Viewing Holds/To Do List

- You can see Holds and To Do indicators from the Task tile on your homepage. To view those items, select the Tasks tile.

- On the left-hand menu you can switch between your to do list and holds as well as review financial agreements from previous semesters.

- To view the instructions/details on a specific to do item or hold select the item from your list.

- The Task Details page will open to display information, instructions, and contact information for more questions.

- The Holds Details page should also give information over how the hold will impact the account and how to clear the item.
