UTeach Step 2: Inquiry – Based Lesson Design

Spring 2020

Time: 6:00 – 6:55 pm Day: Monday, BEP 215

Final Exam Date: To be announced on the first day of class

Instructor Information: Michael Odell, Ph.D.

Office: HPR 263

Office Hours: Office Hours: Monday 3:00-4:00 pm / Tuesday 3:00 – 5:00 pm (and by appointment)

Telephone: office (903) 566-7132

Email address: <u>modell@uttyler.edu</u> (best way to contact me)

Course Catalog Description:

An introduction to the theory and practice that is necessary to design and deliver inquiry-based science and mathematics instruction.

Prerequisites: EDUT 1170 Step 1 and an interest in exploring mathematics or science teaching.

Course Description:

This course meets once a week on campus for 55 minutes. During class time, students learn about the school environment, work on inquiry-based lesson analysis, lesson design, and student assessment. UTeach Tyler students are grouped into teams of two, and assigned to either mathematics or a science Mentor Teacher in a local school, to successfully observe and then teach two inquiry-based lessons. The classroom observations and teaching requirements represent a major field component and requires at least one, two-hour block of free time during the school day at least once a week. Students will teach BOTH lessons with a partner. Step 2 Students will be placed in a 5-12 Classroom.

Student Learning Outcomes:

- 1. Design and deliver effective inquiry based 5E lessons with a focus on questioning and assessment strategies.
- 2. Promote student learning by providing responsive instruction that makes use of effective communication techniques, instructional strategies that effectively engage students in the learning process and timely, high-quality feedback.
- 3. Analyze lesson artifacts, including video evidence and pre/post assessments, for effectiveness of lesson.
- 4. Differentiate instruction, as evidenced in lesson plans, to meet the needs of diverse learners.
- 5. Demonstrate a commitment to integrating technology that enhances lesson engagement to create an authentic learning environment that promotes problem-solving and decision making for all learners.

Summative Assessment:

Analyze and reflect on clinical experience, pre/post assessment data, and feedback from other observers (Mentor Teacher, Master Teacher and/or Supervisor) to revise final lesson. Final revisions have to include cited rationales.

Course Objectives and Expectations:

Course Topics and/ or SLO	Activities and Assessment	Standards Alignment			
Students will be able to	Evidence of Student Learning:	Texas Educator Standard(s)	ISTE Standard(s)	InTASC Standard(s)	TExES Pedagogy and Professional Responsibility Standards EC-12
Utilize science or mathematics content knowledge to design and teach lessons aligned with district curriculum.	 Written paragraph in each lesson plan that provides background information on the concepts presented, including TEKS Provide accurate content throughout each lesson plan Present accurate content knowledge as observed by the mentor and/or master teacher 	 1Bi 1Bii 3Ai, 3Bi,ii, iii 3Ci,ii 	1a3a4ab5abc6c7ab	Standard4Standard5	Domain I: Competency 003

