Course Policies:

Attendance Policy: Attendance is essential. Points are earned on in-class activities. Three absences will result in lowering your final grade by 25 points. More than 3 absences will result in a failing grade. Arriving late or leaving early can also be unprofessional and distracting; therefore, two such events will be counted as an absence. Please refer to the link on Dispositions: <http://www.utt Tyler.edu/education/documents/Dispositions.pdf>

Preparation: Reading assignments are important and enable students to examine beliefs, explore theories, and debate ideas with fellow students and instructor. The assigned materials are to be read before coming to class, allowing you to be prepared to participate fully. Quiz questions will be taken from assigned reading material, presentations, and classroom discussions.

Participation: It is important that we listen and learn from each other; therefore, full and active participation is required as we create a community of learners. You are expected to add depth to discussions at each meeting. Lack of participation gives the appearance of lack of interest and/or

preparation. Participation points may also be given during class at the instructor's discretion. Activities cannot be made up if you are absent.

Written Assignments: Teachers must speak and write effectively; therefore, all written assignments must be in good form: check spelling, proofread, and staple or paper clip pages. Points may be deducted for inappropriate content and form. Typed work is expected unless otherwise specified. It is generally recommended that students keep photocopies of work turned in.

Canvas: Students will access class notes, assignments, grades and course information through Canvas. Any changes to the course schedule, schedule of assignments, or any special assignments will be posted on Canvas. Students are expected to regularly check Canvas for updates and to download any class handouts. Please refer to <http://www.Canvas.utt Tyler.edu> for more information.

Timeliness: Complete all assignments by the due date listed on the Tentative Course Calendar. All assignments handed in past that date will result in a deduction of points.

Concerns: Should problems or concerns arise it is your responsibility to solicit help. This is done before problems affect your grade, not afterwards.

Grade Replacement/Forgiveness and Census Date Policies

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or

waivers through Financial Aid The specific Census Date for

each term can be found online on the Academic Calendar.

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes

courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date.

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
