may be shared with potential parents, teachers, and/or school administrators.

The criteria for evaluating the report will focus on the extent to which you have (a) effectively conducted and used assessment data to inform literacy instruction, (b) designed an effective intervention program to address the needs of your student(s), and (c) reflected on your professional learning and growth, and (d) produced a well written report that showcases your literacy assessment and instruction expertise (see attached Practicum Evaluation Rubric). More detailed information about the requirements for the field practicum is available in a practicum handbook, which will be made available to you, your mentor teacher, and field supervisor during the first two weeks of the semester.

3. **Exams and Quizzes** (20 points or 20% of course grade). There will be two scheduled exams/quizzes (10 points each) covering content addressed in lectures, discussions, and assigned readings. The content of exams/quizzes, which will consist of a mix of objective and/or constructed response answers, is designed to probe your level of preparedness in assessing and teaching PreK-12 students having difficulty in reading and/or writing in clinical and/or classroom settings. Students who miss exams/quizzes will not be able to schedule retakes without legitimate documentation.

4. **Practicum Deliverables** (10 points or 10% of course grade). Practicum deliverables consist of (a) Practicum Activity Log (see attached) to be completed, signed, and turned in via BB upon completion of the practicum (May 2, 2017), and (b) Practicum Observation & Appraisal Rubrics (see attached), to be completed, signed, and turned in via BB within 48 hours following each of the three observations by your mentor teacher and field supervisor.

**Evaluation Guidelines**

All written work should be typed (single-spaced, using 12 pt. New Times Roman font, one-inch margins, & page numbers), properly labeled, and carefully proofread and edited. Use APA style when citing references used in your work. The criteria for determining your final grade are outlined below.

F. Required Texts and Materials:

Recommended Texts—Select one or more depending on your needs and interests

Additional readings to supplement course content will be selected from the following literacy journals and related professional organizations (see references attached at the end of the syllabus).

Note: A student of this institution is not under any obligation to purchase a textbook from a university-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.
G. Topical Outline & Schedule

The following **tentative course calendar is subject to change** due to the nature of the course, which emphasizes wide reading, reflection, and critical inquiry. Specific agendas for each session will be provided as determined by progress made throughout the semester.

H. Selected Readings

UNIVERSITY POLICIES

UT Tyler Honor Code. Every member of the UT Tyler community joins together to embrace: Honor and integrity that will not allow me to lie, cheat, or steal, nor to accept the actions of those who do.

Students Rights and Responsibilities. To know and understand the policies that affect your rights and responsibilities as a student at UT Tyler, please follow this link: http://www.utt_tyler.edu/wellness/rightsresponsibilities.php

Campus Carry. We respect the right and privacy of students 21 and over who are duly licensed to carry concealed weapons in this class. License holders are expected to behave responsibly and keep a handgun secure and concealed. More information is available at http://www.utt_tyler.edu/about/campus-carry/index.php

Tobacco-Free University. All forms of tobacco will not be permitted on the UT Tyler main campus, branch campuses, and any property owned by UT Tyler. This applies to all members of the University community, including students, faculty, staff, University affiliates, contractors, and visitors. Forms of tobacco not permitted include cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco, and all other tobacco products. There are several cessation programs available to students looking to quit smoking, including counseling, quitlines, and group support. For more information on cessation programs please visit http://www.utt_tyler.edu/tobacco-free

Grade Replacement/Forgiveness and Census Date Policies. Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 12.) Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.utt_tyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date (Sept. 12th) is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy. Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Disability Services. In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University offers accommodations to students with learning, physical and/or psychiatric disabilities. If you have a disability, including non-visible disabilities such as chronic diseases, learning disabilities, head injury, PTSD or ADHD, or you have a history of modifications or accommodations in a previous educational environment you are encouraged to contact the Student Accessibility and Resources office and schedule an interview with the Accessibility Case Manager/ADA Coordinator, Cynthia Lowery Staples. If you are unsure if the above criteria applies to you, but have questions or concerns please contact the SAR office. For more information or to set up an appointment please visit the SAR office located in the University Center, Room 3150 or call 903.566.7079. You may also send an email to cstaples@utt_tyler.edu
**Student Absence due to Religious Observance.** Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

**Student Absence for University-Sponsored Events and Activities.** If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

**Social Security and FERPA Statement:** It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

**Emergency Exits and Evacuation:** Everyone is required to exit the building when a fire alarm goes off. Follow your instructor’s directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

**Student Standards of Academic Conduct:** Disciplinary proceedings may be initiated against any student who engages in scholastic dishonesty, including, but not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts.

