I understand that acceptance of these funds constitutes a loan that must be repaid, not a gift or grant.

A loan origination fee/administrative fee of 1.25% of the total loan balance will be assessed and must be paid by the due date.

Prior to the due date, payments may be paid in one lump sum or arrangements can be made through the Cashier's office for other payment options. Past the due date, payment is to be made in one lump sum which includes principal, and applicable, any origination/administrative fees.

It is further understood and agreed that should I not repay this note according to the terms listed above, the following action(s) may be taken by The University of Texas at Tyler:

A. A bar against my re-registration or re-admission to the University, withholding of grades and official transcripts, and/or the withholding of a degree to which I may otherwise be entitled.

B. If the note is paid after the due date, I will not be eligible for a loan the next semester I enroll. Upon completion of one (1) semester at The University of Texas at Tyler following the default, I may re-apply for a loan.

C. Placement of this note with a collection agency. A collection fee of up to 30% of the unpaid balance would be added to balance due.

D. Notification to a credit reporting agency of my delinquency.

E. Legal action may be taken by The University of Texas at Tyler to recover the total amount due, the cost of collection, and reasonable attorney's fees may be added.

I will notify The University of Texas at Tyler Registrar's office at (903) 566-7106 or at Registration@uttyler.edu of any change in my name, address, or telephone number. There is no penalty for early payment of this note.

Venue of any actions relating to this note shall lie in Smith County, Texas.

No provision of this note shall be modified except by a written instrument signed by me and The University of Texas at Tyler expressly referring to this note and to the provision to be modified.
