SERVICE IN ACTION

Events are an excellent platform to highlight the strengths and expertise of the UT Tyler faculty and staff, the talents of our students, and the capabilities of our facilities. Scheduling & Conference Services plays a crucial role in ensuring that these events are well-coordinated and successful whether they are organized for on-campus groups or community organizations.

What is the purpose of an Events Procedure Manual?

Having a manual that outlines specific guidelines and procedures for scheduling and holding events on campus is essential. It serves as a comprehensive resource to help event planners understand the necessary steps, from booking venues to coordinating logistics. This manual provides clear answers to common questions and offers valuable insights into best practices for planning successful events at UT Tyler. It ensures that all parties involved have a consistent understanding of the process, helping to create seamless and well-organized events.

Who needs to be familiar with the Events Manual?

It is important for everyone who plans a meeting or event involving the use of university space and services to be familiar with the guidelines and procedures outlined in the manual. This includes faculty, staff, students, and external organizations. Adhering to these guidelines ensures that events align with university policies and standards, leading to smooth and successful execution. It also facilitates coordination with various university departments and services, ensuring all logistical aspects addressed.

Where can I find a copy?

A copy of the procedures manual can be found on the Event Management website (<https://www.uttyler.edu/faculty-staff/astra/>) or you can request a copy from eventmgmt@uttyler.edu.

For the success and safety of your event and for the safety of the UT Tyler community, emergency egress routes are reviewed for each event request. Furniture changes (addition of chairs, tables, or moving existing furniture, etc.) should not be assumed.

How can I get specific questions answered?

EQUAL OPPORTUNITY

In accordance with the Board of Regents' Rules and Regulations, Rule 10701, "To the extent provided by applicable law, no person shall be excluded from participation in, denied the benefits of, or be subject to discrimination under, any program or activity sponsored or conducted by The University of Texas System or any of its institutions, on the basis of race, color, national origin, ethnicity, religion, sex, age, veteran status, or disability."

SECTION 1

HOW TO PLAN CAMPUS EVENTS

Complete Online Event Request Form in Astra

Faculty and staff will complete the appropriate online Event Request Form as soon as possible to confirm a date.

- Academic space can only be requested a semester at a time (see Section 6 for scheduling priority)
- Event space can be requested up to a year in advance (depending upon location) with limitations (i.e., the event requested in University Center is placed in a tentative status until students request space)

Student Organizations will complete their event request through Patriots Engage at least two (2) weeks in advance and no later than the end of the semester.

Event Management Coordination Form (EMC)

For events (see description of an event below), an online questionnaire will need to be completed and approved by UT Tyler Police Department, Environmental Health & Safety, and Facilities before your event is scheduled. Your event request will be placed in a “pending” status to hold the requested space.

Your request is considered an event if it meets **one (1)** of the following criteria:

- More than 49 attendees OR
- Setup/Teardown is required OR
- Food/Beverages will be served OR
- Minors will be present OR
- Joint Sponsored/External Client event

Based on the answers to the questions on the Event Management Coordination form (EMC), you will receive an email of ACTION ITEMS and NOTIFICATIONS to help guide you with additional planning. Scheduling & Conference Services will help in the collaboration with other on-campus departments/partners to ensure events are of the highest quality.

Estimate Attendance

You will be asked to consider the estimated attendance in relation to the room you request. Each location has a maximum occupancy that cannot be exceeded.

It is a violation of Fire Code 1004.7 to add chairs or to stand in any room with fixed seating.
Doing so endangers attendees and puts your event at risk of being cancelled immediately without being rescheduled.

Consider Your Catering Needs

What type of meal would you like to serve? Sodexo is UT Tyler’s contracted food vendor. Homemade food and food or beverage from another caterer, restaurant, or grocery store are allowed if NetHealth requirements are met. Refer to Section 12.

[UT Tyler-Vetted Food Vendors](#) are preferred. However, if you choose to use a new vendor, please allow 30 days and follow the [Process for New Off-Campus Food Provider](#).

Be sure to let Scheduling & Conference Services know if food will be at your event.
Food permits and/or temporary vendor permits may be required by Environmental Health & Safety.

SECTION 7

PROPER USE OF CAMPUS FACILITIES

Child Protection Training (Texas Education Code, [Chapter 51, Section 51.976](#))

UT Tyler requires Child Protection training ([Training, Process, & FAQs](#)) for all individuals (employees and volunteers) working in a "campus program for minors," which is defined as a program that:

1. is operated by UT Tyler or conducted on UT Tyler's premises; and
2. offers recreational, athletic, religious, or educational activities; and
3. consists of at least twenty (20) minors (youth under the age of 18) who
 - a. are not enrolled at UT Tyler and
 - b. attend or temporarily reside at the camp or program for all or part of at least four (4) days (*does not have to be four consecutive days*).

Note that this requirement does not apply to minors who are students enrolled at UT Tyler or to UT Tyler's charter schools (which are governed by other statutes). This training is only required if your camp or program meets the criteria outlined above (items 1 – 3).

Concealed Handguns on Campus ([HOP 2.02](#))

As provided by law, handgun license holders may carry concealed weapons on The University of Texas at Tyler campuses, except for the excluded areas listed in HOP 2.02.

For events being conducted specifically for people under the age of 18 who are not enrolled at UT Tyler, a Campus Carry Temporary Exclusion Zone sign must be posted around the areas of the campus that will be used. It is the responsibility of the Event Contact to ensure signs are posted.

Event Teardown

All areas used must be left in the same condition as at the start of the event. Teardown of an event must occur in a timely manner. It is mandatory that the area be cleared of food, beverages, containers, and trash immediately following the event. A porter/cleaner may be assigned (possibly at an additional cost) to the event to ensure the space and surrounding areas are left in acceptable condition.

Fire Code NFPA 101 and NFPA 1

The University of Texas at Tyler is a state institution and falls under the purview of the State Fire Marshal Office. Anyone making use of any University premises must comply with all sections of the National Fire Protection Association (NFPA) Life Safety Code 101 and Fire Safety Code 1. Failure to comply with the fire code may result in cancellation of an event if appropriate measures to bring the event into compliance cannot be made.