(i) “Cheating” includes, but is not limited to:
- copying from another student’s test paper;
- using, during a test, materials not authorized by the person giving the test;
- failure to comply with instructions given by the person administering the test;
- possession during a test of materials which are not authorized by the person giving the test, such as class notes or specifically designed “crib notes”. The presence of textbooks constitutes a violation if they have been specifically prohibited by the person administering the test;
- using, buying, stealing, transporting, or soliciting in whole or part the contents of an unadministered test, test key, homework solution, or computer program;
- collaborating with or seeking aid from another student during a test or other assignment without authority;
- discussing the contents of an examination with another student who will take the examination;
- divulging the contents of an examination, for the purpose of preserving questions for use by another, when the instructors has designated that the examination is not to be removed from the examination room or not to be returned or to be kept by the student;
- substituting for another person, or permitting another person to substitute for oneself to take a course, a test, or any course-related assignment;
- paying or offering money or other valuable thing to, or coercing another person to obtain an unadministered test, test key, homework solution, or computer program or information about an unadministered test, test key, home solution or computer program;
- falsifying research data, laboratory reports, and/or other academic work offered for credit;
- taking, keeping, misplacing, or damaging the property of The University of Texas at Tyler, or of another, if the student knows or reasonably should know that an unfair academic advantage would be gained by such conduct; and
- misrepresenting facts, including providing false grades or resumes, for the purpose of obtaining an academic or financial benefit or injuring another student academically or financially.

(ii) “Plagiarism” includes, but is not limited to, the appropriation, buying, receiving as a gift, or obtaining by any means another’s work and the submission of it as one’s own academic work offered for credit.

(iii) “Collusion” includes, but is not limited to, the unauthorized collaboration with another person in preparing academic assignments offered for credit or collaboration with another person to commit a violation of any section of the rules on scholastic dishonesty.

(iv) All written work that is submitted will be subject to review by SafeAssign™, available on Blackboard.
UT Tyler Resources for Students:
- UT Tyler Writing Center (903.565.5995), writingcenter@uttyler.edu, http://www.uttyler.edu/writingcenter/
- UT Tyler Tutoring Center (903.565.5964), tutoring@uttyler.edu, https://www.uttyler.edu/tutoring/
- The Mathematics Learning Center, RBN 4021, This is the open access computer lab for math students, with tutors on duty to assist students who are enrolled in early-career courses.
- UT Tyler Counseling Center (903.566.7254) https://www.uttyler.edu/counseling/

COLLEGE OF EDUCATION AND PSYCHOLOGY (CEP) VISION AND MISSION

Vision: The College of Education and Psychology is nationally recognized and respected for its academic programs and opportunities. It is a center of academic excellence, scholarly inquiry, and public service. The College prepares leaders to meet the critical challenges of the 21st Century through productive contributions to local and global communities and toward individual and cultural equity.

Mission: The mission of the College of Education and Psychology is to provide a positive environment that fosters the acquisition of knowledge and skills. The mission is individually and collectively realized through a community of scholars that contributes to knowledge through scholarly inquiry; organizes knowledge for application, understanding and communication; and provides leadership and service. We affirm and promote global perspectives that value individual and cultural diversity to enhance learning, service, and scholarship.

UT TYLER'S SCHOOL OF EDUCATION STANDARDS FOR EDUCATOR PREPARATION PROGRAMS

Texas Education Standards: The School of Education are committed to teaching and implementing the Texas Educator Standards at the highest level. The School of Education faculty use the Texas Education Standards, along with the Interstate New Teacher Assessment and Support Consortium (InTASC) standards used by educator preparation programs throughout the United States.

