Events are a great way to showcase our facilities, faculty, and students at UT Tyler. Scheduling & Conference Services is dedicated to providing event coordination for both on-campus and community organizations that result in a successful event.

**Why do we have an Events Procedure Manual?**
The manual outlines specific guidelines and procedures required for scheduling and holding an event on campus.

**Who needs to be familiar with the Events Manual?**
Everyone who plans a meeting or event that involves the use of university space and services.

**Where can I find a copy?**
A copy of the procedures manual can be found on the Event Management website (www.uttyler.edu/event-management) or you can request a copy from eventmgmt@uttyler.edu.

For the success and safety of your event and for the safety of the UT Tyler community, emergency egress routes are reviewed for each event request. Furniture changes (addition of chairs, tables, or moving existing furniture, etc.) should not be assumed.

**How can I get specific questions answered?**

STATEMENT OF PURPOSE

Scheduling & Conference Services strives to provide high-quality seamless event support to the university and community while providing professional, friendly, and efficient customer service that will result in a successful event.

Scheduling & Conference Services will:

- Consult with customers regarding their meeting/youth program/conference.
- Create a Use Agreement, if necessary, and/or terms and conditions for signature.
- Schedule meeting locations.
- Coordinate:
  - catering services for UT Tyler;
  - setups/teardowns with setup team to include layouts, if needed;
  - on-campus technology and/or audio-visual needs; and
  - door unlocks, reserved parking, onsite police presence, etc.
- Work through event logistics with other university departments.
- Create invoices and coordinate payments.

Support from all campus departments is essential in this effort.

EQUAL OPPORTUNITY / AFFIRMATIVE ACTION

In accordance with the Board of Regents' Rules and Regulations, Rule 10701, "To the extent provided by applicable law, no person shall be excluded from participation in, denied the benefits of, or be subject to discrimination under, any program or activity sponsored or conducted by The University of Texas System or any of its institutions, on the basis of race, color, national origin, religion, sex, age, veteran status, or disability."
SECTION 1

HOW TO PLAN CAMPUS EVENTS

Plan early. Many events on the UT Tyler campus are held annually.

Complete Online Event Request Form in Astra
Complete the appropriate Event Request Form as soon as possible to confirm a date no more than one (1) year in advance (depending upon location).

Event Management Coordination Form (EMC)
For events (see description of an event below), an online questionnaire will need to be completed and approved by UT Tyler Police Department, Environmental Health & Safety, and Facilities before your event is scheduled. Your event request will be placed in a “pending” status to safeguard the space requested.

Your request is considered an event if it meets one (1) of the following criteria:

- More than 49 attendees OR
- Setup/Teardown is required OR
- Food/Beverages will be served OR
- Minors will be present OR
- Joint Sponsored/External Client

Based on the answers to the questions on the Event Management Coordination form (EMC), you will receive an email of ACTION ITEMS and NOTIFICATIONS to help guide you with additional planning. Scheduling & Conference Services will help in the collaboration with other on-campus departments/partners to ensure events are of the highest quality.

Estimate Attendance
You will be asked to consider the estimated attendance in relation to the room you request. Each location has a maximum occupancy capacity that cannot be exceeded.

Consider Your Catering Needs
What type of meal would you like to serve? Sodexo is UT Tyler’s contracted food vendor. Homemade food and food or beverage from another caterer, restaurant, or grocery store are allowed if NetHealth requirements are met. Refer to Section 10.

It is a violation of Fire Code 1004.7 to add chairs or to stand in any room with fixed seating. Doing so endangers attendees and puts your event at risk of being cancelled immediately without being rescheduled.

Be sure to let Scheduling & Conference Services know if food will be at your event. Food permits and/or temporary vendor permits may be required by Environmental Health & Safety.
Media Production – Audiovisual Equipment
The Alumni House has self-service technology. Limited audiovisual equipment is available for internal clients. External clients are required to use an outside vendor if installed technology does not meet the needs of the event. Audio-visual assistance is requested via Astra using the event request form when requesting the event space.

Technology Services – Zoom Assistance
Zoom conferencing and recording assistance is requested via Astra using the event request form when requesting the event space. Thirty (30) minutes prior to the event is needed by Information Technology for setup.

Anyone making use of any University premises must comply with all sections of the National Fire Protection Association (NFPA) Life Safety Code 101 and Fire Safety Code 1. As per the Manual of Policy & Procedures for Student Affairs, The University Center Patio, Harvey Deck, and Patriot Plaza are designated sound areas between the hours of 11:00 a.m. – 1:00 p.m. or after 5:00 p.m. Monday through Friday. For more information, please refer to [https://www.uttyler.edu/mopp/](https://www.uttyler.edu/mopp/).
SECTION 6

SCHEDULING A JOINT-SPONSORED EVENT

An event or meeting is joint sponsored if a budgeted office, department, division, school, or college of UT Tyler is responsible for organizing the event, inviting attendees, and paying expenses related to the event, except that such an event is sponsored even if an outside entity pays for the food and beverages at the event.

University properties shall be used only in accordance with federal, state, and local laws and shall not be used for the purpose of organizing or carrying out any unlawful activity.

University or Department Sponsor

- You are a university or department sponsor if the following conditions set by Regents’ Rule 80105 are met:
  - your department, program, or registered student organization is directly involved with the planning and execution of the event and has a University representative (faculty/staff/club member) attend the event;
  - the program or activity is upon invitation by the University;
  - the program or activity directly supplements the educational purposes of the institution;
  - the program or activity is not a political or sectarian gathering;
  - your department, program, or registered student organization will be responsible for all details of the program or activity and has a University representative (faculty/staff/club member) attend the event;
  - the scheduled property or buildings for programs or activities of The University of Texas at Tyler will have priority over the scheduling of jointly sponsored programs or activities; and
  - the fee charged for the jointly sponsored program or activity at a minimum ensures recovery of the cost incurred by The University of Texas at Tyler.

- You are not a university or department sponsor if any of the above criteria are not met. A community business or organization that wishes to meet on campus must contact Scheduling & Conference Services (SCS) to discuss availability and rental fees.