Food/Beverages

Food and beverages are not allowed in the Braithwaite Recital Hall, Cowan Center Auditorium, University Center Mabry Theatre, or computer labs. Exceptions may be made as permitted by BOR Rule 80106 and BOR Rule 80102 in buildings or facilities when occupied by a third party pursuant to a written lease or occupancy agreement that does not explicitly exclude food and beverages, including alcohol.

Free Speech

Individuals are always encouraged and permitted to express views, opinions, and speech. For more information, please visit [7.05 Freedom of Expression Handbook of Operations](#) and/or [Chapter 6 of the Manual of Policies and Procedures for Student Affairs](#).

If you are conducting a program/activity and are concerned about the use of space or free speech activity, we strongly encourage you to reserve your space accordingly.

SECTION 8

JOINT-SPONSORED EVENTS

What is a Joint-Sponsored Event

If the event in question is primarily “owned” by a community organization and they are inviting UT Tyler to participate, it qualifies as a Joint Sponsorship. All spaces on campus, including classrooms, are only available for public use with Joint Sponsorship, fees may apply.

If the event is primarily ‘owned’ by UT Tyler and you are inviting a community organization to participate (like a guest speaker or participant), it is **NOT** considered a Joint Sponsorship and does not need to go through this process.

University or Department Sponsor

- You are a university or department sponsor if the following conditions set by Regents’ Rule 80105 are met:
 - your department, program, or registered student organization is directly involved with the planning and execution of the event and has a university representative (faculty/staff/club member) attend the event; and
 - the program or activity is upon invitation by the university; and
 - the program or activity directly supplements the educational purposes of the institution; and
 - the program or activity is not a political or sectarian gathering; and
 - your department, program, or registered student organization will be responsible for all details of the program or activity and has a university representative (faculty/staff/club member) attend the event; and
 - the scheduled property or buildings for programs or activities of The University of Texas at Tyler will have priority over the scheduling of jointly sponsored programs or activities; and
 - the fee charged for the jointly sponsored program or activity at a minimum ensures recovery of the cost incurred by The University of Texas at Tyler.
- A Joint Sponsor Use Agreement and liability insurance are mandatory. The sponsoring department’s Dean/Vice President and Office of Community Engagement are signers as well as the President’s designee. Contact SCS for more information. **This process could take up to two (2) months. Start early!**
- **You are not a university or department sponsor** if any of the above criteria are not met. A community business or organization that wishes to meet on campus must contact Scheduling & Conference Services (SCS) to discuss availability and rental fees. “Special Use Facilities” listed in [H.O.P. Section 5.14](#) are available for a fee for public use without a joint sponsor use agreement.

Student Organization Sponsor

- An authorized representative for the approved student organization must submit their request via [UT Tyler Patriots Engage](#), preferably 14 days in advance.
- The event is not approved until the form is processed by Student Engagement and Scheduling & Conference Services.
- Although usage fees will not be assessed; in some cases, there may be other campus services fees.
- Please contact the Department of Student Engagement at getconnected@uttyler.edu with questions.

Joint-Sponsor Process

In accordance with [Regents' Rules and Regulations, Rule 80105](#), UT Tyler has created a Joint Sponsor process.

UT Tyler's Office of Legal Affairs needs a minimum of 10 days to process and execute the Use Agreement.
PLAN EARLY!

Refer to the [Joint Sponsorship Process](#)
for detailed requirements at each step!

Below is just a portion of the process.

STEP 1: Initial Contact

STEP 2: Approval of Joint Sponsorship

- [Joint Sponsorship Approval Form](#)

Please use the [Joint Sponsorship Approval](#) form found in DocuSign and communicate, if needed, with the Office of Community Engagement to ensure that the timing of your request aligns with the Sponsorship Committee meeting date, so they can review the request in a timely manner.

- [UT Tyler Point of Contact \(POC\)](#)

- The college, school, or department will designate a UT Tyler employee to serve as the Point of Contact (POC) for this event throughout the entire planning process. Event Management is available to assist in the coordination; however, it does not act as the event planner.
- The designated POC will be responsible for overseeing the Joint Sponsorship process through completion including, but not limited to, the remaining steps below.

STEP 3: Collect Data from Community Organization

- [Reserve Space on Campus Through Astra](#)

- [Complete the Event Management Coordination Form \(EMC\)](#)

When the email with the link has been received from eventmgmt@uttyler.edu, complete the EMC in a timely manner.

STEP 4: 30-Minute Meeting with Event Management

- It is essential that Event Management and the POC maintain communication throughout the event planning process.
- A [Checklist and Timeline](#) has been developed to assist with the process. The POC needs to email pmahfood@uttyler.edu to schedule a 30-minute meeting to review POC responsibilities and the timeline.
- Event Management has found that this meeting significantly contributes to a smooth process and the overall success of the event.

STEP 5: Actively Be Involved in Planning and Communication

- [Answer Questions that May Arise](#)

- The [Event Procedure Manual](#) addresses most questions that arise during the planning process. However, if additional clarification is needed or an answer cannot be found, the POC should email pmahfood@uttyler.edu for assistance.

- At least three (3) weeks prior to the event, the POC needs to confirm all final event and setup details with Event Management. This information is critical to ensure the success of the event. Last-minute changes may not be accommodated.
- Collect Fee Information from Event Management
Fees associated with Joint Sponsorships may be waived or significantly reduced. The community organization is responsible for payment of any fees that cannot be waived, including, but not limited to:
75 Certified Crowd Manager Fees
 - UT Tyler Police Department Fees
 - Insurance (TULIP) Fee
 - Other Hard Costs

It is possible to waive some fees associated with events.

STEP 6: Ensure Joint Sponsor Use Agreement is Signed in a Timely Manner

- Event Management will upload the use agreement into DocuSign.
- It is the responsibility of the POC to coordinate with both UT Tyler and the community organization signatories, and to address any questions related to the DocuSign process.

