SERVICE IN ACTION

Events are a great way to showcase our facilities, faculty, and students at UT Tyler. Scheduling & Conference Services is dedicated to provide event coordination for both on-campus and community organizations that result in a successful event.

Why do we have an Events Procedure Manual?
The manual outlines specific guidelines and procedures required for scheduling and holding an event on campus.

Who needs to be familiar with the Events Manual?
Everyone who plans a meeting or event that involves the use of university space and services.

Where can I find a copy?
A copy of the procedures manual can be found on the Event Management website (www.uttyler.edu/event-management) or you can request a copy from eventmgmt@uttyler.edu.

For the success and safety of your event and for the safety of the UT Tyler community, emergency egress routes are reviewed for each event request. Furniture changes (addition of chairs, tables, or moving existing furniture, etc.) should not be assumed.

How can I get specific questions answered?

- Coordinate:
  - catering services for UT Tyler;
  - setups/tear downs with setup team to include layouts, if needed;
  - technology needs; and
  - door unlocks, reserved parking, shuttle bus reservations, approved CDL drivers, onsite police presence, etc.
- Work through event logistics with other University departments
- Create invoice and coordinate payment.

Support from all campus departments is essential in this effort.

EQUAL OPPORTUNITY / AFFIRMATIVE ACTION

In accordance with the Board of Regents' Rules and Regulations, Rule 10701, "To the extent provided by applicable law, no person shall be excluded from participation in, denied the benefits of, or be subject to discrimination under, any program or activity sponsored or conducted by The University of Texas System or any of its institutions, on the basis of race, color, national origin, religion, sex, age, veteran status, or disability."
SECTION 1

HOW TO PLAN CAMPUS EVENTS

Plan ahead. Many events on the UT Tyler campus are held annually.

Complete Online Event Request Form in Astra
Complete the appropriate Event Request Form as soon as possible to confirm a date no more than one (1) year in advance.

Event Management Coordination Form
For events (see description of an event below), an online questionnaire will need to be completed and approved by UT Tyler Police Department, Environmental Health & Safety, Facilities, and Scheduling & Conference Services before your event is scheduled. Your event request will be placed in a “pending” status to safeguard the space requested.

Your request is considered an event if it meets one (1) of the following criteria:

- More than 49 attendees
- Setup/Teardown is required
- Food/Beverages will be served
- Minors will be present

Based on the answers to the questions on the Event Management Coordination Form, you will receive an email of ACTION Items and NOTIFICATIONS to help guide you with additional planning. Scheduling & Conference Services will help in the collaboration with other on-campus departments/partners to ensure events are of the highest quality.

Estimate Attendance
You will be asked to consider the estimated attendance in relation to the room you request. Each location has a maximum occupancy capacity that cannot be exceeded.

It is a violation of Fire Code 1004.7 to add chairs or to stand in any room with fixed seating. Doing so endangers attendees and puts your event at risk of being cancelled immediately without being rescheduled.

Consider Your Catering Needs
What type of meal will you like to serve? Sodexo is UT Tyler’s contracted food vendor. Homemade food and food or beverage from another caterer, restaurant or grocery store are allowed as long as health requirements are met. Refer to Section 10.

Be sure to let Scheduling & Conference Services know if food will be at your event. Food permits and/or temporary vendor permits may be required by Environmental Health & Safety.
Media Production - Audiovisual Equipment
Ornelas Activity Center and Alumni House technology has self-service technology. Limited audiovisual equipment is available for internal clients. External clients are required to use an outside vendor if installed technology does not meet the needs of the event.

Technology Services - Zoom Assistance
Zoom conferencing and recording is requested via Astra using either the event request form when requesting the event space or by using the Video Conferencing request form. The request should be placed at least five (5) days prior to the date of your event.

As a lower priority, Special Use Facilities may under some circumstances be reserved and used by non-university individuals, groups, associations or corporations, without necessity of joint sponsorship by UT Tyler. All uses of University facilities shall be in compliance with UT Tyler Handbook of Operating Procedures Section 4.4.1.

*Ornelas Activity Center
Events held in the Ornelas Activity Center must also have a nexus to the mission, goals, and purpose of the University.

SECTION 5
PROPER USE OF CAMPUS FACILITIES TO INCLUDE OUTDOOR LOCATIONS

The University of Texas at Tyler supports free speech HOP 2.7.1 as a right and a value and wants to ensure students, faculty, and other members of the university community the opportunity to meet and to hear and exchange ideas and views, however controversial.

All individuals and groups must agree to the following:

- **Tobacco-Free Campus (HOP 4.4.2):** The University of Texas at Tyler prohibits the use of all forms of tobacco products on University property. The University prohibits any advertising or sale, or free sampling of tobacco products on University property. Littering the campus with the remains of tobacco products or any other related waste product is prohibited. This policy is applicable twenty-four (24) hours a day, seven (7) days a week.
  1) Tobacco Products: All forms of tobacco products, including but not limited to, cigarettes (of any kind including herbal/spice cigarettes), cigars, pipes, water pipes (hookah), bidis, kreteks, electronic nicotine delivery systems (includes electronic cigarettes), smokeless tobacco, snuff, chewing tobacco and any other tobacco product.
  2) University Community: Students, faculty, staff, University affiliates, contractors, and visitors.
  3) University Property: Property located within the State of Texas that is owned, operated, leased, occupied, or controlled by the University. For purposes of the Tobacco-Free Campus policy, this includes, but is not limited to, all buildings and structures, sidewalks, parking lots, walkways, and attached parking structures owned or controlled by the University and all University-owned vehicles.

- **Concealed Handguns on Campus (HOP 2.10.1):** As provided by law, handgun license holders may carry concealed weapons on The University of Texas at Tyler campuses, except for the excluded areas listed in the policy (link provided below). For events being conducted specifically for persons under the age of 18 who are not enrolled at UT Tyler, a Campus Carry Temporary Exclusion Zone sign must be posted around the areas of the campus that will be used. UT Tyler’s concealed handgun on-campus policy can be found in its entirety [here](#).