UTeach Step 2: Inquiry – Based Lesson Design Spring 2020

Spring 2020					
Utilize exemplary sources to create inquiry-based science and mathematics lessons.	Participation in demonstrations of model lessons selected from exemplary resources Create challenging inquiry-based lessons Sources cited in each lesson plan	• 1Di, • 3Ai, iii • 5Di, ii	2c4ab5abc6c7ab	• Standard 4 • Standard 7 • Standard 8	Domain III: Competency 007
Identify the unique attributes of adolescent students, and implement effective teaching strategies.	 Participation in a class session, both in person and online that addresses attributes and teaching strategies of adolescents Create challenging cooperative learning activities for lessons 	 1Bi 1Ei, Eii 2Ai, ii 2Bi, ii, iii 2Ci, ii, iii 4Ai, ii, iii 4Bi, ii 4Ci, ii, iii 4Di, ii, iiii 	• 2b • 5ab	• Standard 1	Domain I: Competency 001
Design and teach inquiry-based lessons using the <i>5E</i> Instructional Model.	 Develop inquiry-based lesson plans using the 5E template that include safety recommendations Written feedback by the mentor and/or master teacher for two inquiry-based lessons taught in the school Create challenging cooperative learning activities for lessons Abide by teacher code of ethics and University policy during clinicals 	 1Ai, ii, iii 1Bi, ii, iii 1Ci, ii, iii 1Di, iii 1Ei, Eii 2Ci, ii, iii 4Bi, ii 4Di, ii, iii 6Di, ii 	1a2c3a4a5abc6bc	StandardStandard8	 Domain I: Competency 003
Discuss strategies for achieving instructional equity.	Participation in class discussions both in person and online and provide evidence in written reflections Create challenging cooperative learning activities for lessons	• 1Ci • 2Ai, ii • 2Ci	2d4d5abc7ab	• Standard 2 • Standard 3	• Domain II: Competency 005
Design and teach lessons that incorporate the use of technology.	 Participation in technology activities during class and online Incorporate the use of technology to enhance learning Written feedback indicating effectiveness of incorporated technology 	• 1Biii • 1Eiii	1ac4abc5abc7ab	• Standard 7	Domain III: Competency 009
Use probing questions to elicit feedback to determine students' acquisition of knowledge.	Participation in class discussions both in person and online, on questioning strategies Create probing questions for lessons Written feedback from the mentor and/or master teacher following lessons	1Fi, ii, iii5Ai5Ci5Di	● 4d	• Standard 6 • Standard 7 • Standard 8	Domain III: Competency 007
Use pre/post assessments to evaluate student learning, to provide instructive feedback to middle school students, and as a basis for revising lesson plans.	Analysis of pre/post assessments to evaluate instruction and student learning Creation of Pre/post assessments to provide immediate feedback for lesson plans Use of pre/post assessment data to revise lesson plan	1Fi5Bi, ii5Ci, ii5Di	• 7abc	• Standard 6	Domain III: Competency 010
Provide instructive feedback to peers.	Written feedback provided to peers who present during class Written feedback to teaching partner	• 6Bi, ii	• 4d • 7c	• Standard 10	Domain IV: Competency 012

Activities	Points		
Attendance			
Class Assignments (See Canvas)			
Lesson Plan 1 (Final Revision)	5		
Lesson Plan 2 (Final Revision)			
Research Article/Video Reflections	5		
Discussion Boards			
Clinical Field Work			
Observation Hours and Reflections- (4 Hours) Failure to complete observations will result in a failing grade for the course regardless of average. Observation Reflection 1 Observation Reflection 2 Observation Reflection 3 Observation Reflection 4	20		
Teaching (2 Hours), as evidenced by the Mentor Teacher Feedback Form Important: Teaching these TWO lessons is a required component of Step 1. Failure to teach these required lessons will result in a failing grade for the course regardless of average. • Mentor Feedback Form 1 Mentor Feedback Form 2	10		
Self-Reflections (2) of actual teaching • Teach 1 Reflection Teach 2 Reflection	10		
Mentor Teacher Interview	5		
Semester Field Log documenting FOUR Observations and TWO Teaches (min 6 hours) complete, signed daily and submitted to instructor at end of semester via canvas	5		
Final Project/Test - The final project and test will include an analysis and reflection on the semester's teachings and feedback from other observers. <i>More specific requirements will be outlined in class.</i>	15		
TOTAL	100		

UTeach Step 2: Inquiry – Based Lesson Design

Spring 2020

- 1				
Evaluation and Grading:				
Grade	Points	Percent		
Α	90-100	90-100%		
В	80-89	80-89%		
С	70-79	70-79%		
D	60-69	60-69%		
F	0-59	< 59%		
Last Day to Withdraw: March 30, 2020				

Related Field Experiences:

In Step 2, pairs of students will be assigned to a local school classroom for **SIX HOURS** during the semester. Over the course of the semester, pairs will visit this classroom to conduct observations and to teach inquiry-based lessons.

Each teach is to be videotaped. Policies and procedures will be explained in class. Failure to follow these policies and procedures can jeopardize your class status. Your instructor will view lesson and provide you feedback.

Your Mentor Teacher will give you feedback (hard-copy) at the end of each lesson you teach. You are responsible for ensuring that a copy of this feedback is turned in to your Instructor. Your Mentor Teacher will also write a final evaluation of your field experience, which will be filed in the UTeach office. You may request a copy of the final evaluation upon completion of the semester.

