

## Completing MPN for student loans

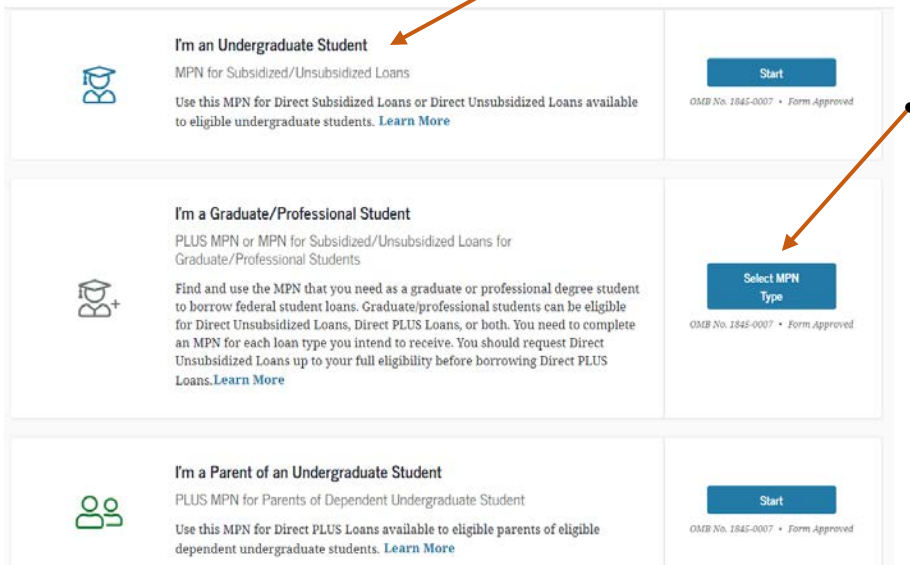

Start at studentaid.gov, you will need to login using your FSA ID information from your FAFSA application.

Once you login you can select the header "Complete Aid Process" and then select Complete a MPN.

There are MPNs for each student type and for parents so make sure you are completing the appropriate MPN.

You can select Complete an MPN to see the explanation for each type of MPN. If you're not sure which MPN to select read through the options on screen. You can ask [enroll@uttyler.edu](mailto:enroll@uttyler.edu) or 903.566.7180.

Once you know which MPN to select hit the blue start option next to that MPN.

Select the MPN below that you wish to complete. Graduate/professional students can be eligible for Direct Unsubsidized Loans, Direct PLUS Loans, or both. You need to complete an MPN for each loan type you intend to receive.

If you are a graduate student there are two different MPN options for you. If you have accepted a standard unsubsidized loan complete the first option.

If you are attempting to apply for a GRAD PLUS Loan, select the second option.

There are 5 Steps to the MPN. You can follow your progress through the steps at the top of the page.

Make sure to read through each page and confirm your contact information.

Select your school to notify them of your completed MPN. You can remove the school if you find that you have selected the wrong one.

Select the blue "Continue" option at the bottom of each page to move forward.