- **Child Protection Training (Section 51.976, Texas Education Code):** UT Tyler requires Child Protection training [Complete Information and a FAQ Section](#) for all individuals (employees and volunteers) working in a "campus program for minors", which is defined as a program that:
  1) is operated by UT Tyler or conducted on UT Tyler’s premises; and
  2) offers recreational, athletic, religious, or educational activities; and
  3) consists of at least twenty (20) minors (youth under the age of 18) who (a) are not enrolled at UT Tyler and (b) attend or temporarily reside at the camp or program for all or part of at least four (4) days (does not have to be four consecutive days).

  *Note that this requirement does not apply to minors who are students enrolled at UT Tyler, or to UT Tyler’s charter schools (which are governed by other statutes); this training is only required if your camp or program meets the criteria outlined above (items 1 – 3).*
Fire Code NFPA 101 and NFPA 1

1) The University of Texas at Tyler is a State institution and falls under the purview of the State Fire Marshal Office. Anyone making use of any University premises must comply with all sections of the National Fire Protection Association (NFPA) Life Safety Code 101 and Fire Safety Code 1.

2) Failure to comply with fire code may result in cancellation of an event if appropriate measures to bring the event into compliance cannot be made.

Possession or use of intoxicants or drugs on the University premises is forbidden.

Service of alcoholic beverages must receive Presidential approval. (Section 8)

Food and beverages are not allowed in the Braithwaite Recital Hall, Cowan Center Auditorium, or computer labs.

Overnight events are not permitted on campus unless using Housing or an exception has been approved by Scheduling & Conference Services.

All areas used must be left in the same condition as at the start of the event. Teardown of an event must occur in a timely manner. It is mandatory that the area be cleared of food, beverages, containers and trash immediately following the event. A porter/cleaner may be assigned (possibly at an additional cost) to the event in order to ensure the space and surrounding areas are left in acceptable condition. The user shall be liable for all damage to university property arising out of or connected to user’s event(s).

Outdoor Locations Policy and Procedures

The use of university facilities is denied all individuals and groups for the following purposes:

- Regents Rule 80104 Sec 4.: No person, including a student or employee of an institution, shall distribute any petition, handbill, object, or piece of literature; post or carry any sign, placard, or banner; or engage in speech or conduct on property or in buildings or facilities owned or controlled by the U. T. System or any of the institutions if it is obscene, libelous, or directed to inciting or producing imminent lawless action and is likely to incite or produce such action.

- Illegal events or activities.

- The University of Texas at Tyler reserves the right to restrict and/or refuse use of its facilities to a non-university group.

- Events or sales that advance the personal or financial benefit of any individual.

Designated Amplified Sound Areas
As per the Manual of Policy & Procedures for Student Affairs, The University Center Patio, Harvey Deck, and Patriot Plaza are designated sound areas between the hours of 11:00 a.m. – 1:00 p.m. or after 5:00 p.m. For more information, please refer to https://www.uttyler.edu/mopp/.
SECTION 6
SCHEDULING A UNIVERSITY-SPONSORED EVENT

An event or meeting is **university- or department-sponsored** if a budgeted office, department, or division of the UT System or any of the institutions is responsible for organizing the event, inviting attendees, and paying expenses related to the event, except that such an event is considered to be sponsored even if an outside entity pays for the food and beverages at the event.

University properties shall be used only in accordance with federal, state, and local laws and shall not be used for the purpose of organizing or carrying out any unlawful activity.

Priority in the reservation and use of the Special Use Facilities shall be given to activities that are in furtherance of, and related to, the educational, cultural, recreational and athletic programs of the institutions. As a lower priority, Special Use Facilities may under some circumstances be reserved and used by non-university individuals, groups, associations or corporations, without necessity of joint sponsorship by UT Tyler.

**University Colleges/Departments**
- You are a university or department sponsor if the following conditions set by Regents’ Rule 80105 are met:
  - your department, program, or registered student organization is directly involved with the planning and execution of the event and has a University representative (faculty/staff/club member) attend the event;
  - the program or activity is upon invitation by the University;
  - the program or activity directly supplements the educational purposes of the institution;
  - the program or activity is not a political or sectarian gathering;
  - your department, program, or registered student organization will be responsible for all details of the program or activity and has a University representative (faculty/staff/club member) attend the event;
  - the scheduled property or buildings for programs or activities of The University of Texas at Tyler will have priority over the scheduling of jointly sponsored programs or activities; and
  - the fee charged for the jointly sponsored program or activity at a minimum ensures recovery of the cost incurred by The University of Texas at Tyler.

- **You are not a university or department sponsor** if any of the above criteria are not met. A community business or organization that wishes to meet on campus must contact Scheduling & Conference Services (SCS) to discuss availability and rental fees.

- A use agreement and liability insurance are mandatory. The sponsoring department’s Dean/Vice President and Community Engagement are signers as well as the President’s designee. Contact SCS for information.

- See Workflow following Student Organizations.
Student Organizations

- The appropriate student organization event request form must be submitted via Astra by the student organization sponsoring the event at least 14 days in advance.
- The faculty advisor must be aware of the event and will be held responsible for the terms and conditions of the event; however, they are NOT TO SUBMIT THE EVENT REQUEST FORM on behalf of the student organization. It will be declined.
- The event is not approved until the form is processed by Student Engagement and the room approved by the room scheduler.
- Although usage fees will not be assessed; in some cases, there may be other campus services fees.
- Please contact STUDENT ENGAGEMENT with questions.

Joint-Sponsor Workflow

A joint sponsorship/joint sponsorship means that the event is co-branded with UT Tyler/UT Tyler Department and an outside organization.

- **STEP 1: INITIAL CONTACT**
  Joint-sponsorships can begin from any of the following:
  - Outside group contacts Community Engagement
  - Community Engagement contacts outside group
  - Outside group contacts someone else at the University
    - Event Management
    - College
    - Department
  - College or Department contacts outside group

- **STEP 2: APPROVAL OF JOINT SPONSORSHIP**
  If the event aligns with the University mission and is a good fit for partnership, Community Engagement approves Joint Sponsorship.