Texas Educator Standards
Title 19: Chapter 149, Subchapter AA
Rule: 149.1001

(a) Purpose. The standards identified in this section are performance standards to be used to inform the training, appraisal, and professional development of teachers.

(b) Standards.
(1) Standard 1: Instructional Planning and Delivery. Teachers demonstrate their understanding of instructional planning and delivery by providing standards-based, data-driven, differentiated instruction that engages students, makes appropriate use of technology, and makes learning relevant for today’s learners.
   (A) Teachers design clear, well organized, sequential lessons that build on students’ prior knowledge.
      (i) Teachers develop lessons that build coherently toward objectives based on course content, curriculum scope and sequence, and expected student outcomes.
      (ii) Teachers effectively communicate goals, expectations, and objectives to help all students reach high levels of achievement.
      (iii) Teachers connect students’ prior understanding and real-world experiences to new content and contexts, maximizing learning opportunities.
   (B) Teachers design developmentally appropriate, standards-driven lessons that reflect evidence-based best practices.
      (i) Teachers plan instruction that is developmentally appropriate, is standards driven, and motivates students to learn.
      (ii) Teachers use a range of instructional strategies, appropriate to the content area, to make subject matter accessible to all students.
(iii) Teachers use and adapt resources, technologies, and standards-aligned instructional materials to promote student success in meeting learning goals.

(C) Teachers design lessons to meet the needs of diverse learners, adapting methods when appropriate.

(i) Teachers differentiate instruction, aligning methods and techniques to diverse student needs, including acceleration, remediation, and implementation of individual education plans.

(ii) Teachers plan student groupings, including pairings and individualized and small-group instruction, to facilitate student learning.

(iii) Teachers integrate the use of oral, written, graphic, kinesthetic, and/or tactile methods to teach key concepts.

(D) Teachers communicate clearly and accurately and engage students in a manner that encourages students’ persistence and best efforts.

(i) Teachers ensure that the learning environment features a high degree of student engagement by facilitating discussion and student-centered activities as well as leading direct instruction.

(ii) Teachers validate each student's comments and questions, utilizing them to advance learning for all students.

(iii) Teachers encourage all students to overcome obstacles and remain persistent in the face of challenges, providing them with support in achieving their goals.

(E) Teachers promote complex, higher-order thinking, leading class discussions and activities that provide opportunities for deeper learning.

(i) Teachers set high expectations and create challenging learning experiences for students, encouraging them to apply disciplinary and cross-disciplinary knowledge to real-world problems.

(ii) Teachers provide opportunities for students to engage in individual and collaborative critical thinking and problem solving.

(iii) Teachers incorporate technology that allows students to interact with the curriculum in more significant and effective ways, helping them reach mastery.

(F) Teachers consistently check for understanding, give immediate feedback, and make lesson adjustments as necessary.

(i) Teachers monitor and assess student progress to ensure that their lessons meet students' needs.

(ii) Teachers provide immediate feedback to students in order to reinforce their learning and ensure that they understand key concepts.

(iii) Teachers adjust content delivery in response to student progress through the use of developmentally appropriate strategies that maximize student engagement.

(2) Standard 2: Knowledge of Students and Student Learning. Teachers work to ensure high levels of learning, social-emotional development, and achievement outcomes for all students, taking into consideration each student’s educational and developmental backgrounds and focusing on each student’s needs.

(A) Teachers demonstrate the belief that all students have the potential to achieve at high levels and support all students in their pursuit of social-emotional learning and academic success.

(i) Teachers purposefully utilize learners’ individual strengths as a basis for academic and social-emotional growth.

(ii) Teachers create a community of learners in an inclusive environment that views differences in learning and background as educational assets.

(iii) Teachers accept responsibility for the growth of all of their students, persisting in their efforts to ensure high levels of growth on the part of each learner.

(B) Teachers acquire, analyze, and use background information (familial, cultural, educational, linguistic, and developmental characteristics) to engage students in learning.

(i) Teachers connect learning, content, and expectations to students’ prior knowledge, life experiences, and interests in meaningful contexts.