- A Joint Sponsor Use Agreement and liability insurance are mandatory. The sponsoring department’s Dean/Vice President and Office of Community Partnerships are signers as well as the President’s designee. Contact SCS for more information. This process could take up to two (2) months. Start early!

- See Workflow following the Student Organizations section.

Student Organizations

- An authorized representative for the approved student organization must submit their request via UT Tyler Patriots Engage, preferably 14 days in advance.
- The event is not approved until the form is processed by Student Engagement and Scheduling & Conference Services.
- Although usage fees will not be assessed; in some cases, there may be other campus services fees.
- Please contact the Department of Student Engagement at getconnected@uttyler.edu with questions.
Joint-Sponsor Process
In accordance with Regents' Rules and Regulations, Rule 80105, please follow the Joint Sponsor process as listed below.

UT Tyler’s Office of Legal Affairs needs a minimum of 10 days to process and execute the Use Agreement.

- **STEP 1: INITIAL CONTACT**
  Joint sponsorships can begin from any of the following:
  - Outside group contacts Office of Community Partnerships
  - Office of Community Partnerships contacts outside group
  - Outside group contacts someone else at the University
    - Event Management
    - College
    - Department

  A Joint Sponsorship means that the event is co-branded with UT Tyler/a UT Tyler Department and an outside organization and is a joint effort in terms of planning and execution.

  Please note that only spaces on campus designated as “Special Use Facilities” per the H.O.P. Section 4.4.1 are available for public use. This includes the Al and Nancy Jones Auxiliary Gym (PHE Gym), Alumni House, the Art & Art History Lecture Room, Athletic Fields and facilities, Braithwaite Hall and Meadows Gallery Lobby, The Cowan Center Vaughn Auditorium and lobbies, Herrington Patriot Center, Intramural Field, and Patriot Plaza and Patriot Plaza North. Any other space is unavailable for public use without a Joint Sponsorship.

- **STEP 2: APPROVAL OF JOINT SPONSORSHIP**
  In all instances, the Office of Community Partnerships must approve the Joint Sponsorship. Please send event details (organization name, date, time, location, expected attendees, & brief description of event) to Brittany Childs at bchilds@uttyler.edu as well as the appropriate Dean, VP and/or Department Head. The request will then be reviewed by the Sponsorship Committee monthly. Please communicate with Community Partnerships to ensure that the timing of your request aligns with the Sponsorship Committee meeting date, so they can review the request in a timely manner.

  If the event aligns with the University mission and is a good fit for a Joint Sponsorship, the Office of Community Partnerships and the Sponsorship Committee will approve the Joint Sponsorship and assign a Stakeholder Category.

  If the University is serving as the entity represented in the Joint Sponsorship, the Office of Community Partnerships will serve as the Point of Contact (POC). If a specific University department is the entity represented in the Joint Sponsorship, the department will identify someone to serve as the POC through the entire process.

  **Point of Contact (POC) =** this person will see the Joint Sponsorship process through completion including but not limited to:
  - Collect data from organization
  - Actively be involved in the planning/communication process.
• Serve as primary POC for the organization in terms of updates, answering questions, etc.
• Reserve space on campus
• Ensure the Event Management Coordination Form (EMC) is completed
• Collect necessary data and fee information from Event Management
• Ensure that Use Agreement is signed in a timely manner
• Attend event
• Receive invoice from Event Management at conclusion of event, forward to organization, and/or ensure payment is made in a timely manner

○ STEP 3: REQUEST SPACE IN ASTRA
Once approval has been obtained from the Office of Community Partnerships, the POC will request space on campus through Astra. The event will then be placed in a pending status for review. The POC will need general information to complete the Astra request, including but not limited to:
• Date
• Time
• Location
• Is food being served
• # of expected attendees
• Parking information

Since a Joint Sponsorship requires additional information to be processed as an Event, an EMC form will be sent to the POC to complete.

Event Management Coordination Form

You will need your Astra reservation number: 20210824-00117

You can view your Astra event here: THIS IS A FAKE EVENT - PLEASE APPROVE

○ STEP 4: COMPLETE EVENT MANAGEMENT COORDINATION FORM (EMC)
The EMC is needed to gather additional information for the Joint Sponsored Facility Use Agreement. This will include questions including, but not limited to:
• Anticipated attendance
• Will the event have minors?
• Is housekeeping needed?
• Will event setup/teardown be needed?
• Is A/V needed?
• Will anything be delivered to campus?
• **Information about food vendors?**
  - NetHealth permits
  - Insurance

• **Is alcohol being served?**

• **Is sponsorship associated with the event?**
  - If yes, what dollar amount is associated with the benefits UT Tyler is receiving?

• **Does the client have insurance that meets UT Tyler’s requirements?**
  - Client must provide necessary proof of insurance if already covered
  - If client does not have insurance, a Temporary User Liability Insurance Policy (TULIP) can be purchased from UT Tyler through Event Management (will be indicated in Use Agreement)
  - Who will be signing the Use Agreement and what is their email address?

• **Outside organization contact information**

At this point, the POC may need to communicate with the outside organization to obtain all relevant information pertaining to the event. Once the form is complete in its entirety and submitted, the POC will receive additional instructions about the next steps to ensure that the event is successful. This may include further conversations with the UT Tyler Police Department, Environmental Health & Safety, etc.

**STEP 5: SCHEDULING & CONFERENCE SERVICES TO DETERMINE FEES**

There may likely be fees associated with the Joint Sponsorship that the outside entity will be responsible for paying so that UT Tyler “at a minimum, ensures recovery of the cost incurred by The University of Texas” as per Regents’ Rules 80105.

Potential fees associated with events:
- **Administrative Fee** = fee for Event Management services
- **Rental Fee** = fee that would normally be charged to reserve space for outside groups
- **Overhead Costs** = costs associated to maintain the space per Facilities
- **Porter Fees** = required for events with food, large number of attendees, etc.
- **Setup/Teardown** = if setup/teardown is outside of normal working hours
- **Certified Crowd Manager (CCM)** = required if the event has 50 people. At 250 attendees, two (2) CCMs are required; 500 people, three (3) CCMs are required; etc.
- **UTPD** = required if alcohol is being served or 500+ attendees
- **Insurance (TULIP)** = must be purchased if the outside organization does not carry required liability insurance coverage

It is possible to waive some fees associated with events.