  **Point of Contact:** If a specific University college/department is participating in the joint sponsorship, the college/department will need to identify a University representative as the Point of Contact for the event. This person will:
  - Collect data from organization
  - Serve as primary point of contact for the organization in terms of updates, answering questions, etc.
  - Collect necessary data and fee information from Event Management
  - Ensure that user agreement is sent to organization and signed in a timely manner
  - Serve as host/co-host and be present at the event to troubleshoot, answer questions, etc.
STEP 3: COMPLETE EVENT MANAGEMENT COORDINATION FORM
Point of contact needs to collect information from outside organization

- Event details
  - Date
  - Time
  - Location
  - # of expected attendees
  - Alcohol being served?
  - Food being served?
  - Who is caterer?
- Organization details
  - Contact information
  - Are they a non-profit?
  - Does client have insurance that meets UT Tyler’s requirements?
    - Client must provide necessary proof of insurance if already covered
    - If client does not have insurance, that can be purchased from UT Tyler through Event Management (will be indicated in User Agreement)
- Fee details
  - Is there a sponsorship associated with this event?
  - What amount and benefit does the University receive? This must be collected in writing.

STEP 4: SUBMIT TO EVENT MANAGEMENT & RESERVE SPACE IN ASTRA
Point of Contact must reserve space in Astra using the online request form for the appropriate space

- Include setup information
- Work with Event Management to create floor plan for specific setup for tables/chairs
- Collect any additional information in terms of setup
- Communicate parking information
  - Send campus map
  - Are temporary parking passes needed?

STEP 5: SCHEDULING & CONFERENCE SERVICES TO DETERMINE FEES
Potential fees associated with events:

- Administrative Fee = fee for Event Management services
- Rental Fee = fee that would normally be charged to reserve space for outside groups
- Overhead Costs = costs associated to maintain the space per Facilities
- Service Solutions (SSC) = required for events with food, large number of attendees, etc.
- Crowd Manager = for an event with 250+ attendees
- UTPD = required if alcohol is being served, large number of attendees
- Insurance (TULIP) = must be purchased if outside organization does not carry required insurance coverage
It is possible to waive some fees associated with events if the ‘Recovery Costs’ cover said fees according to the level of partnership.

- Rental fee
- Administrative fee may be waived

SECTION 7

SCHEDULING A NON-UNIVERSITY EVENT

A non-university event is one where the primary contact is not a university employee. Or, the university employee is involved in the event outside his/her assigned university function. Non-university events will be charged a rental fee according to the current fee schedule, and, at a minimum, must ensure recovery of the cost incurred by The University of Texas at Tyler.

The university permits rental of its special use facilities to non-university users engaged in legal activities in accordance with The University of Texas System Rules and Regulations of the Board of Regents Rule: 80104.

Depending on the event activities, there may be other campus services fees (porter/cleaning charges, onsite security, etc.). Please contact Scheduling & Conference Services for questions and/or a quote.

The University of Texas at Tyler reserves the right to decline an event or change the location of the event.

Contact Scheduling & Conference Services at 903.565.5888 or eventmgmt@uttyler.edu to see if the event meets university requirements and to check meeting space availability.

A Facilities Use Agreement will be initiated once the online event request form has been submitted*. The agreement must be signed by a representative of the organization who has signature authority to assume full responsibility for payment of charges associated with the event.

- Final payment of usage fee due by invoice due date.
- The University of Texas at Tyler reserves the right, at its sole discretion, to enter the facility during the event to assure appropriate use and security of facilities.

*Cowan Center does not use an online form for external clientele.
SECTION 8

ALCOHOLIC BEVERAGES

Pursuant to Regents' Rules and Regulations, Rule: 80102, alcoholic beverages are prohibited on property and in buildings owned or controlled by The University of Texas System and any of the institutions. However, the President of an institution may waive this prohibition with respect to any event sponsored by the UT System or any of the institutions. An event is sponsored if

- A budgeted office, department, or division of the U. T. System or any of the institutions is responsible for organizing the event, inviting attendees, and paying expenses related to the event.
- Such an event is still considered to be sponsored even if an outside entity pays for the food and beverages at the event.

Meetings or events organized and presented by registered faculty, staff, or student organizations are not considered sponsored events.

Alcoholic beverages may be served in a Special Use Facility being used by a non-institutional individual, group, association, or corporation for purposes permitted by the Regents' Rules and Regulations, Rule 80106.

No alcohol is allowed on campus without the approval of the Permission to Serve Alcoholic Beverages form by the President, or his designee.

If an event meets the above criteria, a Permission to Serve Alcoholic Beverages (Appendix A) form can be obtained from Scheduling & Conference Services and must be completed and approved by the President, or his designee, and UT Tyler Police Department (UT Tyler Police) at least one (1) month prior to the date of the event. The form requirements are as follows:

- UTPD onsite security is mandatory (additional fee).
- There is a maximum of four (4) hours of alcoholic beverage service time.
- It is mandatory that a TABC-licensed alcohol provider (to be paid for by event host) serve alcohol.
- Food and non-alcoholic beverages must be made available when alcoholic beverages are served.
- Liquor liability Insurance* that covers seller’s liability for the service of alcohol under a Liquor Liability policy, or endorsed onto a Commercial General Liability policy, with limits of not less than $1,000,000 per occurrence and $2,000,000 aggregate is required. The University of Texas System Board of Regents, UT System, and UT Tyler should be named as additional insureds with a waiver of subrogation in UT Parties' Favor under the company's liquor liability policy. (*Required for any Contractor that will be selling or serving alcohol.)

State law relating to alcoholic beverages is always strictly enforced.

AUDIOVISUAL / INFORMATION TECHNOLOGY (IT) SUPPORT

Audiovisual Equipment/Assistance for a University-Sponsored Event
For events held in the Cowan Center Auditorium, audiovisual equipment, setup, and staffing are provided by the Cowan Fine Arts Center. Additional fees may apply.

For events held in the University Center, audiovisual equipment, setup, and staffing are provided by the University Center Operations Team.