(ii) Teachers understand the unique qualities of students with exceptional needs, including disabilities and giftedness, and know how to effectively address these needs through instructional strategies and resources.

(iii) Teachers understand the role of language and culture in learning and know how to modify their practices to support language acquisition so that language is comprehensible and instruction is fully accessible.
(C) Teachers facilitate each student’s learning by employing evidence-based practices and concepts related to learning and social-emotional development.

(i) Teachers understand how learning occurs and how learners develop, construct meaning, and acquire knowledge and skills.

(ii) Teachers identify readiness for learning and understand how development in one area may affect students' performance in other areas.

(iii) Teachers apply evidence-based strategies to address individual student learning needs and differences, adjust their instruction, and support the learning needs of each student.

(3) Standard 3--Content Knowledge and Expertise. Teachers exhibit a comprehensive understanding of their content, discipline, and related pedagogy as demonstrated through the quality of the design and execution of lessons and their ability to match objectives and activities to relevant state standards.

(A) Teachers understand the major concepts, key themes, multiple perspectives, assumptions, processes of inquiry, structure, and real-world applications of their grade-level and subject-area content.

(i) Teachers have expertise in how their content vertically and horizontally aligns with the grade-level/subject-area continuum, leading to an integrated curriculum across grade levels and content areas.

(ii) Teachers identify gaps in students’ knowledge of subject matter and communicate with their leaders and colleagues to ensure that these gaps are adequately addressed across grade levels and subject areas.

(iii) Teachers keep current with developments, new content, new approaches, and changing methods of instructional delivery within their discipline.

(B) Teachers design and execute quality lessons that are consistent with the concepts of their specific discipline, are aligned to state standards, and demonstrate their content expertise.

(i) Teachers design and execute quality lessons that are consistent with the concepts of their specific discipline, are aligned to state standards, and demonstrate their content expertise.

(ii) Teachers understand, actively anticipate, and adapt instruction to address common misunderstandings and preconceptions.

(iii) Teachers promote literacy and the academic language within the discipline and make discipline-specific language accessible to all learners.

(C) Teachers demonstrate content-specific pedagogy that meets the needs of diverse learners, utilizing engaging instructional materials to connect prior content knowledge to new learning.

(i) Teachers teach both the key content knowledge and the key skills of the discipline.

(ii) Teachers make appropriate and authentic connections across disciplines, subjects, and students' real-world experiences.

(4) Standard 4--Learning Environment. Teachers interact with students in respectful ways at all times, maintaining a physically and emotionally safe, supportive learning environment that is characterized by efficient and effective routines, clear expectations for student behavior, and organization that maximizes student learning.

(A) Teachers create a mutually respectful, collaborative, and safe community of learners by using knowledge of students' development and backgrounds.

(i) Teachers embrace students' backgrounds and experiences as an asset in their learning environment.

(ii) Teachers maintain and facilitate respectful, supportive, positive, and productive interactions with and among students.

(iii) Teachers establish and sustain learning environments that are developmentally appropriate and respond to students' needs, strengths, and personal experiences.

(B) Teachers organize their classrooms in a safe and accessible manner that maximizes learning.

(i) Teachers arrange the physical environment to maximize student learning and to ensure that all students have access to resources.

(ii) Teachers create a physical classroom set-up that is flexible and accommodates the different learning needs of students.

(C) Teachers establish, implement, and communicate consistent routines for effective classroom management, including clear expectations for student behavior.

(i) Teachers implement behavior management systems to maintain an environment where all students can learn effectively.
(ii) Teachers maintain a strong culture of individual and group accountability for class expectations.
(iii) Teachers cultivate student ownership in developing classroom culture and norms.
(D) Teachers lead and maintain classrooms where students are actively engaged in learning as indicated by their level of motivation and on-task behavior.
   (i) Teachers maintain a culture that is based on high expectations for student performance and encourages students to be self-motivated, taking responsibility for their own learning.
   (ii) Teachers maximize instructional time, including managing transitions.
   (iii) Teachers manage and facilitate groupings in order to maximize student collaboration, participation, and achievement.
   (iv) Teachers communicate regularly, clearly, and appropriately with parents and families about student progress, providing detailed and constructive feedback and partnering with families in furthering their students’ achievement goals.