STEP 7: Attend the Event

- The POC or their delegate must be present at the event to troubleshoot, answer questions, etc.
- If the event has 50+ attendees, the POC will assign a Certified Crowd Manager to attend the event. Requirements and link to receive certification can be found in [Section 6 of the Event Procedure Manual](#).

STEP 8: If Required, Ensure Payment is Received in a Timely Manner

Refer to the [Joint Sponsorship Process](#) for detailed requirements at each step!

SECTION 9

NON-UNIVERSITY EVENTS

The university permits rental of its [Special Use Facilities](#) to non-university users engaged in legal activities in accordance with [Regents' Rules and Regulations, Rule: 80106](#).

A **non-university** event is one where the primary contact is not a university employee. Or the university employee is involved in the event outside his/her assigned university function. Non-university events will be charged a rental fee according to the current fee schedule, and, at a minimum, must ensure recovery of the cost incurred by The University of Texas at Tyler.

Priority to the reservation and use of the Special Use Facilities shall be given to activities that are in furtherance of, and related to, the educational, cultural, recreational, and athletic programs of the institutions. As a lower priority, Special Use Facilities may under some circumstances be reserved and used by non-university individuals, groups, associations, or corporations, without necessity of joint sponsorship by UT Tyler.

There may be other campus services fees (porter/cleaning charges, onsite security, etc.) associated with the event. Please contact Scheduling & Conference Services for questions and/or a quote.

The University of Texas at Tyler reserves the right to decline an event or change the location of the event.

Contact Scheduling & Conference Services at 903.565.5888 or eventmgmt@uttyler.edu to see if the event meets University requirements and to check meeting space availability.

A **Facilities Use Agreement** will be initiated once the online event request form has been submitted.* The agreement must be signed by a representative of the organization who has signature authority to assume full responsibility for payment of charges associated with the event.

- Final payment of the usage fee is due by the invoice due date.
- Organization's proof of insurance (if applicable) is required prior to the date of the event. If needed, UT System offers a competitive rate for a Tenant User Liability Insurance Policy (TULIP). Contact Event Management for a quote.

**The Cowan Center does not use an online form for external clientele. Please email cowan@uttyler.edu.*

SECTION 10

ALCOHOLIC BEVERAGES

Pursuant to [Regents' Rules and Regulations, Rule: 80102](#), alcoholic beverages are prohibited on property and in buildings owned or controlled by The University of Texas System and any of the institutions. However, the President or the President's designee of an institution may waive this prohibition with respect to any event sponsored by the UT System or any of the institutions. An event is sponsored if

- A budgeted office, department, or division of the UT System or any of the institutions is responsible for organizing the event, inviting attendees, and paying expenses related to the event.
- Such an event is still considered to be sponsored even if an outside entity pays for the food and beverages at the event.

Alcoholic beverages may be served in a Special Use Facility being used by a non-institutional individual, group, association, or corporation for purposes permitted by the [Regents' Rules and Regulations, Rule 80106](#). Meetings or events organized and presented by registered faculty, staff, or student organizations are not considered sponsored events.

No alcohol is allowed on campus without the approval of the President, or his/her designee. **State law relating to alcoholic beverages is always strictly enforced.** The Event Contact must agree to the following:

- a) The President of the University, or his/her designee, and the Chief of Police must both approve your request to serve alcohol.
- b) The alcohol provider must be licensed to serve alcohol through the Texas Alcoholic Beverage Commission (TABC).
- c) The alcohol provider needs to have pre-approval from TABC, or a TABC Temporary Permit to serve alcohol, at the UT Tyler event location.
- d) The alcohol provider must provide TABC-licensed bartenders (to be paid for by host) to serve all alcoholic beverages.
- e) UTPD onsite security is mandatory (\$55/hour/person).
- f) Non-alcoholic beverages must be made available when alcoholic beverages are served.
- g) Liquor liability Insurance* that covers seller's liability for the service of alcohol under a Liquor Liability policy, or endorsed onto a Commercial General Liability policy, with limits of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate is required. The University of Texas System Board of Regents, The University of Texas System, The University of Texas at Tyler, and The University of Texas Health Science Center at Tyler should be named as additional insureds with a waiver of subrogation in UT Parties' Favor under the company's liquor liability policy. (Required for any vendor who will be serving alcohol.)
- h) Line-Item G must be provided to the Risk Manager 10 days prior to the event date.
- i) Line Items B - D must be onsite at the event in case requested.

A Permission to Serve Alcoholic Beverages Form MUST be Submitted and APPROVED

Audiovisual Equipment/Assistance for a University-Sponsored Event

For events held in the Cowan Center Auditorium, audiovisual equipment, setup, and staffing are provided by the Cowan Fine Arts Center. Additional fees may apply.

For events held in the University Center, audiovisual equipment, setup, and staffing are provided by the University Center Event Staff Team.

For events held in the Herrington Patriot Gym and outdoor locations, such as the Plaza, an off-campus vendor may be recommended by Media Productions.

It is the responsibility of the requester to ensure that university audiovisual and technology equipment is used in accordance with laws related to the display of motion pictures and/or other copyrighted material. (Section 26)

Information Technology (IT) Assistance for a University-Sponsored Event

Free guest WIFI is available in most buildings using PatriotAir. Note that the Cowan Center locations and the Herrington Patriot Center DO NOT have wireless access available.

The University of Texas at Tyler relies heavily on networked computers and the data contained within those systems to achieve its missions. The [Acceptable Use Policy](#) is to protect these resources in accordance with state law and Regents Rules. Any individual needing access (guest login) to UT Tyler Information Technology is governed by state law and Regents Rules, specifically UTS 165, UT System Information Resources Use and Security Policy and must sign and return a copy of this Acceptable Use Policy to the Department of Information Technology.

If a guest sign in is needed, please contact ITSupport@uttyler.edu well in advance of your event.

