Steps to Success

Freshman Year - Consider Your Choices
- Check out the possibilities for majors and consider your dreams
- Start strong academically - don’t slack off!
- Go to career fairs and job markets to see what your choices may be

Sophomore Year - Find Your Path
- Decide on a major that fits your ambitions
- Develop relationships with faculty and advisors
- Consider research options
- Look for internship opportunities in your field

Junior Year - Set Your Goals
- Begin to plan your graduate school journey
- Explore admissions tests (GRE, GMAT, etc)
- Visit graduate school campuses
- Set concrete job goals and look for degrees that will get you there

Senior Year - Prepare Your Future
- Apply to graduate school
- Take admissions tests
- Keep track of your applications and submitted documents
- Explore financial aid and funding options
