TUITION/FEES LATE PAYMENTS

EMBA-HCM students are expected to render payment for their posted program bills by the first business day prior to the start date of the standard 15-week session. Failure to render payment by this date will result in being dropped from courses for the semester. It is the student's responsibility to request reenrollment and make plans for payment through Financial Aid or the Cashiers Office. Should payment not be rendered by the Census Date the student may be removed from the Executive MBA Healthcare Management track. Students may transfer courses out of the EMBA-HCM program toward the general MBA program.