For events held in the Herrington Patriot Gym and outdoor locations, such as the Plaza, an off-campus vendor can be recommended by Media Production.

The audiovisual equipment in the Ornelas Activity Center and Alumni House has self-service technology. If troubleshooting assistance is needed, contact Media Productions.

It is the responsibility of the requester to ensure that university audiovisual and technology equipment is used in accordance with laws related to the display of motion pictures and/or other copyrighted material. (Section 22)

Information Technology (IT) Assistance for a University-Sponsored Event
Free guest WIFI is available in most buildings using PatriotAir. Note that Cowan Center and the Herrington Patriot Center DO NOT have wireless access available.

The University of Texas at Tyler relies heavily on networked computers and the data contained within those systems to achieve its missions. The Acceptable Use Policy is to protect these resources in accordance with state law and Regents Rules. Any individual needing access (guest login) to UT Tyler Information Technology is governed by state law and Regents Rules, specifically UTS 165, UT System Information Resources Use and Security Policy and must sign and return a copy of this Acceptable Use Policy to the Department of Information Technology.

Audiovisual Equipment/Assistance for a Non-University Event

- Cowan Center Event
  All non-university customers in need of audiovisual assistance/training and technology equipment must make their technology needs known to the Cowan Center scheduler at the time of their request. Cowan Center and Media Services staff will determine if they are able to provide audiovisual assistance/training and equipment (possible additional fee) during regularly scheduled work hours contingent upon the availability of staff and equipment.

- All Other Locations
  Media Production can provide assistance by recommending an outside vendor.
SECTION 10
FOOD SERVICE – CATERING / FOOD TRUCKS / SCENARIOS

Net Health Food Safety Guidelines
https://www.mynethealth.org/services/environmental-health/rules-regulations/

UT Tyler Food Safety Checklist
http://www.utttyler.edu/sll/studentorganizations/forms.php

Definitions
  o **Food** - anything consumed by mouth – ice, water, popcorn, cotton candy, drinks, etc.
  o **Catered Event** – food cooked at an off-campus vendor’s location for a set number of people. A health permit for the location of where the food is cooked needs to be provided to The University of Texas at Tyler’s Office of Environmental Health & Safety 14 days prior to the date of the event.
  o **Closed Event** – an event not open/advertised to the public. No health permit is needed (e.g., department potluck; student organization watching movie with popcorn).
  o **Food Deliveries** – food ordered and being delivered/dropped off. No health permit is needed (e.g., pizza delivery).

Due to the population of our University, NET Health has informed us that a campus-wide event to include all faculty, staff, and students is **NOT** considered a closed event.

  o **Temporary Event** - a temporary event is **not** a closed event, and proof of a “Coordinator Application for a Single Event or Celebration” must be provided to The University of Texas at Tyler’s Office of Environmental Health & Safety (EH&S) 14 days prior to the date of the event.

As an example, a party with multiple vendors advertised to campus community is considered a temporary event and will require a “Temporary Food Establishment” permit if out-of-district vendors are used or if food is prepared by the campus community (e.g. chili cook off). Proof of application for this permit must be provided to EH&S 14 days prior to the date of the event. When applying for the Coordinator Permit, NET Health will dictate the food handling and sanitations requirements.

Requirements for a Coordinator Application or Temporary Food Establishment Permit can be found on Net Health’s website. Net Health needs a 30-day notice.

On-Campus Vendors
Sodexo is UT Tyler’s contracted food service vendor. Along with Sodexo, on-campus vendors include Chick-fil-A, Subway, Einstein Bros Bagels, Slice of Life, Wholly Habaneros, and the Swoop & Go Store. Sodexo has a health permit on file with the Office of Environmental Health & Safety and is fully insured for all of their operations.

The General Manager of Sodexo and/or the Catering Manager will work with the event contact directly to accommodate food-related needs. Catering details, including payment, must be discussed directly with Sodexo.
Orders must be received by Sodexo between 8:00 a.m. and 5:00 p.m. three (3) business days prior to the event. This does not include weekends or holidays.

- **Final guest count:** Must be given five (5) business days (not including weekends or holidays) prior to the event. Changes to the number of attendees after the final count has been given will be accepted at the discretion of the Catering Manager of Sodexo. Cancellations must be made three (3) business days prior to the event to avoid any charges – unless food has already been purchased by Sodexo. In that case, reimbursement of food purchase will be required.

- **Delivery fee:** A delivery fee will be assessed for events held outside the University Center building.

- **Payment:** The final cost will be calculated before the event. Texas sales tax is charged where applicable. Campus departments can only charge to cost centers for which they have signature authority or have received permission from the fiscal office.

- **Linens:** Linens are not provided by UT Tyler but can be rented from Sodexo.

**Approved Off-Campus Caterers and Food Delivery**

It is not required that Sodexo be used. However, no caterer/restaurant is allowed on campus unless they have a contract with UT Tyler and a current health food permit on file with Environmental Health & Safety.

- A UT Tyler department must use a purchase order for catered events. (A university-issued credit card cannot be used for payment.)

- Insurance for a UT Tyler-Catered Event: A caterer is considered a contracted vendor. Therefore, the off-campus food vendor is required to provide a certificate of insurance (COI) that at a minimum shows evidence of general liability, commercial auto, and worker’s compensation coverage. (Exhibit F).

- Food Permit: Environmental Health & Safety (EH&S) must have the off-campus food vendor’s current permit on file. It is the responsibility of the event requester to ensure they have a current copy 14 days prior to the date of the event.

- Temporary Food Establishment Permit: If food is cooked in the Ornelas Activity Center (OAC) kitchen or an outdoor campus location, a Temporary Food Establishment Permit is needed for the facility and a food permit for the vendor. If food is not prepped in the OAC kitchen, only a food permit is needed.

- Any vendor that is not from within the NET Health District (meaning they do not have a NET Health permit) must apply for and obtain a Temporary Food Establishment Permit in order to serve food on campus. This applies to ALL types of events including caterers and food trucks. This process must be started no later than 14 days in advance of the event.

- No cooking of food is allowed in the Alumni House warming kitchen.