(5) Standard 5--Data-Driven Practice. Teachers use formal and informal methods to assess student growth aligned to instructional goals and course objectives and regularly review and analyze multiple sources of data to measure student progress and adjust instructional strategies and content delivery as needed.
   (A) Teachers implement both formal and informal methods of measuring student progress.
      (i) Teachers gauge student progress and ensure student mastery of content knowledge and skills by providing assessments aligned to instructional objectives and outcomes that are accurate measures of student learning.
      (ii) Teachers vary methods of assessing learning to accommodate students' learning needs, linguistic differences, and/or varying levels of background knowledge.
   (B) Teachers set individual and group learning goals for students by using preliminary data and communicate these goals with students and families to ensure mutual understanding of expectations.
      (i) Teachers develop learning plans and set academic as well as social-emotional learning goals for each student in response to previous outcomes from formal and informal assessments.
      (ii) Teachers involve all students in self-assessment, goal setting, and monitoring progress.
      (iii) Teachers communicate with students and families regularly about the importance of collecting data and monitoring progress of student outcomes, sharing timely and comprehensible feedback so they understand students' goals and progress.
   (C) Teachers regularly collect, review, and analyze data to monitor student progress.
      (i) Teachers analyze and review data in a timely, thorough, accurate, and appropriate manner, both individually and with colleagues, to monitor student learning.
      (ii) Teachers combine results from different measures to develop a holistic picture of students' strengths and learning needs.
   (D) Teachers utilize the data they collect and analyze to inform their instructional strategies and adjust short- and long-term plans accordingly.
      (i) Teachers design instruction, change strategies, and differentiate their teaching practices to improve student learning based on assessment outcomes.
      (ii) Teachers regularly compare their curriculum scope and sequence with student data to ensure they are on track and make adjustments as needed.

(6) Standard 6--Professional Practices and Responsibilities. Teachers consistently hold themselves to a high standard for individual development, pursue leadership opportunities, collaborate with other educational professionals, communicate regularly with stakeholders, maintain professional relationships, comply with all campus and school district policies, and conduct themselves ethically and with integrity.
   (A) Teachers reflect on their teaching practice to improve their instructional effectiveness and engage in continuous professional learning to gain knowledge and skills and refine professional judgment.
      (i) Teachers reflect on their own strengths and professional learning needs, using this information to develop action plans for improvement.
      (ii) Teachers establish and strive to achieve professional goals to strengthen their instructional effectiveness and better meet students' needs.
      (iii) Teachers engage in relevant, targeted professional learning opportunities that align with their professional growth goals and their students’ academic and social-emotional needs.
(B) Teachers collaborate with their colleagues, are self-aware in their interpersonal interactions, and are open to constructive feedback from peers and administrators.
   (i) Teachers seek out feedback from supervisors, coaches, and peers and take advantage of opportunities for job-embedded professional development.
   (ii) Teachers actively participate in professional learning communities organized to improve instructional practices and student learning.
(C) Teachers seek out opportunities to lead students, other educators, and community members within and beyond their classrooms.
   (i) Teachers clearly communicate the mission, vision, and goals of the school to students, colleagues, parents and families, and other community members.
   (ii) Teachers seek to lead other adults on campus through professional learning communities, grade- or subject-level team leadership, committee membership, or other opportunities.
(D) Teachers model ethical and respectful behavior and demonstrate integrity in all situations.
   (i) Teachers adhere to the educators' code of ethics in §247.2 of this title (relating to Code of Ethics and Standard Practices for Texas Educators), including following policies and procedures at their specific school placement(s).
   (ii) Teachers communicate consistently, clearly, and respectfully with all members of the campus community, including students, parents and families, colleagues, administrators, and staff.
   (iii) Teachers serve as advocates for their students, focusing attention on students’ needs and concerns and maintaining thorough and accurate student records.