Audiovisual Equipment/Assistance for a Non-University Event

Cowan Center Event

All non-university customers in need of audiovisual assistance/training and technology equipment must make their technology needs known to the Cowan Center scheduler at the time of their request. Cowan Center and Media Services staff will determine if they are able to provide audiovisual assistance/training and equipment (possible additional fee) during regularly scheduled work hours contingent upon the availability of staff and equipment.

SECTION 12

FOOD SERVICE | CATERING | FOOD TRUCKS | OFF-CAMPUS VENDORS | SCENARIOS

Net Health Food Safety Guidelines

<https://www.mynethealth.org/services/environmental-health/rules-regulations/>

Definitions

- Food – anything consumed by mouth – ice, water, popcorn, cotton candy, drinks, etc.
- Food Deliveries – food ordered and being delivered/dropped off curbside (**no setup done**) – pizza delivery.
- Catered Event – food cooked at an off-campus vendor’s location for a set number of people and brought onto campus and **setup and/or** served.
- Closed Event – an event not open/advertised to the public – department potluck; student organization watching movie with popcorn.

Due to the population of our University, a campus-wide event to include all faculty, staff, and students is **NOT** considered a closed event.

- Temporary Event – a temporary event is not a closed event, and proof of a “Coordinator Application for a Single Event or Celebration” must be provided to foodsafety@uttyler.edu no later than 10 days prior to the date of the event, only if a vendor has a Temporary Food Establishment permit. If all vendors are vetted vendors with NetHealth permits, the “Coordinator Application for a Single Event or Celebration” is not needed.

As an example, a party with multiple vendors advertised to campus community is considered a temporary event and will require a Temporary Food Establishment permit if out-of-district vendors are used or if food is prepared by the campus community (e.g., chili cook off). Proof of application for this permit must be provided to foodsafety@uttyler.edu no later than 10 days prior to the date of the event. When applying for the Coordinator Permit, NET Health will dictate the food handling and sanitations requirements.

Requirements for a Coordinator Application or Temporary Food Establishment Permit can be found on [NET Health's website](#).
NET Health needs 30 days’ notice.

On-Campus Vendors

Sodexo is UT Tyler’s contracted food service vendor. On-campus food vendors include The Met, Chick-fil-A, Subway, Einstein Bros. Bagels, Starbucks, Wholly Habaneros, tater-licious, Starbucks, and the Swoop & Go Store. Sodexo has a health permit on file with EH&S and is fully insured for all their operations.

The General Manager of Sodexo and/or the Catering Manager will work with the event contact directly to accommodate food-related needs. Catering details, including payment, must be discussed directly with Sodexo.

Orders must be received by Sodexo between 8:00 a.m. and 5:00 p.m. three (3) business days prior to the event. This does not include weekends or holidays.

- **Final guest count:** Must be given five (5) business days (not including weekends or holidays) prior to the event. Changes to the number of attendees after the final count has been given will be accepted at the discretion of the Catering Manager of Sodexo. Cancellations must be made three (3) business days prior to the event to avoid any charges – unless food has already been purchased by Sodexo. In that case, reimbursement of food purchase will be required.
- **Delivery fee:** A delivery fee will be assessed for events held outside the University Center building.
- **Payment:** The final cost will be calculated before the event. Texas sales tax is charged where applicable. Campus departments can only charge cost centers for which they have signature authority or have received permission from the fiscal office.
- **Linens:** Linens are not provided by UT Tyler but can be rented from Sodexo.

Approved Off-Campus Food Vendors and Food Delivery

It is not required that Sodexo be used. However, no off-campus food vendor is allowed on campus unless they are vetted by EH&S and Risk Management, if vendor will be going inside a building, and have a current Health Food Permit and up-to-date insurance. The UT Tyler-Vetted Off-Campus Food Vendors and UT Tyler-Vetted Food Trucks lists can be found [here](#). These are updated regularly. Additional off-campus vendors can be added by following the process found at the same link.

- For events where the food is picked up or delivered curbside:
 - A NET Health Food Permit is required
 - A department ProCard can be used
- For catered events, where food is ONLY SET UP by the outside vendor and not served:
 - A NET Health Food Permit is required
 - Liability insurance is required
 - The UT Tyler department needs to have a contract in place
 - A purchase requisition is required
 - [A ProCard is NOT to be used in this instance](#)
- For catered events, where food will be SETUP AND SERVED by the outside vendor:
 - A NET Health Food Permit is required
 - Liability insurance is required
 - The UT Tyler department needs to have a contract in place
 - A purchase requisition is required
 - [A ProCard is NOT to be used in this instance](#)
- Insurance for a UT Tyler-Catered Event: A caterer is considered a contracted vendor. Therefore, the off-campus food vendor is required to provide a certificate of insurance (COI) that, at a minimum, shows evidence of general liability, commercial auto, and worker's compensation coverage. (Appendix A).
- Food Permit: EH&S must have the off-campus food vendor's current permit on file. It is the responsibility of the event requester to ensure EH&S has a current copy 10 days prior to the date of the event.

- Any vendor that is not from within the NET Health District (meaning they do not have a NET Health permit) must apply for and obtain a Temporary Food Establishment Permit to serve food on campus. This applies to ALL types of events including caterers and food trucks. This process must be started no later than 14 days before the event.
- No cooking of food is allowed in the Alumni House kitchen.
- Food served at catered events MUST be handled and served (or monitored in the case of self-serve hors d'oeuvres) by catering staff to ensure proper food service and handling guidelines are maintained.
 - UT Tyler staff, faculty, and students are not allowed to act as food servers without a food handler's license.
 - The only catered foods allowed to be "self-served" are hors d'oeuvres where catering staff monitor appropriate food handling and utensil use and can promptly remove any contaminated utensils or dishes.
 - The ONLY exceptions to this rule are delivered pizza, prepackaged boxed lunches, and prepared single serve foods such as cookie platters, donuts, bagels, etc. Other exceptions MAY be made at the discretion of EH&S on a case-by-case basis.