- Food served at catered events MUST be handled and served (or monitored in the case of self-serve hors d’oeuvres) by catering staff to ensure proper food service and handling guidelines are maintained.
Tyler staff, faculty, and students are not allowed to act as food servers without a food handler’s license. The only catered foods allowed to be “self-served” are hors d’oeuvres where catering staff monitor appropriate food handling and utensil use and are able to promptly remove any contaminated utensils or dishes. The ONLY exceptions to this rule are delivered pizza, prepackaged boxed lunches, and prepared single serve foods such as cookie platters, donuts, bagels, etc. Other exceptions MAY be made at the discretion of EH&S on a case by case basis.

Outdoor Events with Food
- Outdoor events serving any food item that is not prepackaged in its original container must observe the following requirements:
  - All areas of food service must be covered by tents – no exceptions
  - If food is being cooked on site, and not contained within a food truck, the vendor must obtain a temporary food establishment permit
    - Three-bin wash disk sinks with hot water must be supplied
    - Separate hand-wash sinks must be supplied
    - In-building wash facilities are not allowed to be used in lieu of hand-wash sinks
    - A finished floor must be provided – food cannot be cooked in grassy areas
  - Vendors bringing food that has been prepared off site must be permitted as noted under the “Food Permit” section under Off-Campus Caterers and Delivery above.
  - Vendors are responsible for providing any hot or cold holding equipment needed to keep their food at a safe serving temperature.
  - All food service personnel must wear gloves

Food Trucks
Food trucks are allowed on UT Tyler property if
1. permission has been granted to them by Sodexo, UT Tyler’s contracted food service provider;
2. they are an approved vendor and in good standing with the State;
3. they have current NET Health permit; and
4. food being provided has been
   - pre-purchased by a UT Tyler department and/or
   - is being sold to customers in only an athletic parking lot

NO food can be sold on campus unless PRIOR approval has been received by UT Tyler’s Purchasing Department.

Bake Sales and Potluck Meals
Organization/Department potlucks are allowed. Potlucks meals must be limited to members of the specific organization or department and cannot be opened to other groups or the campus community under any circumstances. It is recommended that any foods that may contain common allergens (e.g. eggs, dairy, shellfish, nuts, etc.) be marked as containing such.

Bake Sales are not allowed unless all foods are purchased from a NET Health permitted facility and are prepackaged in their original containers. Home-cooked baked goods may not be sold or otherwise distributed to the campus community unless the preparer adheres to all aspects of the Texas Cottage Food Law. Details
and guidance can be found here: https://texascottagefoodlaw.com/. Bake Sales must be reviewed and approved by EH&S to determine appropriate compliance with these requirements.

**EVENT PARKING**

**Parking and Traffic Information**

Special RESERVED spaces are marked with either the job title of the person, the department name, or other specific wording that indicates authorization to occupy those spaces. Violators will be cited and are subject to booting and/or towing and any fees associated with enforcement.

Zone violations (no parking, fire hydrant, fire lane, disabled spaces) are always enforced.

---

**Visitor Parking Pass**

Visitors are welcome to the campus, and special parking spaces are provided for them. A Visitor Parking Pass must be obtained from the hosting on-campus department via [https://uttyler.edu/mc](https://uttyler.edu/mc) or by contacting UT Tyler Police Department Parking Divisions at 903.566.7300.

The Visitor Parking Pass should be placed on the vehicle dashboard so that it is completely visible. This permit identifies the person as a visitor of the campus and prevents the inconvenience of a citation being issued for not having a permit. Legitimate visitors who do not have a visitor permit displayed on their vehicle may be issued parking citation.

**Reserved (Blocked) Parking**

Reserved (blocked) parking for your campus event can be requested by faculty and staff via our online event scheduling system, Astra. The University of Texas at Tyler Police Department is the scheduler of this resource and reserves the right to decline/approve requests.

**How Do I Request Reserved Parking?**

- **In conjunction with an event/space request**: Complete the appropriate event request form in Astra answering all questions pertaining to your parking needs.

- **Event already scheduled in Astra or only parking lot needed**: Log into Astra and use the Parking request form. A quick video tutorial on how to complete this form can be found [here](#).

- **For a student organization**: Contact Student Engagement with your request and have them email the approval to [eventmgmt@uttyler.edu](mailto:eventmgmt@uttyler.edu).

---

**Events in Parking Lots MUST stay clear of fire lanes.**
SECTION 16

STUDENT TRAVEL AND OFF-CAMPUS ACTIVITIES

- No students are allowed to drive the shuttle.
- Transportation requests can be denied if forms are not approved prior to your travel date.
- No overnight stays.
- No cost for the shuttle bus.
- Driver cost is approximately $25/hour/driver plus the cost of fuel.

As a state-supported public university with a tax-exempt status under Sections 115 and 501 (c) (3) of the U.S. Internal Revenue Code, The University of Texas at Tyler (UT Tyler) may not participate or intervene in any political campaign and must prevent its resources from being used in any way that could appear to support a political campaign.

Any political event should receive approval from Community Engagement.
SECTION 18
POSTINGS

UT Tyler encourages intra-campus posting of information in the interest of enhancing student and campus life and expanding opportunities for learning and cultural enrichment. Students, faculty, and staff are free to express their views subject only to rules necessary to preserve the equal rights of others and the other functions of the university.

Director of Student Engagement may withhold approval for any poster in violation of this policy. Have your student, faculty, or staff ID when you bring the sign/flyer/poster or banner to UC 3400 for approval. Be prepared to leave a copy of your sign/flyer/poster or banner with Student Engagement with your name and contact information.

Materials Posted on Campus Must be Submitted by
- a registered faculty, staff, or student organization
- an administrative or academic department
- an individual student, faculty, or staff member

Acceptable Reasons for Posting
- Advertisement by individual students, faculty or staff for roommates, subleases, or sale of personally owned and used property
- Event or fundraiser hosted by faculty, staff or student organizations that benefits:
  - The faculty, staff or student organization
  - An off-campus, tax-exempt organization

Advertisements for an off-campus group will NOT be approved for posting.

