New Student and Family Programs EX/L Project Proposal

**Project:** Gather information from events happening on campus and create a newsletter for our Patriot Parent Association.

**Purpose of the Project:** To inform parents and family members of things happening on campus.

**Learning Objectives:** To strengthen research and journalism skills as well as grow your creativity.

**Responsibilities:** Gathering data regarding athletic events, student life, academia, and sometimes conducting interviews to build a newsletter that is informative yet entertaining. Student will choose their method of creating the newsletter (Canvas, Adobe Illustrator, Photoshop, etc.) then deliver 2 newsletters for the fall semester.

**Outcome:** The student will help create a new standard for our office’s newsletter. They will have the opportunity to work autonomously and complete the project with creative freedom.