The Office of Community Partnerships will communicate with Event Management to determine the Stakeholder Level that may be applied towards the reservation fees. In any scenario, the outside organization will be required to pay the following:
- Porter Fees
- Setup/Teardown Fees (outside of normal working hours)
- Crowd Manager Fees
- UTPD Fees
- TULIP Insurance (if organization is unable to provide proof of insurance that meets requirements)
- Any other hard cost associated with the event

For groups that fall under Stakeholder Level 3 (strategic stakeholders and/or students K-12) and for which the host College/Department determines it is beneficial for the University to do so, the host College/Department may be able to offset those costs on behalf of the organization. Only self-generated funds and/or donor/gift funds may be used for this purpose. Tuition and fees or state funds may not be used for these situations.

Event Management needs to know prior to creating the Use Agreement if the host College/Department will be paying any costs on the organization’s behalf.

Legal Affairs needs a **minimum of 10 days** to process and execute the Use Agreement, so timing is key to collecting the appropriate information needed to create the Use Agreement.

Event Management will collect official quotes and communicate fees to the POC for verification.
STEP 6: CONFIRM DETAILS AND CREATE USE AGREEMENT
The POC will send the following information to Event Management to create the Use Agreement:
- Sponsorship level information and associated benefits (if applicable)
- Proof of insurance (if applicable)

Event Management will create the Use Agreement and send it to all parties via DocuSign. The POC should notify the outside organization that the Use Agreement will be on its way and offer to answer questions (if they are unfamiliar with using DocuSign). The POC will be copied on the DocuSign, so they know that the document is on its way.

At this point, the POC will make sure that all other details are communicated to the outside group in preparation for the event/program, including:
- Any additional information in terms of setup
- Parking information
  - Send campus map
  - Are temporary parking passes needed?
- Is a planning meeting needed with members of Event Management, Environmental Health & Safety, etc.?

STEP 7: INVOICE AND RECEIPT OF PAYMENT
Event Management will invoice the outside organization and send with the executed Use Agreement. Payment is due prior to the first date of the event. The POC is to ensure the invoice is paid in a timely manner.

STEP 8: PRESENCE AT EVENT
The POC or appropriate delegate must be present at the event to troubleshoot, answer questions, etc. This may include, but is not limited to:
- Welcoming group to campus
- Ensuring space is set up correctly
- Assisting with equipment (if applicable)
- Notifying Physical Plant if space is too hot/cold
SECTION 7
SCHEDULING A NON-UNIVERSITY EVENT

A non-university event is one where the primary contact is not a university employee. Or the university employee is involved in the event outside his/her assigned university function. Non-university events will be charged a rental fee according to the current fee schedule, and, at a minimum, must ensure recovery of the cost incurred by The University of Texas at Tyler.

Priority to the reservation and use of the Special Use Facilities shall be given to activities that are in furtherance of, and related to, the educational, cultural, recreational, and athletic programs of the institutions. As a lower priority, Special Use Facilities may under some circumstances be reserved and used by non-university individuals, groups, associations, or corporations, without necessity of joint sponsorship by UT Tyler.

The university permits rental of its special use facilities to non-university users engaged in legal activities in accordance with Regents' Rules and Regulations, Rule: 80104.

There may be other campus services fees (porter/cleaning charges, onsite security, etc.) associated with the event. Please contact Scheduling & Conference Services for questions and/or a quote.

The University of Texas at Tyler reserves the right to decline an event or change the location of the event.

Contact Scheduling & Conference Services at 903.565.5888 or eventmgmt@uttyler.edu to see if the event meets University requirements and to check meeting space availability.

A Facilities Use Agreement will be initiated once the online event request form has been submitted.* The agreement must be signed by a representative of the organization who has signature authority to assume full responsibility for payment of charges associated with the event.

- Final payment of the usage fee is due by the invoice due date.
- Organization’s proof of insurance (if applicable) is required prior to the date of the event. If needed, UT System offers a competitive rate for a Temporary User Liability Insurance Policy (TULIP). Contact Event Management for a quote.
- The University of Texas at Tyler reserves the right, at its sole discretion, to enter the facility during the event to assure appropriate use and security of facilities.

*The Cowan Center does not use an online form for external clientele.
SECTION 8

ALCOHOLIC BEVERAGES

Pursuant to Regents' Rules and Regulations, Rule: 80102, alcoholic beverages are prohibited on property and in buildings owned or controlled by The University of Texas System and any of the institutions. However, the President of an institution may waive this prohibition with respect to any event sponsored by the UT System or any of the institutions. An event is sponsored if

- A budgeted office, department, or division of the UT System or any of the institutions is responsible for organizing the event, inviting attendees, and paying expenses related to the event.
- Such an event is still considered to be sponsored even if an outside entity pays for the food and beverages at the event.

Meetings or events organized and presented by registered faculty, staff, or student organizations are not considered sponsored events.

Alcoholic beverages may be served in a Special Use Facility being used by a non-institutional individual, group, association, or corporation for purposes permitted by the Regents' Rules and Regulations, Rule 80106.