If you have a serious emergency causing you to miss your scheduled teaching day, notify your partner, your Mentor Teacher, <u>and</u> your Instructor as soon as possible. Your partner will teach the lesson alone and you will be required to make up the missed teaching day. <u>Field hours (min 6) and the teaching of two lessons is a requirement of Step 2. Half of Required Hours (3) MUST be complete PRIOR to final Teach. Regardless of your final average, failure to teach the required lessons and/or incomplete field hours will result in a failing grade for the course.</u>

Supplies are available for you to borrow for use in your lessons from the UTeach Workroom. If you require help with reserving or ordering supplies, it is your responsibility to let your instructor know at least five days in advance. **Failure to return borrowed UTeach items will result in a failing grade in course.**

As representatives of UTeach Tyler, we expect you to be professional when participating in your field experiences.

- You are expected to observe ALL school rules, policies, and procedures.
- Sign in/out at the front office of the school each day that you visit. Some schools will provide you with a sticker or badge that identifies you as a visitor. If you are given this kind of identification, wear it.
- <u>Dress professionally</u>. The school has a dress code for teachers, student teachers, and others in field placements. As guest teachers, you are expected to follow <u>all parts of the school dress code</u>. Of particular note is the restriction against wearing jeans, flip flops, jewelry in visible pierced areas other than the ear, t-shirts, shorts, or exercise clothing. For a complete description of this policy, please see the Canvas community for education.
- Arrive at least <u>30 minutes</u> before your scheduled teaching time; arrive <u>1 hour</u> before a technology or lab-based lesson to set up and troubleshoot equipment.
- Practice every aspect of your lesson before you teach it.
 - o Decide exactly how you and your partner will share the teaching responsibilities of the co-teach lesson.
 - o Make a plan for how you will transition from each part of the lesson to the next.
- Learn and use the names of your students! Make nametags or nameplates and bring them with you to each lesson. This is an easy and effective classroom management technique.

Course Policies:

1. Attendance and Participation

A large portion of your grade is based on attendance and active participation in all class sessions and assignments. Credit for attendance requires arriving to each class session on time, participating in all class activities, and staying until the session ends. You will lose five points for every absence.

UTeach Step 2: Inquiry – Based Lesson Design

Spring 2020

Attendance is a crucial component of this class because during class time you will: 1) plan and practice your lessons with your partner; 2) get feedback from the Instructors and other members of the class; and 3) observe and learn from demonstration lessons. Because the course meets only once per week and there are no texts, missing class means you will miss essential information and experiences. Furthermore, most Step 2 students will be working with a partner, and this collaboration is vital to your success. The workload for each lesson should be shared equally. If you are not in class, you inconvenience your partner by forcing him or her to work with you outside of class. If you miss a class, it is your responsibility to communicate with your partner about how to coordinate the next lesson. Don't leave your partner guessing about why you are not in class, or how and when you will get together.

2. Late Work

There will be a deduction of 10% per day (max of 50%) for any assignment turned in late unless future arrangements have been made with the Instructor.

UNIVERSITY POLICIES

UT Tyler Honor Code

Every member of the UT Tyler community joins together to embrace: Honor and integrity that will not allow me to lie, cheat, or steal, nor to accept the actions of those who do.

COLLEGE OF EDUCATION AND PSYCHOLOGY (CEP) VISION AND MISSION

UTeach Step 2: Inquiry - Based Lesson Design

Spring 2020

Vision: The College of Education and Psychology is nationally recognized and respected for its academic programs and opportunities. It is a center of academic excellence, scholarly inquiry, and public service. The College prepares leaders to meet the critical challenges of the 21st Century through productive contributions to local and global communities and toward individual and cultural equity.

Mission: The mission of the College of Education and Psychology is to provide a positive environment that fosters the acquisition of knowledge and skills. The mission is individually and collectively realized through a community of scholars that contributes to knowledge through scholarly inquiry; organizes knowledge for application, understanding and communication; and provides leadership and service. We affirm and promote global perspectives that value individual and cultural diversity to enhance learning, service, and scholarship.

UT TYLER'S SCHOOL OF EDUCATION STANDARDS FOR EDUCATOR PREPARATION PROGRAMS

<u>Texas Education Standards</u>: The School of Education are committed to teaching and implementing the Texas Educator Standards at the highest level. The School of Education faculty use the Texas Education Standards, along with the Interstate New Teacher Assessment and Support Consortium (InTASC) standards used by educator preparation programs throughout the United States.

The list of Texas Education Standards can be accessed here.

Access the Code of Ethics and Standard Practices for Texas Educators.