Outdoor Events with Food

- Outdoor events serving any food item that is not prepackaged in its original container must observe the following requirements:
 - All areas of food service must be covered by tents – no exceptions
 - If food is being cooked on site, and not contained within a food truck, the vendor must obtain a Temporary Food Establishment Permit
 - Three-bin wash disk sinks with hot water must be supplied
 - Separate hand-wash sinks must be supplied
 - In-building wash facilities are not allowed to be used in lieu of hand-wash sinks
 - A finished floor must be provided – food cannot be cooked in grassy areas
- Vendors bringing food that has been prepared off site must be permitted as noted under the "Food Permit" section under Off-Campus Caterers and Delivery on the previous page.
- Vendors are responsible for providing any hot or cold holding equipment needed to keep their food at a safe serving temperature.
- All food service personnel must wear gloves

Food Trucks

Food trucks are allowed on UT Tyler property if

1. permission has been granted to them by Sodexo, UT Tyler's contracted food service provider; and
2. they are listed on the [UTTyler-Vetted Food Vendors](#) list and are in good standing with the State; and
 - a. If not listed as a vetted vendor, please allow at least three (3) weeks for the process.
 - b. This process can be found on the webpage above.
3. food being provided has been
 - a. **pre-purchased** by a UT Tyler department and/or
 - b. is being sold to customers only in an athletic parking lot

The above is outlined in the **Food Truck Agreement, which is mandatory, and must be approved by Legal prior to the food truck arriving on campus.** Please allow at least 10 days for Legal to review and execute.

NO food can be sold on campus, unless in an Athletic location,
unless PRIOR approval has been received by UT Tyler's Purchasing Department.

Bake Sales and Potluck Meals

Organization/Department potlucks are allowed. Potluck meals must be limited to members of the specific organization or department and should not be opened to other groups or the campus community. It is recommended that any foods that may contain common allergens (e.g., eggs, dairy, shellfish, nuts, etc.) be marked as containing such.

Bake Sales are **not** allowed unless all foods are purchased from a NET Health-permitted facility and are prepackaged in their original containers. Home-cooked baked goods may not be sold or otherwise distributed to the campus community unless the preparer adheres to all aspects of the Texas Cottage Food Law. Details and guidance can be found here: <https://texascottagefoodlaw.com/>.

Bake Sales must be reviewed and approved by Student Engagement (getconnected@uttyler.edu) and EH&S (foodsafety@uttyler.edu) to determine appropriate compliance.

Refer to [HOP 5.14.1 Tailgating](#) for all rules and regulations related to grilling and tailgating on The University of Texas at Tyler (UT Tyler) property. The University reserves the right to restrict any person or persons from grilling on campus.

Locations

Designated grilling zones are at Victory Village, Liberty Landing, Patriot Village, Harvey Deck, UC Patio, Parking Lot 16, and in locations as permitted by HOP 5.14.1 Tailgating. If a different space is desired, approval must be obtained from Environmental Health & Safety (EH&S) prior to the event.

- **Dance Floors:** It is mandatory for a dance floor to be used for dances at the Alumni House. The dance floor must be of a type that does not damage the floor's surface.  - No open flames, candles, or incense are allowed in any building.
 - Decorations and equipment, including "pipe and drape" must not directly cover or obstruct the view or function of any fire alarm notification devices, fire alarm pulls, sprinkler heads, or exit signs.

Parking spaces on Tuesdays and Thursdays are extremely limited and may
NOT BE APPROVED
depending on the number of spaces being requested.

Please consider Monday, Wednesday, or Friday for your event.

UTPD will place cones for the event blocking spaces; however, **your event staff is responsible for pulling the cones for your guests or having your guests remove the cones and park in their designated spot.** Thirty (30) minutes after the start of your event, UTPD will remove the cones and open the space(s) for the students, faculty, and staff.

UTPD reserves the right to decline/approve requests.

How Do I Request Blocked Parking?

- In conjunction with an event/space request: Complete the appropriate event request form in [Astra](#) answering all questions pertaining to your parking needs.
- Event already scheduled in Astra or only parking spot(s) needed: Log into [Astra](#) and use the Parking request form. A quick video tutorial on how to complete this form can be found [here](#).*

**Please Note: follow the instructions on the request form very carefully as it is different than other forms.*

EVENING and WEEKEND REQUESTS
may not be approved.

Events in Parking Lots MUST stay clear of fire lanes.

SECTION 18

STUDENT TRAVEL AND OFF-CAMPUS ACTIVITIES

The University of Texas at Tyler sponsors numerous off-campus activities involving student travel. The risk to the University for such activities is significant. To effectively manage these activities, the Office of Student Success has developed guidelines that can be viewed in Chapter 13 of the [Manual of Policies and Procedures for Student Affairs \(MOPP\)](#). Required forms that must be completed prior to travel can also be found in Chapter 13 or in DocuSign.

For any questions, contact studentsuccess@uttyler.edu

A-frames and T-stands MUST not block egress.

As a UT Tyler representative, it is important to follow The University of Texas System's and UT Tyler's policies. If you are unsure or need further information/clarification on these policies, please consult Chapter 6 of the [Manual of Operating Policy and Procedures for Student Affairs](#) or [UT System Regents' Rules](#).

Questions about this policy can be directed to Student Engagement at getconnected@uttyler.edu.

SECTION 21

HAND-TO-HAND FLYERS

Faculty, Staff, and Students

Members of the campus community are permitted to pass out printed information hand to hand anytime outdoors and indoors. No approval or stamp is needed. The activity must not disrupt operations, block traffic, or share information that is prohibited by Federal/State laws.

SECTION 22

YOUTH PROTECTION | YOUTH PROGRAMS | CAMPS

Scheduling & Conference Services (SCS) and the Youth Protection Program Committee created UT Tyler's [HOP 7.17 Youth Protection Policy](#). It provides oversight and training for Youth Programs held on university premises or operated by the University which have recreational, athletic, religious, or educational activities for the attendees. This includes all camps or programs covered by Texas Education Code, [Chapter 51, Section 51.976](#), as well as any camp, program, internship, mentorship, event, or activity held on UT Tyler-owned or controlled premises, or sponsored or supported by a UT institution that offers recreational, athletic, religious, or educational activities to Youth Participants which includes online programs.

