

PROGRAM MILESTONE AGREEMENT FORM

STUDENT INFORMATION

Name:	SID:
Date:	Semester/Year Admitted:
Advisor:	

This form is provided for the purpose of informing students about the academic milestones that they will be expected to reach in order to earn their Ph.D. degree as well as when they are expected to complete these milestones. Advisors will work with each student to customize the list of responsibilities included in the agreement. Students are expected to reach each milestone within the specified time period in order to make satisfactory progress through the program. Students who are not making satisfactory progress may lose funding, be placed on academic probation, or be dismissed from the program. *If a student has ongoing concerns or grievances related to his or her Milestones Agreement, the student should follow The University of Texas at Tyler's grievances policy and procedures as outlined in the University catalog and the Clinical Psychology Ph.D. Handbook (2019-20)*

Academic Advising

Upon entering the Clinical Psychology Ph.D. program, all students will be assigned a faculty advisor. The advisor will be a core faculty member of the Clinical Psychology Program.

Academic advising includes the following elements that are designed to ensure that students remain in good academic standing and make satisfactory progress through the program. Advisors are responsible for the following:

- Ensuring that annual reviews between student and advisor occur. The results of this review will be included in the program's annual doctoral progress report.
- Providing guidance on appropriate course selection
- Reviewing the student's Degree Plan to determine if the student is making progress consistent with the expectations of the program and reaching milestones according to the timeline provided on this form
- Clarifying the timetable for completing any remaining course requirements, examinations, and other requirements
- Providing the student with assistance in understanding the requirements for successful completion of dissertation
- Providing the student with assistance in assembling a dissertation committee
- Providing the student with experiences and information that will optimize the student's career opportunities and success