No alcohol is allowed on campus without the approval of the President, or his designee. State law relating to alcoholic beverages is always strictly enforced. The Event Contact must agree to the following:

a) The President of the University, or his designee, and the Chief of Police must both approve your request to serve alcohol.
b) The alcohol provider must be licensed to serve alcohol through the Texas Alcoholic Beverage Commission (TABC).
c) The alcohol provider needs to have pre-approval from TABC, or a TABC Temporary Permit to serve alcohol, at the UT Tyler event location.
d) The alcohol provider must provide TABC-licensed bartenders (to be paid for by host) to serve all alcoholic beverages.
e) UTPD onsite security is mandatory ($55/hour/person).
f) There is a maximum of four (4) hours of alcoholic beverage service time.
g) Food and non-alcoholic beverages must be made available when alcoholic beverages are served.
h) Liquor liability Insurance* that covers seller’s liability for the service of alcohol under a Liquor Liability policy, or endorsed onto a Commercial General Liability policy, with limits of not less than $1,000,000 per occurrence and $2,000,000 aggregate is required. The University of Texas System Board of Regents, The University of Texas System, The University of Texas at Tyler, and The University of Texas Health Science Center at Tyler should be named as additional insureds with a waiver of subrogation in UT Parties’ Favor under the company’s liquor liability policy. (Required for any vendor who will be serving alcohol.)
i) Line-Item H must be provided to the Risk Manager 10 days prior to the event date.
j) Line Items B - D must be onsite at the event in case requested.

The Permission to Serve Alcoholic Beverages Approval Process runs through the Event Management Coordination Form (EMC)

AUDIOVISUAL / TECHNOLOGY SUPPORT

Audiovisual Equipment/Assistance for a University-Sponsored Event
For events held in the Cowan Center Auditorium, audiovisual equipment, setup, and staffing are provided by the Cowan Fine Arts Center. Additional fees may apply.

For events held in the University Center, audiovisual equipment, setup, and staffing are provided by the University Center Event Staff Team.

For events held in the Herrington Patriot Gym and outdoor locations, such as the Plaza, an off-campus vendor may be recommended by Media Productions (Jason Zedlitz at JZedlitz@uttyler.edu or 903.565.5817).

It is the responsibility of the requester to ensure that university audiovisual and technology equipment is used in accordance with laws related to the display of motion pictures and/or other copyrighted material. (Section 22)

Information Technology (IT) Assistance for a University-Sponsored Event
Free guest WIFI is available in most buildings using PatriotAir. Note that the Cowan Center and the Herrington Patriot Center DO NOT have wireless access available.

The University of Texas at Tyler relies heavily on networked computers and the data contained within those systems to achieve its missions. The Acceptable Use Policy is to protect these resources in accordance with state law and Regents Rules. Any individual needing access (guest login) to UT Tyler Information Technology is governed by state law and Regents Rules, specifically UTS 165, UT System Information Resources Use and Security Policy and must sign and return a copy of this Acceptable Use Policy to the Department of Information Technology.

If a guest sign in is needed, please contact ITSupport@uttyler.edu well in advance of your event.

Audiovisual Equipment/Assistance for a Non-University Event

- Cowan Center Event
  All non-university customers in need of audiovisual assistance/training and technology equipment must make their technology needs known to the Cowan Center scheduler at the time of their request. Cowan Center and Media Services staff will determine if they are able to provide audiovisual assistance/training and equipment (possible additional fee) during regularly scheduled work hours contingent upon the availability of staff and equipment.

- All Other Locations
  Media Production can aid by recommending an outside vendor. Please contact Jason Zedlitz at JZedlitz@uttyler.edu or 903.565.5817
SECTION 10
FOOD SERVICE – CATERING / FOOD TRUCKS / OFF-CAMPUS VENDORS / SCENARIOS

Net Health Food Safety Guidelines
https://www.mynethalth.org/services/environmental-health/rules-regulations/

Definitions

- Food – anything consumed by mouth – ice, water, popcorn, cotton candy, drinks, etc.
- Food Deliveries – food ordered and being delivered/dropped off curbside (no setup done) – pizza delivery.
- Catered Event – food cooked at an off-campus vendor’s location for a set number of people and brought onto campus and setup and/or served.
- Closed Event – an event not open/advertised to the public – department potluck; student organization watching movie with popcorn.

Due to the population of our University, a campus-wide event to include all faculty, staff, and students is NOT considered a closed event.

- Temporary Event – a temporary event is not a closed event, and proof of a “Coordinator Application for a Single Event or Celebration” must be provided to EH&S 10 days prior to the date of the event.

As an example, a party with multiple vendors advertised to campus community is considered a temporary event and will require a “Temporary Food Establishment” permit if out-of-district vendors are used or if food is prepared by the campus community (e.g., chili cook off). Proof of application for this permit must be provided to EH&S 10 days prior to the date of the event. When applying for the Coordinator Permit, NET Health will dictate the food handling and sanitations requirements.

Requirements for a Coordinator Application or Temporary Food Establishment Permit can be found on NET Health’s website.
NET Health needs 30 days’ notice.

On-Campus Vendors
Sodexo is UT Tyler’s contracted food service vendor. On-campus food vendors include The Met, Chick-fil-A, Subway, Einstein Bros. Bagels, Tres Habaneros, tater-licious, Starbucks, and the Swoop & Go Store. Sodexo has a health permit on file with EH&S and is fully insured for all their operations.

The General Manager of Sodexo and/or the Catering Manager will work with the event contact directly to accommodate food-related needs. Catering details, including payment, must be discussed directly with Sodexo.
Orders must be received by Sodexo between 8:00 a.m. and 5:00 p.m. three (3) business days prior to the event. This does not include weekends or holidays.

- **Final guest count:** Must be given five (5) business days (not including weekends or holidays) prior to the event. Changes to the number of attendees after the final count has been given will be accepted at the discretion of the Catering Manager of Sodexo. Cancellations must be made three (3) business days prior to the event to avoid any charges – unless food has already been purchased by Sodexo. In that case, reimbursement of food purchase will be required.

- **Delivery fee:** A delivery fee will be assessed for events held outside the University Center building.

- **Payment:** The final cost will be calculated before the event. Texas sales tax is charged where applicable. Campus departments can only charge to cost centers for which they have signature authority or have received permission from the fiscal office.

- **Linens:** Linens are not provided by UT Tyler but can be rented from Sodexo.

### Approved Off-Campus Food Vendors and Food Delivery

It is not required that Sodexo be used. However, no off-campus food vendor is allowed on campus unless vetted by EH&S and have up-to-date insurance and a current health food permit. The UT Tyler-Vetted Off-Campus Food Vendors and UT Tyler-Vetted Food Trucks lists can be found on the [here](#). These are updated regularly. Additional off-campus vendors can be added by following the process found at the same link.