Size Requirements
A sign/flyer/poster should be no larger than half of a regular poster board (14 in. x 22 in.). This is necessary to allow all students, faculty, and staff an opportunity to advertise in limited areas.

Posting Duration and Location
- **Signs/flyers/posters**, when approved, may be posted for 14 days.
- **Banners**, when approved, may be posted for one week and may be renewed for one additional week. Banner space should be reserved ahead of time to guarantee availability.
- **Bulletin Boards Only** - Approved signs/flyers/posters must be posted on bulletin boards ONLY, except for RBS and RBN, where they may be taped to the glass around the stairwells until bulletin boards are placed in the building. Signs/flyers/posters in unauthorized locations are in danger of being discarded.
- Signs/flyers/posters should be **removed within 24 hours of an event** by the posting organization/individual.
T-Stand Advertising

- T-stand flyers will be displayed for one week at a time and must be for events that are NOT in the upcoming 7 days.
- Flyers must be submitted to Student Engagement by 5:00 pm Friday for placement the following Monday.
- Flyer placement is available for faculty, staff, or student organizations or for administrative or academic departments.
- Available T-stands will be evenly divided between all organizations that submit flyers for the week, except for events hosted by Student Engagement.

**A-frames and T-stands MUST not block egress.**

As a UT Tyler representative, it is important to follow The University of Texas System’s and UT Tyler’s policies. If you are unsure or need further information/clarification on these policies, please consult the Manual of Operating Policies and Procedures, Chapter 6, or UT System Regents’ Rules.

**Questions about this policy can be directed to Student Engagement at (903) 565-5645.**
**SECTION 19**

**PROGRAMS / CAMPS**

Summer programs occur on designated dates between the spring and fall semesters and focus primarily on guests of UT Tyler utilizing campus facilities that may include housing, dining, classroom, meeting, and recreation space to achieve the objectives of the host division/department or outside organization.

If your event falls into this category, please contact eventmgmt@uttyler.edu.
SECTION 20
ACCIDENTS / INJURIES / SEVERE ILLNESS ON CAMPUS

During events, accidents, injuries, or serious illnesses can occur. In the event of any accident, injury, or serious illness involving anyone on campus during an event, the University Police Department should be immediately notified at 903.566.7300; and an officer will respond to assess the situation and notify emergency services. If the situation is life-threatening, dial 911; they will dispatch University Police and other emergency services.

Once the situation is under control, paperwork will have to be completed to document the incident and begin a cause investigation.

- For injuries involving a student or visitor on campus, complete the “Student and Visitor Report of Injury Form”. Contact safety@uttyler.edu.
- For injuries involving an employee performing duties related to their job during an event on campus, complete the “Employee Report of Injury” and “Supervisors First Report of Injury” forms. Contact safety@uttyler.edu.
**SECTION 21**

**SECURITY**

All requests needing onsite security (e.g., prom, dance) must be received at least sixty (60) days prior to the event date via an Astra event request. Requests will be reviewed and security requirements, if any, will be solely decided by UT Tyler Police (UTPD).

Security is provided by UTPD. If outside security personnel are also preferred, UTPD must be contacted for approval under UTS 170. If approval is granted, any additional security personnel will report to the UTPD officer in charge of the security operations.

If the attendance to an event exceeds that communicated on the contract, or if the safety code capacity is reached, UTPD will require the event sponsors to cease admitting guests or terminate the event.

Events that are planned to extend beyond normal building hours must be authorized by Scheduling & Conference Services so arrangements are made for securing the venue and the building.

Hours for the University Center (UC) are online at [http://www.rettyler.edu/uc/hours.php](http://www.rettyler.edu/uc/hours.php).

Maps referencing emergency locations are on each floor of each university building.
SECTION 22

CROWD MANAGER

In 2012, the National Fire Prevention Association (NFPA) created code requirements for management plans and crowd control measures for certain types of events in assembly occupancies. The Office of Environmental Health & Safety (EH&S) serves as the local Authority Having Jurisdiction (AHJ) relative to NFPA 101 Life Safety Code, 2012, compliance for all the University of Texas at Tyler (UT Tyler) facilities and property.

- **What is assembly occupancy?** Chapter 13 – Existing Assembly Occupancies, Section 3.3.178.1 of the code defines assembly occupancy as: “an occupancy (1) used for a gathering of 50 or more persons for deliberation, worship, entertainment, eating, drinking, amusement, awaiting transportation, or similar use; or (2) used as a special amusement building. “

- **What types of areas at UT Tyler are considered assembly occupancies?** Fire Code gives examples of assembly occupancies. Those applicable to UT Tyler include, but are not necessarily limited to, the following areas: assembly halls, auditoriums, college and university classrooms, gymnasiums, theaters, and restaurants. At UT Tyler, certain rooms within these buildings are frequently used as assemblies:
  - Alumni House (ALH)
  - Cowan Center Vaughn Auditorium
  - Herrington Patriot Center (HPC)
  - Ornelas Activity Center (OAC)
  - Physical & Health Education (PHE)
  - University Center (UC)

- **When am I required to have an Event Management Plan?** Approved plans are required for events with 250 or more people in attendance that are generally not expected to be familiar with the facility. Some examples of events requiring a plan include:
  - Convocation, commencement, non-UT Tyler graduation ceremonies, large banquets, political candidate speeches, events to which the public is invited, and summer camp activities
  - A lecture or performance open to an audience that is not likely to be familiar with the venue
  - Special athletic events such as basketball or volleyball playoffs
  - Expositions - events which the display of products or services is organized to bring together the provider and user of products or services and include: trade shows, job fairs, vendor fairs, poster board educational displays in association with a conference, etc.

  Exit egress impediments such as curtains, poster boards, stanchions, etc. require a deployment plan approved by the AHJ or must be removed. Reference NFPA 101: 7.5.2 – Impediments to egress.