This policy does not apply to university course-based academic service learning or research approved by the Institutional Review Board ("IRB").

This policy applies to university employees, affiliates, student workers, volunteers, contractors, and visitors and to all campus programs for minors (Youth Programs) held on university property, as well as those programs sponsored by the University.

UT System's Camp and Clinics Policy Guide

Per [HOP 7.17 Youth Protection Policy](#), camp coverage is required for all university camps with minor children. This program provides Excess Accident and General Liability coverage for enrolled UT-Tyler owned camps and clinics held throughout the year. Coverage is available for both sport- and academic-focused camps. More information can be found on [UT System's Risk Management Systemwide Insurance Programs](#) website.

For UT System's Camp Program Insurance, complete the online application [here](#). It could take at least three (3) business days to receive a certificate of insurance.

If you have a youth program, please contact yp@uttyler.edu for more information.

SECTION 23

ACCIDENTS | INJURIES | SEVERE ILLNESS ON CAMPUS

During events, accidents, injuries, or serious illnesses can occur. In the event of any accident, injury, or serious illness involving anyone on campus during an event, the University Police Department should be immediately notified at 903.566.7300. An officer will respond to assess the situation and notify emergency services. If the situation is life-threatening, dial 911. They will dispatch University Police and other emergency services.

Once the situation is under control, paperwork will need to be completed to document the incident and begin a cause investigation.

- For injuries involving a student or visitor on campus, complete the [Student and Visitor Report of Injury form](#) or contact safety@uttyler.edu.
- For injuries/illnesses involving an employee performing duties related to their job during an event on campus, the employee, visit [Human Resources' Worker's Comp / Work-Related Injury Information and Forms Website](#).

SECTION 24

ONSITE SECURITY

All requests needing onsite security (e.g., event with alcohol, prom, crowd over 500 attendees) must be in [Astra](#) at least sixty (60) days prior to the event. Requests will be reviewed and security requirements, if any, will be solely decided by The University of Texas at Tyler Police Department (UTPD).

Security is provided by UTPD. If outside security personnel are also preferred, UTPD must be contacted for approval under UTS 170. If approval is granted, any additional security personnel will report to the UTPD officer in charge of the security operations.

If attendance at an event exceeds that communicated in the contract, or if the safety code capacity is reached, UTPD will require the event sponsors to cease admitting guests or terminate the event.

Events that are planned to extend beyond normal building hours must be authorized by Scheduling & Conference Services, so arrangements are made for securing the venue and the building.

Maps referencing emergency locations are on each floor of each university building.

SECTION 25

Certified Crowd Managers

The National Fire Prevention Association (NFPA) created code requirements for management plans and crowd control measures for certain types of **events** in assembly occupancies. Environmental Health & Safety (EH&S) serves as the local Authority Having Jurisdiction (AHJ) relative to NFPA 101 Life Safety Code, 2012, compliance for all the UT Tyler facilities and property.

- **When do I need a Certified Crowd Manager (CCM)?** Section 13.7.6.1 – Certified Crowd Managers in NFPA 101 Chapter 13 – Existing Assembly Occupancies states:
 - “Assembly occupancies [50 or more persons] shall be provided with a minimum of one **trained** crowd manager or crowd manager supervisor. Where the occupant load exceeds 250, additional crowd managers or crowd manager supervisors shall be provided at a ratio of one crowd manager or supervisor for every 250 unless otherwise permitted...” as in note 2 of that section:
 - (Note 2) “The ratio of trained crowd managers to occupants shall be permitted to be reduced where, in the opinion of the AHJ, the existence of an approved, supervised automatic sprinkler system and the nature of the event warrant.”
- **What types of areas at UT Tyler are considered “assembly occupancies”?** Those applicable to UT Tyler includes, but are not limited to, the following areas: assembly halls, auditoriums, classrooms, gymnasiums, theaters, and restaurants. At UT Tyler, certain locations are frequently used as assemblies:
 - Alumni House (ALH)
 - Athletic Venues*
 - Cowan Center Vaughn Auditorium
 - Health Science Campus – Amphitheater (HSG 3215) and Lobby (HSG 3214)
 - Health Science Campus – Hudnall Hall Auditorium (HSD 247)
 - Health Science Campus – President’s Event Center (HSH 127/HSH 128)
 - Herrington Patriot Center (HPC)
 - LIB 401
 - Ornelas Activity Center (OAC)
 - Outdoor Locations (e.g., Patriot Plaza, Harvey Deck, Parking Lot, etc.)*
 - Physical & Health Education (PHE)
 - University Center (UC)

**When outdoors, CCMs are not needed until the crowd reaches 1,000. At that point, five (5) CCMs are needed with one (1) needed for every additional 250 persons.*

- **When am I required to have an Event Management Plan?** Approved plans are required for events with **50** or more people in attendance that are generally not expected to be familiar with the facility. Some examples of events requiring a plan include:
 - Convocation, commencement, non-UT Tyler graduation ceremonies, large banquets, events to which the public is invited, and summer camp activities
 - A lecture or performance open to an audience that is not likely to be familiar with the venue
 - Special athletic events such as basketball or volleyball playoffs

- Expositions – events which the display of products or services is organized to bring together the provider and user of products or services and include trade shows, job fairs, vendor fairs, poster board educational displays in association with a conference, etc.

Exit egress impediments such as curtains, poster boards, stanchions, etc. require a deployment plan approved by the AHJ or must be removed. Reference NFPA 101: 7.5.2 – Impediments to egress.