- **For events where the food is picked up or delivered curbside,**
  - A NET Health Food Permit is required and
  - a department ProCard can be used.

- **For catered events, where food is ONLY BEING SET UP and not served (New Policy)**
  - A NET Health Food Permit is required,
  - Liability insurance is required, and
  - The UT Tyler department needs to have a contract in place
  - With a purchase order.
  - A ProCard is NOT to be used in this instance.

- **For catered events, where food will be SETUP AND SERVED**
  - A NET Health Food Permit is required,
  - Liability insurance is required, and
  - The UT Tyler department needs to have a contract in place
  - With a purchase order.
  - A ProCard is not to be used in this instance.

- **Insurance for a UT Tyler-Catered Event:** A caterer is considered a contracted vendor. Therefore, the off-campus food vendor is required to provide a certificate of insurance (COI) that at a minimum shows evidence of general liability, commercial auto, and worker’s compensation coverage. (Appendix A).

- **Food Permit:** EH&S must have the off-campus food vendor’s current permit on file. It is the responsibility of the event requester to ensure they have a current copy 10 days prior to the date of the event.
Any vendor that is not from within the NET Health District (meaning they do not have a NET Health permit) must apply for and obtain a Temporary Food Establishment Permit to serve food on campus. This applies to ALL types of events including caterers and food trucks. This process must be started no later than 14 days in advance of the event.

No cooking of food is allowed in the Alumni House kitchen.

Food served at catered events MUST be handled and served (or monitored in the case of self-serve hors d’oeuvres) by catering staff to ensure proper food service and handling guidelines are maintained.

- UT Tyler staff, faculty, and students are not allowed to act as food servers without a food handler’s license.
- The only catered foods allowed to be “self-served” are hors d’oeuvres where catering staff monitor appropriate food handling and utensil use and can promptly remove any contaminated utensils or dishes.
- The ONLY exceptions to this rule are delivered pizza, prepackaged boxed lunches, and prepared single serve foods such as cookie platters, donuts, bagels, etc. Other exceptions MAY be made at the discretion of EH&S on a case-by-case basis.

Outdoor Events with Food

- Outdoor events serving any food item that is not prepackaged in its original container must observe the following requirements:
  - All areas of food service must be covered by tents – no exceptions
  - If food is being cooked on site, and not contained within a food truck, the vendor must obtain a temporary food establishment permit
    - Three-bin wash disk sinks with hot water must be supplied
    - Separate hand-wash sinks must be supplied
    - In-building wash facilities are not allowed to be used in lieu of hand-wash sinks
    - A finished floor must be provided – food cannot be cooked in grassy areas
- Vendors bringing food that has been prepared off site must be permitted as noted under the “Food Permit” section under Off-Campus Caterers and Delivery above.
- Vendors are responsible for providing any hot or cold holding equipment needed to keep their food at a safe serving temperature.
- All food service personnel must wear gloves

Food Trucks

Food trucks are allowed on UT Tyler property if

1. permission has been granted to them by Sodexo, UT Tyler’s contracted food service provider; and
2. they are listed on the UT Tyler-Vetted Food Vendors list and are in good standing with the State; and
   a. If not listed as a vetted vendor, please allow at least three (3) weeks for the process.
   b. Process can be found on the webpage above.
3. food being provided has been
   a. pre-purchased by a UT Tyler department and/or
   b. is being sold to customers only in an athletic parking lot

The above is outlined in the Food Truck Agreement, which is mandatory, and must be executed by Legal prior to the food truck arriving on campus. Please allow at least 10 days for Legal to review and execute.
NO food can be sold on campus unless PRIOR approval has been received by UT Tyler’s Purchasing Department.

**Bake Sales and Potluck Meals**

Organization/Department potlucks are allowed. Potlucks meals must be limited to members of the specific organization or department and cannot be opened to other groups or the campus community under any circumstances. It is recommended that any foods that may contain common allergens (e.g., eggs, dairy, shellfish, nuts, etc.) be marked as containing such.

Bake Sales are **not** allowed unless all foods are purchased from a NET Health-permitted facility and are prepackaged in their original containers. Home-cooked baked goods may not be sold or otherwise distributed to the campus community unless the preparer adheres to all aspects of the Texas Cottage Food Law. Details and guidance can be found here: [https://texascottagefoodlaw.com/](https://texascottagefoodlaw.com/). Bake Sales must be reviewed and approved by Student Engagement (getconnected@uttyler.edu) and EH&S (foodsafety@uttyler.edu) to determine appropriate compliance.

They need to be notified at safety@uttyler.edu when to be onsite for the pipe and drape setup. **For University or University-Sponsored Youth Programs**

Per UT Tyler’s [HOPP 2.14.1 Youth Protection Policy](#), insurance is required for all University or University-sponsored programs with minor children. Coverage is available for both sport- and academic-focused programs.

SECTION 15

EVENT PARKING

Parking and Traffic Information

Special RESERVED spaces are marked with either the job title of the person, the department name, or other specific wording that indicates authorization to occupy those spaces. Violators will be cited and are subject to booting and/or towing and any fees associated with enforcement.

Zone violations (no parking, fire hydrant, fire lane, disabled spaces) are always enforced.

Visitor Parking Pass

Visitors are welcome to the campus, and special parking spaces are provided for them. A Visitor Parking Pass must be obtained from the hosting on-campus department via UT Tyler’s Parking Pass Portal or by contacting the UT Tyler Parking Department at 903.565.5840.

The Visitor Parking Pass should be placed on the vehicle dashboard so that it is completely visible. This permit identifies the person as a visitor of the campus and prevents the inconvenience of a citation being issued for not having a permit. Legitimate visitors who do not have a visitor permit displayed in their vehicle may be issued a parking citation.

Reserving (Blocked) Parking

There is a 10-day lead time for requests to reserve blocked parking. For the first two (2) weeks of each fall/spring semester, NO requests will be approved.

Blocked parking for your campus event can be requested by faculty and staff via our online event scheduling system, Astra. The Parking & Transportation Department (P&T) is the scheduler of this resource and reserves the right to decline/approve requests.

