

# EX/L Project Program

## Statement of Understanding

Students who are offered a project under the EX/L Project Program must read and sign the following statement of understanding to ensure that they are aware of the expectations of the position.

- Participation in the program does not qualify students for in-state tuition.
- There is no monetary compensation for participating.
- Students must submit a weekly update to their supervisor by Friday of each of the 10 weeks.
- Students must work out a schedule with the project supervisor for 10 hrs per week for each of the 10 weeks.
- If the weekly reports are not received, office hours are not kept (this also means being on time), and/or performance does not meet expectations, EX/L students will be counseled by the supervisor to resolve the issue. Three infractions will result in removal from the program.
- Violation of the UT Tyler Honor Code will result in immediate removal from the program.

I understand the requirements and expectations of the EX/L Project Program.