- **Do I need a new Event Management Plan every time I hold an event in an assembly occupancy?** No. Once a plan is approved for a specific type of event in a specific venue, then a previously approved crowd management plan may be used without further consultation with EH&S. A new plan is not necessary.
- **What is the cost of a Certified Crowd Manager?** Each department is required to provide their own certified crowd manager. Fire Marshal Support Services, LLC provides a [Crowd Manager Training Online Course](#) for only \$24.95. The certificate is good for two (2) years. Send the certificate to eventmgmt@uttyler.edu when the course has been completed. Scheduling & Conference Services will notify you when you need to renew your certification.
- **I am a faculty member / instructor who routinely teaches in one of the lecture halls / large classrooms. Do I need to have an event management plan and crowd managers?** No. An event management plan and crowd managers are not necessary for regular classes if you comply with the classroom use and seating capacity limits. Student occupants should be familiar with the space after basic instruction on exiting during emergencies and restroom locations given during the initial class period.
- **Who can serve as a Crowd Manager or Crowd Supervisor?** Certified crowd managers may be faculty, staff, instructors, coaches, or other individuals who have taken a crowd manager training course – to include ushers, guards, and police officers who are familiar with the facility and can assist with maintaining clear exit pathways and directing occupants to safe exit egress from the building in case of emergency.
 - Fire Marshal Support Services, LLC provides a [Crowd Manager Training Online Course](#) for only \$19.95. The certificate is good for two (2) years. Send the certificate to eventmgmt@uttyler.edu when the course has been completed.
 - UTPD can provide guards or police officers to assist with events. The fee for UTPD onsite presence is at a rate of \$55/hour/person. However, if UTPD is being paid for onsite presence due to crowd control and/or alcohol, they cannot serve as the CCM.
 - A *Pre-Event Checklist for Crowd Managers* is provided in Appendix C.
- **How do I get my Event Management Plan approved?** Contact EH&S at safety@uttyler.edu.
 - Please allow at least 2 weeks' notice prior to the event for review and approval.
 - There is no cost to UT Tyler departments for EH&S' AHJ review and approval of Event Management Plans.

SECTION 26

SHOWING MOVIES ON CAMPUS

Most movies¹ are protected by copyright law, which gives exclusive rights to the copyright owner, including public performance rights. The law also provides some exemptions.

Any movie shown in a public place (including an auditorium or meeting room) or to any “substantial” group beyond the normal circle of family and friends is considered a public performance. Whether or not there is a charge to view the movie does not matter.

The law includes some important exceptions. Section 110 of the Copyright Act provides a specific exemption to the licensing of what is clearly a public performance – face-to-face teaching.

- Performances and displays of audiovisual works must be made from legitimate sources, such as pre-recorded videocassettes. Copies made from legitimate sources or broadcasts are not allowed.
- Performances and displays must be part of the systematic course of instruction and not for entertainment, recreation, or cultural value.
 - The instructor should be able to show how the use of the motion picture contributes to the overall course study and syllabus. (A copy of the syllabus may be requested to verify activity.)
 - The course does not have to be a credit course but must be one recognized by the institution and for which students must register.
- The instructors or pupils must give performances and displays from the same location in which it is viewing screened; no broadcasting from outside sources (such as closed-circuit television) is allowed.
- Performances and displays must be given in classrooms and other places devoted to instruction.
 - Library screening rooms, residence hall lounges, rathskellers, and cafeterias **do not** qualify.
 - Performances must take place during the scheduled class time.
- Performances and displays must be a part of the teaching activities at a non-profit educational institution. Businesses that conduct educational seminars and certain technical schools do not qualify.
- Attendance is limited to the instructors, pupils, and guest lecturers.
 - Only students registered for the class may attend the screening.
 - No fee specific to the screening may be charged.
- There may be certain other circumstances in which Section 110(1) would permit a movie to be publicly shown without permission from the copyright owner. The circumstances are narrow, however, and **no such showing should occur without prior consultation with the Office of Legal Affairs.**

Some movies are not protected by copyright and may be shown without restrictions. Movies that are either in the public domain (generally those published before 1929) or created by the U.S. government may also be viewed publicly without obtaining permission. Additionally, there are some copyright owners who explicitly make their work available with few restrictions.

¹ This document uses the term “movies” to include motion pictures and other audiovisual works in all formats. For more information, see the UT Tyler Copyright Guidelines website available [here](#).

Unless mentioned above, ALL other showings of movies require permission from the copyright holder before they can be shown. It is the responsibility of the sponsoring department or organization to secure permission or pay a license fee for any public showing. Permission is usually granted only after paying a licensing fee which generally ranges from \$200 - \$1,500. Some films will cost more.

If the request for performance rights is denied or not received prior to the scheduled showing, the movie cannot be shown on campus.

How to Secure Performance Rights

In many cases, obtaining performance rights is easy and the cost is reasonable. However, in some cases, it is difficult or impossible and/or prohibitively expensive. Therefore, any department or organization wishing to show a specific film is advised to begin the process early.

Contact Student Engagement with the name of the movie and how it will be used. As they frequently show movies, they are a good resource to see what is and what is not needed.

One of the easiest ways to get performance rights is to obtain a movie available from one of the companies who license movies on behalf of the film companies. (It is sometimes possible to obtain the movie locally and just pay one of these companies the licensing fee.)

To take advantage of the Student Engagement 20% discount from Swank Motion Pictures, please contact getconnected@uttyler.edu.

All companies are listed below:

- [Swank Motion Pictures](#)
- [Criterion Motion Pictures](#)
- [Kino International Corporation](#)
- [Milestone Film and Video](#)
- [Motion Picture Licensing Corporation](#)
- [New Yorker Films](#)
- [Movie Licensing USA](#)

FYI: A license dated September 11, 2013, for a public performance license of a documentary cost \$99.00. A license dated September 18, 2003, for a one-time showing of the films Ordinary People and A Beautiful Mind cost \$331.00 per film for a total cost of \$662.00. (However, please keep in mind that the cost of the movie is also based on the audience size.)

If a movie is not available from one of these companies, permission may sometimes be granted directly from the copyright holder. The movie's website or the package that contains the movie will indicate the copyright holder. In most cases, this will be the movie studio.

Information on how to contact the company can usually be found on the company's website. The copyright holder may request information regarding the name of the organization who will be showing the movie, the title and format of the requested movie, where and when the movie will be shown, the anticipated size of the audience, whether there will be an admission charge, and contact information.