These requests should only be for weekdays between 8:00 a.m. and 5:00 p.m. and for attendees who are not UT Tyler faculty, staff, or students.

Parking spaces on Tuesdays and Thursdays are extremely limited and may NOT BE APPROVED depending on the number of spaces being requested.

Please consider Monday, Wednesday, or Friday

P&T will place cones for the event blocking spaces; however, your event staff is responsible to pull the cones for your guests or to have your guests remove the cones and park in their designated spot. Thirty (30) minutes after the start of your event, P&T will remove the cones and open the space(s) for the students.

How Do I Request Blocked Parking?

- In conjunction with an event/space request: Complete the appropriate event request form in Astra answering all questions pertaining to your parking needs.
- **Event already scheduled in Astra or only parking spot(s) needed:** Log into Astra and use the Parking request form. A quick video tutorial on how to complete this form can be found [here].*

*Please Note: follow the instructions on the request form very carefully as it is different than other forms.*

---

Events in Parking Lots MUST stay clear of fire lanes.
SECTION 16

STUDENT TRAVEL AND OFF-CAMPUS ACTIVITIES

The University of Texas at Tyler sponsors numerous off-campus activities involving student travel. The liability risk to the University for such activities is significant. Required forms that must be completed prior to travel can also be found in Chapter 13 or in DocuSign.

For any questions, contact getconnected@uttyler.edu.

SECTION 20

YOUTH PROGRAMS / CAMPS

Scheduling & Conference Services (SCS) and the Youth Protection Program Committee created UT Tyler’s **HOP 2.14.1 Youth Protection Policy**. It provides oversight and training for Youth Programs held on University premises or operated by the University which have recreational, athletic, religious, or educational activities for the attendees. This includes all camps or programs covered by Texas Education Code, Chapter 51, Section 51.976, as well as any camp, program, internship, mentorship, event, or activity held on UT Tyler-owned or controlled premises, or sponsored or supported by a UT institution that offers recreational, athletic, religious, or educational activities to Youth Participants which includes online programs.

This policy does not apply to university course-based academic service learning or research approved by the Institutional Review Board ("IRB").

This policy applies to University employees, affiliates, student workers, volunteers, contractors, and visitors and to all campus programs for minors (Youth Programs) held on University property, as well as those programs sponsored by the University.

**UT System’s Camp and Clinics Policy Guide**

Per **HOP 2.14.1 Youth Protection Policy**, camp coverage is required for all university camps with minor children. This program provides Excess Accident and General Liability coverage for enrolled UT-Tyler owned camps and clinics held throughout the year. Coverage is available for both sport- and academic-focused camps. More information can be found on **UT System’s Risk Management Systemwide Insurance Programs** webpage.

Contact SCS for a Program/Camp Insurance application at least seven (7) business days prior to the start of your Youth Program. It will take at least three (3) business days to receive a certificate of insurance.

If you have a youth program, please contact yp@uttyler.edu for more information.
SECTION 21

ACCIDENTS / INJURIES / SEVERE ILLNESS ON CAMPUS

During events, accidents, injuries, or serious illnesses can occur. In the event of any accident, injury, or serious illness involving anyone on campus during an event, the University Police Department should be immediately notified at 903.566.7300. An officer will respond to assess the situation and notify emergency services. If the situation is life-threatening, dial 911. They will dispatch University Police and other emergency services.

Once the situation is under control, paperwork will need to be completed to document the incident and begin a cause investigation.

- For injuries involving a student or visitor on campus, complete the Student and Visitor Report of Injury form or contact safety@uttler.edu.
- For injuries/illnesses involving an employee performing duties related to their job during an event on campus, the employee, visit Human Resources' Worker's Comp / Work-Related Injury Information and Forms Webpage.
SECTION 22
SECURITY

All requests needing onsite security (e.g., prom, crowd over 500 attendees) must be received at least sixty (60) days prior to the event date via an Astra event request. Requests will be reviewed and security requirements, if any, will be solely decided by UT Tyler Police (UTPD).

Security is provided by UTPD. If outside security personnel are also preferred, UTPD must be contacted for approval under UTS 170. If approval is granted, any additional security personnel will report to the UTPD officer in charge of the security operations.

If attendance at an event exceeds that communicated in the contract, or if the safety code capacity is reached, UTPD will require the event sponsors to cease admitting guests or terminate the event.

Events that are planned to extend beyond normal building hours must be authorized by Scheduling & Conference Services, so arrangements are made for securing the venue and the building.

Maps referencing emergency locations are on each floor of each university building.
SECTION 23
CROWD MANAGER

The National Fire Prevention Association (NFPA) created code requirements for management plans and crowd control measures for certain types of events in assembly occupancies. Environmental Health & Safety (EH&S) serves as the local Authority Having Jurisdiction (AHJ) relative to NFPA 101 Life Safety Code, 2012, compliance for all the UT Tyler facilities and property.

- **When do I need Crowd Managers?** Section 13.7.6.1 – Crowd Managers in NFPA 101 Chapter 13 – Existing Assembly Occupancies states: “Assembly occupancies [50 or more persons] shall be provided with a minimum of one trained crowd manager or crowd manager supervisor. Where the occupant load exceeds 250, additional crowd managers or crowd manager supervisors shall be provided at a ratio of one crowd manger or supervisor for every 250 unless otherwise permitted…” as in note 2 of that section:
  - “(2) The ratio of trained crowd managers to occupants shall be permitted to be reduced where, in the opinion of the authority having jurisdiction, the existence of an approved, supervised automatic sprinkler system and the nature of the event warrant. “

- **What types of areas at UT Tyler are considered “assembly occupancies”?** Fire Code gives examples of assembly occupancies. Those applicable to UT Tyler include, but are not necessarily limited to, the following areas: assembly halls, auditoriums, college and university classrooms, gymnasiums, theaters, and restaurants. At UT Tyler, certain locations are frequently used as assemblies:
  - Alumni House (ALH)
  - Cowan Center Vaughn Auditorium
  - Herrington Patriot Center (HPC)
  - Irwin Ballpark
  - Ornelas Activity Center (OAC)
  - Outdoor Locations (e.g., Patriot Plaza, Patriot Plaza North, Harvey Deck, etc.)
  - Physical & Health Education (PHE)
  - University Center (UC)

- **When am I required to have an Event Management Plan?** Approved plans are required for events with 50 or more people in attendance that are generally not expected to be familiar with the facility. Some examples of events requiring a plan include:
  - Convocation, commencement, non-UT Tyler graduation ceremonies, large banquets, events to which the public is invited, and summer camp activities
  - A lecture or performance open to an audience that is not likely to be familiar with the venue
  - Special athletic events such as basketball or volleyball playoffs
  - Expositions – events which the display of products or services is organized to bring together the provider and user of products or services and include trade shows, job fairs, vendor fairs, poster board educational displays in association with a conference, etc.