SCHOOL OF EDUCATION PROGRAM STANDARDS

The School of Education has adopted program standards that guide the development of teacher candidates in their understanding of the complexity of teaching. These standards are based on those developed by the Interstate New Teacher Assessment and Support Consortium (InTASC) and shared by other accredited universities in Texas and across the United States. The Standards are broad understandings and practices gained throughout the program using a constructivist model in which new learnings are assimilated and attached to prior understandings, thus, over time, building a mental structure (schema) of educational concepts.

Standard #1: Learner Development (students in general). The teacher understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional, and physical areas, and designs and implements developmentally appropriate and challenging learning experiences. Texas Teacher Practice Standards: 1.2, 2.1, 2.2, 2.3, 4.1

Standard #2: Learning Differences (individual students). The teacher uses understanding of individual differences and diverse cultures and communities to ensure inclusive learning environments that enable each learner to meet high standards. Texas Teacher Practice Standards: 1.3, 2.1, 2.2, 2.3, 4.1

Standard #3: Learning Environments. The teacher works with others to create environments that support individual and collaborative learning, and that encourage positive social interaction, active engagement in learning, and self motivation. Texas Teacher Practice Standards: 1.3, 1.4, 1.6, 2.3, 4.1, 4.2, 4.3, 4.4

Standard #4: Content Knowledge. The teacher understands the central concepts, tools of inquiry, and structures of the discipline(s) he or she teaches and creates learning experiences that make these aspects of the discipline accessible and meaningful for learners to assure mastery of the content. Texas Teacher Practice Standards: 1.2, 1.5, 1.6, 3.1, 3.2, 3.3, 5.2

Standard #5: Application of Content. The teacher understands how to connect concepts and use differing perspectives to engage learners in critical thinking, creativity, and collaborative problem solving related to authentic local and global issues. Texas Teacher Practice Standards: 1.5, 3.2, 3.3

Standard #6: Assessment. The teacher understands and uses multiple methods of assessment to engage learners in their own growth, to monitor learner progress, and to guide the teacher’s and learner’s decision making. Texas Teacher Practice Standards: 1.6, 5.1, 5.2, 5.3, 5.4, 6.2
Standard #7: Planning for Instruction. The teacher plans instruction that supports every student in meeting rigorous learning goals by drawing upon knowledge of content areas, curriculum, cross-disciplinary skills, and pedagogy, as well as knowledge of learners and the community context. Texas Teacher Practice Standards: 1.1, 1.2, 1.3, 5.1, 5.3, 5.4

Standard #8: Instructional Strategies. The teacher understands and uses a variety of instructional strategies to encourage learners to develop deep understanding of content areas and their connections, and to build skills to apply knowledge in meaningful ways. Texas Teacher Practice Standards: 1.4, 1.5, 1.6, 5.4

Standard #9: Professional Learning and Ethical Practice. The teacher engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner. Texas Teacher Practice Standards: 3.2, 3.3, 6.1, 6.2, 6.4

Standard #10: Leadership and Collaboration. The teacher seeks appropriate leadership roles and opportunities to take responsibility for student learning, to collaborate with learners, families, colleagues, other school professionals, and community members to ensure learner growth, and to advance the profession. Texas Teacher Practice Standards: 6.3, 6.4

Standard #11: Technology. The teacher is able to create, implement, and evaluate technology to enhance teaching, student learning, and other obligations (e.g. reports, grades, tests, etc.) required of teachers. Texas Teacher Practice Standards: 1.5

Teacher Ethics: The School of Education is committed to producing highly ethical educators for the K-12 students of Texas. Our program interweaves the Code of Ethics and Standard Practices for Texas Educators throughout our program.
(b) Enforceable Standards.

(1) Professional Ethical Conduct, Practices and Performance.

(A) **Standard 1.1.** The educator shall not intentionally, knowingly, or recklessly engage in deceptive practices regarding official policies of the school district, educational institution, educator preparation program, the Texas Education Agency, or the State Board for Educator Certification (SBEC) and its certification process.