As noted above, if the copyright owner grants performance rights, it will generally be for a fee; and performance rights must be received prior to the showing of the movie.

For more details about how to secure permission, see the University of Texas Libraries' Getting Permissions website [here](#).

Please remember that whenever paying an outside vendor, as in the case of obtaining public performance rights, UT Tyler's purchasing procedures must be followed.

More than likely, **a contract will need to be approved by Legal.**

SECTION 27

SUPPORT SERVICES

A list of contact information can be found on the [Event Management](#) website.

Scheduling

- **Room, Setup, and Furniture** (tables, chairs, podiums, etc.) requests are via [Astra](#).
- **Door Unlock Assistance** is provided by The University of Texas at Tyler Police Department (UTPD). Please indicate on the Astra event request form that you need the door unlocked – if needed, detail specific building entrance doors in the Setup Details portion of the form. One (1) day notice is needed.
- **Reserved (Blocked) Event Parking** is requested via Astra. Please indicate the number of spaces needed and the parking lot number on the Astra event request form or complete the Parking request form located in Astra.
- **Audio Visual Equipment** is requested via Astra. Please indicate on your event request form if any additional equipment is needed for your event.
- **Zoom/Teams Assistance** by Technology Support (TS) is reserved via Astra. Please indicate on the Astra event request form if their assistance is needed. There is a **mandatory 5-day lead time** for this request. TS reserves the right to decline the request if not submitted within 5 days of the event date.
- **Porter (Housekeeping) Services** are reserved via Astra.
- Any item associated with an event is scheduled via Astra. Contact Scheduling & Conference Services (SCS) for any questions at eventmgmt@uttyler.edu.

Event Setup

- In the case of a **large-scale event (i.e., 500+ attendees)** an **Operational Plan must be completed** by the hosting department and **logistic meetings must be scheduled** for all departments involved.
 - Environmental Health & Safety (EH&S), SCS, UTPD, Risk Management, Purchasing, Facilities, and any other department needed for the event's success (e.g., HPC, Cowan Center) are a few.
 - **Please contact vbond@uttyler.edu for an Operational Plan template at least two (2) months prior to your event along with a list of individuals who need a copy of the Operational Plan.**
- For any deliveries to the inside of campus (e.g., furniture delivery to the Plaza, food truck on The Met Patio), it is **mandatory** that someone from Facilities be onsite as a “walker” to safeguard pedestrians.
- Event Setup Teams
 - The Facilities Setup Team is responsible for managing and completing all event setups at the Main Campus locations, except the University Center.
 - All event setups within the University Center are coordinated and executed by the UC Operations Team.
 - Sodexo Housekeeping oversees and completes setups at Health Science Center locations.

- For non-UT Tyler events that require setup/teardown outside of normal business hours (before 7:00 a.m. and after 3:00 p.m.) and on the weekends, an overtime fee may be charged to cover associated costs. To obtain a quote, contact eventmgmt@uttyler.edu.
- Nonstandard setups should be coordinated with SCS. All setups must comply with fire code room capacity and egress requirements. All events must meet the Americans with Disabilities Act (ADA) accessibility guidelines.
- An off-campus rental company's name and date/time of delivery/pickup must be provided to the specific event setup team.

It is a violation of the Fire Code to add chairs or to stand in any room with fixed seating.
Doing so endangers attendees and puts your event at risk of being cancelled
immediately without being rescheduled.

Porter/Housekeeping Services

The Facilities Department provides event porter/housekeeping services on the Main Campus. Sodexo provides event porter/housekeeping services at the Health Science Center. The number of porters to work an event and the number of hours worked is at their discretion.

- **Faculty/Staff/Student Organizations:** To safeguard UT Tyler's facilities, Event Management will request an onsite porter for all events serving food, events with 50+ people, or events occurring outside of normal business hours.
- **Cowan Center:** Porter services are mandatory for any event held in the Vaughn Auditorium, White Lobby, or Green Room.
- **External Client:** Event porter services may be charged for a joint-sponsored or external-client event. A quote can be obtained by contacting Scheduling & Conference Services.

Feel free to contact eventmgmt@uttyler.edu to obtain a quote for porter services.

SECTION 28

MARKETING & COMMUNICATIONS

Brochures and Printed Materials

Marketing and Communications (M&C) coordinates the design and production of brochures, posters and various other publications and printed materials used by departments for recruitment or general awareness of the university.

Design services are available through M&C's creative services team. Outside designers may also be used; however, **ALL materials must be reviewed by M&C during the production process and prior to being printed.** This is to maintain compliance with the brand and editorial guidelines.

If photographs are needed, please complete the online Images Request form found at <https://www.uttyler.edu/offices/marketing/web-requests/index.php>.

UT Tyler Logos and Registered Trademarks

The official logos and the name of The University of Texas at Tyler are trademarked, and each use **must** be approved to ensure compliance with UT System and university policies. More information can be found <https://www.uttyler.edu/offices/marketing/brand/>.

Promotion of Your Event

M&C may provide promotional support for upcoming events. News releases, advertising, and the use of The University of Texas at Tyler's name and logo must be approved by M&C.

Video Recording and Photography on Campus

Several state laws, Regents' Rules, and The University of Texas at Tyler policies govern photography or filming on campus, including a Regents' Rule that provides requirements for filming television productions on campus (Rule 80107).

There may be a requirement to

- obtain a permit for filming or photography,
- obtain insurance, and
- obtain releases from persons who may appear in the photograph or film.

Some campus images, such as the Riter Millennium Carillon Bell Tower and the Turtle, are iconic images and permission must be obtained from M&C if used professionally. Anything depicting UT Tyler branding also requires prior approval.

No photography or filming for a political advertisement can occur on campus nor the use of any institutional logos or trademarks in political advertisements. If unsure about the intended use of the photograph or film, ask for clarification from the candidate or officeholder.

For more information and approval, please contact Marketing & Communications at web@uttyler.edu