- **Do I need a new Event Management Plan every time I hold an event in an assembly occupancy?** No. Once a plan is approved for a specific type event in a specific venue, then a previously-approved crowd management plan may be used without further consultation with EH&S. A new plan is not necessary.
When do I need Crowd Managers? Section 7.6.1 – Crowd Managers in Chapter 13 – Existing Assembly Occupancies states: “Assembly occupancies [250 or more persons] shall be provided with a minimum of one trained crowd manager or crowd manager supervisor. Where the occupant load exceeds 250, additional crowd managers or crowd manager supervisors shall be provided at a ratio of one crowd manager or supervisor for every 250 unless otherwise permitted…” as in note 2 of that section:

- “(2) The ratio of trained crowd managers to occupants shall be permitted to be reduced where, in the opinion of the authority having jurisdiction, the existence of an approved, supervised automatic sprinkler system and the nature of the event warrant.”

What is the cost of a Certified Crowd Manager? Contact Scheduling & Conference Services for a quote.

I am a faculty member / instructor who routinely teach in one of the lecture halls / large classrooms. Do I need to have an event management plan and crowd managers? No. An event management plan and crowd managers are not necessary for regular classes provided that you comply with the classroom use and seating capacity limits approved by Facilities and EH&S. Student occupants should be familiar with the space after basic instruction on exiting during emergencies and restroom locations given during the initial class period.

Who can serve as a Crowd Manager or Crowd Supervisor? Certified crowd managers may be faculty, staff, instructors, coaches, or other individuals who have taken a crowd manager training course – to include ushers, guards, and police officers who are familiar with the facility and can assist with maintaining clear exit pathways and directing occupants to safe exit egress from the building in case of emergency.

- EH&S can provide some safety training; however, it is recommended that a Crowd Management training course be taken by anyone who will be a Crowd Manager/Supervisor. [https://crowdmanagers.com/registration](https://crowdmanagers.com/registration)
- The University of Texas at Tyler Police Department (UT Tyler Police) staff can also assist with emergency management and security training if necessary for events where security is of greater concern.
- UTPD can provide guards or police officers to assist with events. Event operators will incur a service fee.
- A Pre-Event Checklist for Crowd Managers is provided in Appendix D.

How do I get my Event Management Plan approved? Contact EH&S at safety@uttyler.edu or call 903.566.7011 or 903.566.7496.

- Please allow at least 2 weeks’ notice prior to the event for sufficient time to review and approve the plan.
- There is no cost to UT Tyler departments for EH&S AHJ review and approval of Event Management Plans.
SECTION 23
SHOWING MOVIES ON CAMPUS

Most movies\(^1\) are protected by copyright law, which gives exclusive rights to the copyright owner, including public performance rights. The law also provides some exemptions.

Any movie shown in a public place (including an auditorium or meeting room) or to any “substantial” group beyond the normal circle of family and friends is considered a public performance. Whether or not there is a charge to view the movie does not matter.

The law includes some important exceptions. Section 110 of the Copyright Act provides a specific exemption to the licensing of what is clearly a public performance – face-to-face teaching.

- Performances and displays of audiovisual works must be made from legitimate sources, such as pre-recorded videocassettes. Copies made from legitimate sources or broadcasts are not allowed.
- Performances and displays must be part of the systematic course of instruction and not for entertainment, recreation, or cultural value. The instructor should be able to show how the use of the motion picture contributes to the overall course study and syllabus. The course does not have to be a credit course but must be one recognized by the institution and for which students must register.
- The instructors or pupils must give performances and displays from the same location in which it is viewing screened; no broadcasting from outside sources (such as closed-circuit television) is allowed.
- Performances and displays must be given in classrooms and other places devoted to instruction; library screening rooms, residence hall lounges, rathskellers, and cafeterias do not qualify. Performances must take place during the scheduled class time.
- Performances and displays must be a part of the teaching activities at a non-profit educational institution. Businesses that conduct educational seminars and certain technical schools do not qualify.
- Attendance is limited to the instructors, pupils, and guest lecturers. Only students registered for the class may attend the screening. No fee specific to the screening may be charged.
- There may be certain other circumstances in which Section 110(1) would permit a movie to be publicly shown without permission from the copyright owner. The circumstances are narrow, however, and no such showing should occur without prior consultation with the Office of Legal Affairs.

Some movies are not protected by copyright and may be shown without restrictions. Movies that are either in the public domain (generally those published before 1923) or created by the U.S. government may also be viewed publicly without obtaining permission. Additionally, there are some copyright owners who explicitly make their work available with few restrictions.

Unless mentioned above, **ALL other showings of movies require permission from the copyright holder before they can be shown.** It is the responsibility of the sponsoring department or organization to secure permission or pay a license fee for any public showing. Permission is usually granted only after paying a licensing fee which generally ranges from $200 - $500. Some films will cost more. If the request for performance rights is denied or not received prior to the scheduled showing, the movie cannot be shown on campus.

---

\(^1\) This document uses the term “movies” to include motion pictures and other audiovisual works in all formats.
For more information, see the UT Tyler Copyright Guidelines webpage available here.

**How to Secure Performance Rights**
In many cases, obtaining performance rights is easy and the cost is reasonable. However, in some cases, it is difficult or impossible and/or prohibitively expensive. Therefore, any department or organization wishing to show a specific film is advised to begin the process early. Contact Student Life & Leadership with the name of the movie and how it will be used.

As the University Center frequently shows movies, they are a good resource to see what is and what is not needed.

One of the easiest ways to get performance rights is to obtain a movie available from one of the companies who license movies on behalf of the film companies. (It is sometimes possible to obtain the movie locally and just pay one of these companies the licensing fee.) Some of the primary licensing companies include, but are not limited to, the following:

- Swank Motion Pictures
- Criterion Motion Pictures
- Kino International Corporation
- Milestone Film and Video
- Motion Picture Licensing Corporation
- New Yorker Films
- Movie Licensing USA

FYI: A license dated September 11, 2013, for a public performance license of a documentary cost $99.00. A license dated September 18, 2003, for a one-time showing of the films Ordinary People and A Beautiful Mind cost $331.00 per film for a total cost of $662.00.