Exit egress impediments such as curtains, poster boards, stanchions, etc. require a deployment plan approved by the AHJ or must be removed. Reference NFPA 101: 7.5.2 – Impediments to egress.
Do I need a new Event Management Plan every time I hold an event in an assembly occupancy? No. Once a plan is approved for a specific type of event in a specific venue, then a previously approved crowd management plan may be used without further consultation with EH&S. A new plan is not necessary.

What is the cost of a Certified Crowd Manager? Each department is required to provide their own certified crowd manager. Fire Marshal Support Services, LLC provides a Crowd Manager Training Online Course for only $19.95. The ProCard can be used, and the certificate is good for two (2) years. Send the certificate to pmahfood@uttyler.edu when the course has been completed.

I am a faculty member / instructor who routinely teaches in one of the lecture halls / large classrooms. Do I need to have an event management plan and crowd managers? No. An event management plan and crowd managers are not necessary for regular classes if you comply with the classroom use and seating capacity limits approved by Facilities and EH&S. Student occupants should be familiar with the space after basic instruction on exiting during emergencies and restroom locations given during the initial class period.

Who can serve as a Crowd Manager or Crowd Supervisor? Certified crowd managers may be faculty, staff, instructors, coaches, or other individuals who have taken a crowd manager training course – to include ushers, guards, and police officers who are familiar with the facility and can assist with maintaining clear exit pathways and directing occupants to safe exit egress from the building in case of emergency.

- Fire Marshal Support Services, LLC provides a Crowd Manager Training Online Course for only $19.95. The ProCard can be used, and the certificate is good for two (2) years. Send the certificate to pmahfood@uttyler.edu when the course has been completed.
- UTPD can provide guards or police officers to assist with events. The fee for UTPD onsite presence is at a rate of $55/hour/person.
- A Pre-Event Checklist for Crowd Managers is provided in Appendix C.

How do I get my Event Management Plan approved? Contact EH&S at safety@uttyler.edu or call 903.565.5663 or 903.565.5610.

- Please allow at least 2 weeks’ notice prior to the event for review and approval.
- There is no cost to UT Tyler departments for EH&S AHJ review and approval of Event Management Plans.
SECTION 24

SHOWING MOVIES ON CAMPUS

Most movies\(^1\) are protected by copyright law, which gives exclusive rights to the copyright owner, including public performance rights. The law also provides some exemptions.

Any movie shown in a public place (including an auditorium or meeting room) or to any “substantial” group beyond the normal circle of family and friends is considered a public performance. Whether or not there is a charge to view the movie does not matter.

The law includes some important exceptions. Section 110 of the Copyright Act provides a specific exemption to the licensing of what is clearly a public performance – face-to-face teaching.

- Performances and displays of audiovisual works must be made from legitimate sources, such as pre-recorded videocassettes. Copies made from legitimate sources or broadcasts are not allowed.
- Performances and displays must be part of the systematic course of instruction and not for entertainment, recreation, or cultural value.
  - The instructor should be able to show how the use of the motion picture contributes to the overall course study and syllabus. (A copy of the syllabus may be requested to verify activity.)
  - The course does not have to be a credit course but must be one recognized by the institution and for which students must register.
- The instructors or pupils must give performances and displays from the same location in which it is viewing screened; no broadcasting from outside sources (such as closed-circuit television) is allowed.
- Performances and displays must be given in classrooms and other places devoted to instruction.
  - Library screening rooms, residence hall lounges, rathskellers, and cafeterias do not qualify.
  - Performances must take place during the scheduled class time.
- Performances and displays must be a part of the teaching activities at a non-profit educational institution. Businesses that conduct educational seminars and certain technical schools do not qualify.
- Attendance is limited to the instructors, pupils, and guest lecturers.
  - Only students registered for the class may attend the screening.
  - No fee specific to the screening may be charged.
- There may be certain other circumstances in which Section 110(1) would permit a movie to be publicly shown without permission from the copyright owner. The circumstances are narrow, however, and no such showing should occur without prior consultation with the Office of Legal Affairs.

Some movies are not protected by copyright and may be shown without restrictions. Movies that are either in the public domain (generally those published before 1923) or created by the U.S. government may also be viewed publicly without obtaining permission. Additionally, there are some copyright owners who explicitly make their work available with few restrictions.

\(^1\)This document uses the term “movies” to include motion pictures and other audiovisual works in all formats. For more information, see the UT Tyler Copyright Guidelines webpage available here.
Unless mentioned above, ALL other showings of movies require permission from the copyright holder before they can be shown. It is the responsibility of the sponsoring department or organization to secure permission or pay a license fee for any public showing. Permission is usually granted only after paying a licensing fee which generally ranges from $200 - $1,500. Some films will cost more.

If the request for performance rights is denied or not received prior to the scheduled showing, the movie cannot be shown on campus.

How to Secure Performance Rights
In many cases, obtaining performance rights is easy and the cost is reasonable. However, in some cases, it is difficult or impossible and/or prohibitively expensive. Therefore, any department or organization wishing to show a specific film is advised to begin the process early.

Contact Student Engagement with the name of the movie and how it will be used. As they frequently shows movies, they are a good resource to see what is and what is not needed.

