

EMBA-HCM Tuition

The Executive MBA Healthcare Management Program has a standard tuition rate of \$35,000.00*.

The EMBA-HCM program offers two rates that are *reductions in tuition***:

MOU reduction in tuition is \$2,700.00 applied to admitted students who are eligible under an active MOU Institution, as outlined on our website. *If a student is no longer eligible under the MOU, they may revert to the Standard tuition rate.*

Nomination reduction in tuition is \$10,000.00 which may be offered to a capped number of eligible admits each admission cycle. Eligibility for this reduction in tuition may be offered to select institutions identified to nominate ‘rising healthcare leaders’, military veterans***, as well as internal academic departments at The University of Texas at Tyler. Self-nominations are not permitted, nominations must come from the level of Department Chair (Manager/Director) or higher and include a LOR on formal letterhead or from the letter writer’s email. The nominees will be pooled and ranked by the Executive Education Admissions Committee; those not selected for the reduction in tuition will revert to the Standard rate. *If a student is no longer eligible under the Nomination, they may revert to the Standard tuition rate.*