(B) **Standard 1.2.** The educator shall not knowingly misappropriate, divert, or use monies, personnel, property, or equipment committed to his or her charge for personal gain or advantage.

(C) **Standard 1.3.** The educator shall not submit fraudulent requests for reimbursement, expenses, or pay.

(D) **Standard 1.4.** The educator shall not use institutional or professional privileges for personal or partisan advantage.

(E) **Standard 1.5.** The educator shall neither accept nor offer gratuities, gifts, or favors that impair professional judgment or to obtain special advantage. This standard shall not restrict the acceptance of gifts or tokens offered and accepted openly from students, parents of students, or other persons or organizations in recognition or appreciation of service.

(F) **Standard 1.6.** The educator shall not falsify records, or direct or coerce others to do so.

(G) **Standard 1.7.** The educator shall comply with state regulations, written local school board policies, and other state and federal laws.

(H) **Standard 1.8.** The educator shall apply for, accept, offer, or assign a position or a responsibility on the basis of professional qualifications.

(I) **Standard 1.9.** The educator shall not make threats of violence against school district employees, school board members, students, or parents of students.

(J) **Standard 1.10** The educator shall be of good moral character and be worthy to instruct or supervise the youth of this state.

(K) **Standard 1.11.** The educator shall not intentionally or knowingly misrepresent his or her employment history, criminal history, and/or disciplinary record when applying for subsequent employment.

(L) **Standard 1.12.** The educator shall refrain from the illegal use or distribution of controlled substances and/or abuse of prescription drugs and toxic inhalants.
(M) **Standard 1.13.** The educator shall not consume alcoholic beverages on school property or during school activities when students are present.

**2) Ethical Conduct Toward Professional Colleagues.**

(A) **Standard 2.1.** The educator shall not reveal confidential health or personnel information concerning colleagues unless disclosure serves lawful professional purposes or is required by law.

(B) **Standard 2.2.** The educator shall not harm others by knowingly making false statements about a colleague or the school system.

(C) **Standard 2.3.** The educator shall adhere to written local school board policies and state and federal laws regarding the hiring, evaluation, and dismissal of personnel.

(D) **Standard 2.4.** The educator shall not interfere with a colleague's exercise of political, professional, or citizenship rights and responsibilities.

(E) **Standard 2.5.** The educator shall not discriminate against or coerce a colleague on the basis of race, color, religion, national origin, age, gender, disability, family status, or sexual orientation.

(F) **Standard 2.6.** The educator shall not use coercive means or promise of special treatment in order to influence professional decisions or colleagues.

(G) **Standard 2.7.** The educator shall not retaliate against any individual who has filed a complaint with the SBEC or who provides information for a disciplinary investigation or proceeding under this chapter.

**3) Ethical Conduct Toward Students.**

(A) **Standard 3.1.** The educator shall not reveal confidential information concerning students unless disclosure serves lawful professional purposes or is required by law.

(B) **Standard 3.2.** The educator shall not intentionally, knowingly, or recklessly treat a student or minor in a manner that adversely affects or endangers the learning, physical health, mental health, or safety of the student or minor.

(C) **Standard 3.3.** The educator shall not intentionally, knowingly, or recklessly misrepresent facts regarding a student.

(D) **Standard 3.4.** The educator shall not exclude a student from participation in a program, deny benefits to a student, or grant an advantage to a student on the basis of race, color, gender, disability, national origin, religion, family status, or sexual orientation.

(E) **Standard 3.5.** The educator shall not intentionally, knowingly, or recklessly engage in physical mistreatment, neglect, or abuse of a student or minor.

(F) **Standard 3.6.** The educator shall not solicit or engage in sexual conduct or a romantic relationship with a student or minor.

(G) **Standard 3.7.** The educator shall not furnish alcohol or illegal/unauthorized drugs to any person under 21 years of age unless the educator is a parent or guardian of that child or knowingly allow any person under 21 years of age unless the educator is a parent or guardian of that child to consume alcohol or illegal/unauthorized drugs in the presence of the educator.
(H) **Standard 3.8.** The educator shall maintain appropriate professional educator-student relationships and boundaries based on a reasonably prudent educator standard.