One of the easiest ways to get performance rights is to obtain a movie available from one of the companies who license movies on behalf of the film companies. (It is sometimes possible to obtain the movie locally and just pay one of these companies the licensing fee.)

Student Engagement uses Swank Motions Pictures, but some others are provided below:

- Swank Motion Pictures (Alyssa Peeples at apeeples@swankmp.com)
- Criterion Motion Pictures
- Kino International Corporation
- Milestone Film and Video
- Motion Picture Licensing Corporation
- New Yorker Films
- Movie Licensing USA

FYI: A license dated September 11, 2013, for a public performance license of a documentary cost $99.00. A license dated September 18, 2003, for a one-time showing of the films Ordinary People and A Beautiful Mind cost $331.00 per film for a total cost of $662.00. (However, please keep in mind that the cost of the movie is also based on the audience size.)

If a movie is not available from one of these companies, permission may sometimes be granted directly from the copyright holder. The movie’s website or the package that contains the movie will indicate the copyright holder. In most cases, this will be the movie studio.

Information on how to contact the company can usually be found on the company’s website. The copyright holder may request information regarding the name of the organization who will be showing the movie, the title and format of the requested movie, where and when the movie will be shown, the anticipated size of the audience, whether there will be an admission charge, and contact information.

As noted above, if the copyright owner grants performance rights, it will generally be for a fee; and performance rights must be received prior to the showing of the movie.
For more details about how to secure permission, see the University of Texas Libraries’ Getting Permissions webpage [here](#).

Please remember that whenever paying an outside vendor, as in the case of obtaining public performance rights, UT Tyler’s purchasing procedures must be followed.

More than likely, a **contract will need to be executed by Legal.**
SECTION 25

SUPPORT SERVICES

Scheduling
- Room and setup (tables, chairs, podiums, etc.) requests are via Astra.
- The University of Texas at Tyler Police Department (UT Tyler Police) provides door unlock assistance. Please indicate on the Astra event request form that you need the door unlocked – if needed, detail specific building entrance doors in the Setup Details portion of the form.
- Reserved (blocked) parking is requested via Astra. Please indicate the number of spaces needed and the parking lot number on the Astra event request form or complete the Parking request form located in the Astra.
- Zoom assistance by Technology Support is reserved via Astra. Please indicate on the Astra event request form if their assistance is needed. There is a mandatory 5-day lead time for this request. TS reserves the right to decline the request if not submitted within 5 days of the event date.
- Porter (Housekeeping) services are reserved via Astra.
- Any item associated with an event is scheduled via Astra. Contact Scheduling & Conference Services (SCS) for any questions at eventmgmt@uttyler.edu.

Event Setup
- In cases of large-scaled events, 500+ attendees, an Operational Plan must be completed by the hosting department and logistic meetings must be scheduled for all departments involved, to include the Physical Plant, Environmental Health & Safety (EH&S), SCS, UT Tyler Police, Risk Management, Purchasing, Facilities, and any other department that could be affected by the event (e.g., HPC, Cowan Center).
- For any deliveries to the inside of campus (e.g., furniture delivery to the Plaza), it is mandatory that someone from the Physical Plant be onsite as a “walker” to safeguard pedestrians.
- The University Center Event Staff handles setups inside the University Center.
- Facilities handles setups in locations other than the University Center.
- Non-UT Tyler events requiring setup outside of normal business hours (before 7:00 a.m. and after 3:00 p.m.) and on the weekends will be required to pay an overtime fee to cover associated costs. To obtain a quote, contact eventmgmt@uttyler.edu.
- Nonstandard setups should be coordinated with SCS. A layout needs to be submitted to SCS and EH&S for approval. Once approval has been given, the layout cannot be changed without prior approval from EH&S.
- All setups must comply with fire code room capacity and egress requirements. All events must meet the Americans with Disabilities Act (ADA) accessibility guidelines.

- A rental company’s name and date/time of delivery/pickup must be provided to the event setup team.

---

**It is a violation of the Fire Code to add chairs or to stand in any room with fixed seating. Doing so endangers attendees and puts your event at risk of being cancelled immediately without being rescheduled.**

---

**Porter/Housekeeping Services**

The Facilities Department provides event porter/housekeeping services. The number of porters to work an event and the number of hours worked is at their discretion.

- **Faculty/Staff/Student Organizations:** To safeguard UT Tyler’s facilities, events serving food, events of more than 100 persons, or events occurring outside of normal business hours may require an onsite porter.

- **Cowan Center:** Porter services are mandatory for any event held in the Vaughn Auditorium, White Lobby, or Green Room.

- **External Client:** Event porter services will be charged for a joint-sponsored or external-client event. A quote can be obtained by contacting Scheduling & Conference Services.

---

Feel free to contact eventmgmt@uttyler.edu to obtain a quote for porter services.
**SECTION 26**

**Promotion of Your Event**
M&C can provide promotional support for upcoming events. News releases, newspaper advertising, and the use of The University of Texas at Tyler’s name and logo must be approved by M&C. The university website and university social media may also be a resource for promotion of your event through M&C.

**Video Recording and Photography on Campus**
Several state laws, Regents’ Rules, and The University of Texas at Tyler policies govern photography or filming on campus, including a Regents’ Rule that provides requirements for filming television productions on campus (Rule 80107). For more specific information on television productions, see the *Lights, Camera, Action, Lawyer!* article at [Lights, camera, action... scripting internal audit for a ... - UT System](https://response.uttyler.edu/).

There may be a requirement to
- obtain a permit for filming or photography,
- obtain insurance, and
- obtain releases from persons who may appear in the photograph or film.

Some campus images, such as the Riter Millennium Carillon Bell Tower and the Turtle, are iconic images and permission must be obtained from Marketing & Communications (M&C) if to be used professionally.

No photography or filming for a political advertisement can occur on campus, nor the use of any institutional logos or trademarks in political advertisements. If unsure about the intended use of the photograph or film, ask for clarification from the candidate or officeholder.

For more information and approval, please contact Marketing & Communications at [web@uttyler.edu](mailto:web@uttyler.edu)