If a movie is not available from one of these companies, permission may sometimes be granted directly from the copyright holder. The movie’s website or the package that contains the movie will indicate the copyright holder. In most cases, this will be the movie studio.

Information on how to contact the company can usually be found on the company’s website. The copyright holder may request information regarding the name of the organization who will be showing the movie, the title and format of the requested movie, where and when the movie will be shown, the anticipated size of the audience, whether there will be an admission charge, and contact information.

As noted above, if the copyright owner grants performance rights, it will generally be for a fee; and performance rights must be received prior to the showing of the movie.

For more details about how to secure permission, see the University of Texas Libraries’ Getting Permissions webpage here.

Please remember that whenever paying an outside vendor, as in the case of obtaining public performance rights, UT Tyler’s purchasing procedures must be followed. More than likely, a contract may need to be signed by Legal.
SECTION 24

SUPPORT SERVICES

Scheduling
- Room and setup (tables, chairs, podiums, etc.) requests are via Astra.
- The University of Texas at Tyler Police Department (UT Tyler Police) provides door unlock assistance. Please indicate on the Astra event request form that you need the door unlocked – if needed, detailing specific building entrance doors in the Setup Details portion of the form.
- Reserved (blocked) parking is reserved via Astra. Please indicate on the Astra event request form or complete the Parking request form located in the Astra.
- Video conferencing is reserved via Astra. Zoom videoconferencing assistance is provided by Technology Support (TS). Please indicate on the Astra event request form or complete the Videoconference request form located in the Astra. There is a mandatory 5-day lead time for this request. TS reserves the right to decline the request if not submitted within 5 days of the event date.
- Porter (Housekeeping) services are reserved via Astra.
- Shuttle buses and drivers are reserved via Astra. Please complete the Transportation request form located in the Astra.
- Most items associated with an event are scheduled via Astra. Contact Scheduling & Conference Services for any questions at eventmgmt@uttyler.edu.

Event Setup
- In cases of large scaled events, an Operational Plan is required to be completed by the hosting department and meetings must be scheduled for all departments involved, to include Physical Plant, Environmental Health & Safety, Scheduling & Conference Services, UT Tyler Police, Risk Management, Purchasing, setup team, and any other department that could be affected by the event (e.g., HPC, Cowan Center).
- It is mandatory that the Physical Plant be onsite for any deliveries to the inside of campus (e.g., furniture delivery to the Plaza) as a “walker” may be needed to safeguard pedestrians.
- The University of Texas at Tyler uses contracted onsite setup and housekeeping teams.
- Non-UT Tyler events requiring setup outside of normal business hours (before 7:00 a.m. and after 4:00 p.m.) and on the weekends will be required to pay an overtime fee to cover associated costs. To obtain a quote, contact eventmgmt@uttyler.edu.
- The University Center Operations staff handles setups inside the University Center.
Nonstandard setups should be coordinated with Scheduling & Conference Services (SCS). A layout needs to be submitted to SCS and Environmental Health & Safety (EH&S) for approval. Once approval has been given, the layout cannot be changed without prior approval from EH&S.

All setups must comply with fire code room capacity and egress requirements. All events must meet the Americans with Disabilities Act (ADA) accessibility guidelines.

A rental company’s name and date/time of delivery/pickup must be provided to the event setup team.

It is a violation of Fire Code to add chairs or to stand in any room with fixed seating. Doing so endangers attendees and puts your event at risk of being cancelled immediately without being rescheduled.

**Porter/Housekeeping Services**
The University of Texas at Tyler uses a contracted onsite environmental services support team. The number of porters to work an event and the number of hours worked is at their discretion.

- **Faculty/Staff/Student Organizations:** To safeguard UT Tyler’s facilities, events serving food anytime, events of more than 100 persons, or events occurring outside of normal business hours may require an onsite porter.

- **Cowan Center:** Porter services are mandatory for any event held in the Vaughn Auditorium, White Lobby, or Green Room.

- **External Clientele:** Event porter services may be charged for a joint-sponsored or external-client event. A quote can be obtained by contacting Scheduling & Conference Services.

Feel free to contact eventmgmt@uttyler.edu to obtain a quote for porter services.
SECTION 25
MARKETING & COMMUNICATIONS

Brochures and Printed Materials
Marketing and Communications (M&C) coordinates the design and production of brochures, posters and various other publications and printed materials used by departments for recruitment or general awareness of the university.

Design services are available through M&C; however, the university community is not restricted to its services. Outside designers may be used; however, **ALL materials should be reviewed by M&C during the production process and prior to being printed.** This is to maintain compliance with the graphic and editorial guidelines.

If photographs are needed, please complete the online Images Request form found at [https://request.uttyler.edu/](https://request.uttyler.edu/).

UT Tyler Logos and Registered Trademarks
The official logos and the name of The University of Texas at Tyler are trademarked, and each use **must** be approved to ensure compliance with UT System and university policies.

Promotion of Your Event
Marketing & Communications (M&C) provides promotional support for upcoming events. News releases, newspaper advertising, and the use of The University of Texas at Tyler’s name and logo must be approved by M&C. The university website and university social media are also available for promotion of your event through M&C.

Video Recording and Photography on Campus
A number of state laws, Regents’ Rules, and The University of Texas at Tyler policies govern photography or filming on campus, including a Regents’ Rule that provides requirements for filming television productions on campus (Rule 80107). For more specific information on television productions, see the *Lights, Camera, Action, Lawyer!* article at [Lights, camera, action... scripting internal audit for a ... - UT System](https://example.com).

There may be a requirement to

- obtain a permit for filming or photography,
- obtain insurance, and
- obtain releases from persons who may appear in the photograph or film.

Some campus images, such as the Riter Millennium Carillon Bell Tower and the Turtle, are iconic images and permission must be obtained from Marketing & Communications (M&C) if to be used professionally.

No photography or filming for a political advertisement can occur on campus, nor the use of any institutional logos or trademarks in political advertisements. If unsure about the intended use of the photograph or film, ask for clarification from the candidate or officeholder.

For more information and approval, please contact Marketing & Communications at [web@uttyler.edu](mailto:web@uttyler.edu)