(I) **Standard 3.9.** The educator shall refrain from inappropriate communication with a student or minor, including, but not limited to, electronic communication such as cell phone, text messaging, email, instant messaging, blogging, or other social network communication. Factors that may be considered in assessing whether the communication is inappropriate include, but are not limited to:

(i) the nature, purpose, timing, and amount of the communication;
(ii) the subject matter of the communication;
(iii) whether the communication was made openly or the educator attempted to conceal the communication;
(iv) whether the communication could be reasonably interpreted as soliciting sexual contact or a romantic relationship;
(v) whether the communication was sexually explicit; and
(vi) whether the communication involved discussion(s) of the physical or sexual attractiveness or the sexual history, activities, preferences, or fantasies of either the educator or the student.

**Source Note:** The provisions of this §247.2 adopted to be effective March 1, 1998, 23 TexReg 1022; amended to be effective August 22, 2002, 27 TexReg 7530; amended to be effective December 26, 2010, 35 TexReg 11242

PRACTICUM ACTIVITY LOG  

Practicum Candidate Name: __________________________  UT ID #: ________________  
Course No & Title: READ 5307: Literacy Instruction Practicum  
School Name & Location: _____________________________  Sem. & Yr: ________  

<table>
<thead>
<tr>
<th>Time Frame</th>
<th>Practicum Activity</th>
<th>Hours</th>
</tr>
</thead>
</table>
| January-February | Pre-Assessments To Determine Students’ Strengths And Needs  
This phase of the practicum includes, but it is not limited to, Identification of student(s) in need of literacy assistance; obtaining parent and school permission to work with the student(s); completing training to use selected assessments (e.g., QRI-6, phonemic awareness test, Spelling test, etc.); developing a time schedule for assessing and teaching identified student(s); administering pre-assessments, analyzing and interpreting assessment results; using findings to inform the development of a developmentally appropriate literacy intervention; and consulting with practicum coordinator/instructor with respect to the type and quality of work performed. | 30    |
| February-March   | Development Of A Literacy Intervention Aimed At Addressing Students’ Identified Needs  
This phase of the practicum includes, but it is not limited to, analysis and interpretation of the assessment (using the FAD procedure) so as to diagnose students’ literacy strengths and needs; development of a literacy intervention informed by assessment data; acquiring materials and resources to support daily instruction; and consulting with practicum coordinator/instructor with respect to the type and quality of work performed. | 20    |
| April-May        | Implementation Of The Literacy Intervention  
This phase of the practicum includes, but it is not limited to, implementing the intervention as intended, coordinating schedules with cooperating teacher/mentor and field supervisor to conduct three observations (one face-to-face and two online) following guidelines outlined in the Practicum Handbook; participating in training and using Edthena, a coaching tool that enables candidate, mentor teacher, field supervisor, and practicum coordinator to review work done online, reflect on the type and quality of work completed and receive coaching support; reflecting on progress made in light of the overall goals of the intervention; documenting all work performed, and consulting with practicum coordinator/instructor with respect to the type and quality of work performed. | 60    |
|                  | Post-Assessments To Determine Impact Of Intervention  
This phase of the practicum includes, but it is not limited to, administering post-assessments, analyzing and interpreting assessment results, using findings to evaluate the impact of the intervention on improving students’ literacy skills; and consulting with practicum coordinator/instructor with respect to the type and quality of work performed. | 20    |
|                  | Evaluating The Impact Of The Literacy Intervention  
This phase of the practicum includes, but it is not limited to, reviewing post-assessment results in light of pre-assessments, organizing data (using tables and  | 20    |
graphs) highlighting improvements made, determining the extent to which the intervention has actually improved students’ literacy skills; writing a practicum report summarizing all work performed; and consulting with practicum coordinator/instructor with respect to the type and quality of work performed.

**Other Practicum-Related Activities**

This phase of the practicum includes, but it is not limited to, interactions with parents, consultations with the teacher mentor, field supervisor, and practicum coordinator regarding the work type and quality of instruction; and performing other duties directly related to the practicum experience.
