Student Leadership Summit

5 members register & attend | 300

Updated 8/17/2012
ATTENDANCE

Points for certain events will be based solely on the ratio of attendance for each Greek organization based upon size as indicated by the most recent roster printed from the ICS database. Points will be awarded according to the scale provided. Attendance is based on new members and active members only (no alumni, inactive members, etc.)

GAC’s: points will be earned for members signing in at all meetings attended.

CAB events, Athletic Events, SGA Events: points will be earned by having a chapter representatives submit a picture of chapter members in attendance at the event as well as a list of those members no later than 5 days after the event. This information must be submitted via e-mail to the Office of Greek Life.

LEADERSHIP SUMMIT

Greek organizations can earn 300 points if they have 5 active chapter members register and attend the event (all-inclusive). Names will be verified on the check-in sheets and documentation provided by the Leadership Summit. Registration is available through the Department of Student Life & Leadership and open to all students.

GRADE POINT AVERAGE (GPA)

Greek organizations will receive points for cumulative chapter GPA’s that rank in the top 3 spots among Greek groups. Third place: 75 points, second place: 150 points, first place: 300 points. 200 points will be awarded to the group with the highest semester GPA for that semester.

Points for the 2012-2013 Greek Cup will be based upon the chapter grade reports for spring 2012 as well as fall 2012.

STUDENT ORGANIZATION PRESIDENT’S COUNCIL (S.O.P.C.)

Organizations will earn 50 points for every SOPC meeting at which they are properly represented. Please contact the Department of Student Life & Leadership for specific details regarding these meetings (date, time, location). Be sure you and/or your representative signs in at each meeting to ensure your points are earned.

INTRAMURALS

Organizations can earn 50 points for registering a team in IM sports. In order to earn 50 registration points, teams must follow these guidelines:

- Teams must consist of new members and active members ONLY (no inactive members, alumni, non-Greek students, etc.)

- Only one team per sport will account for the 50 points earned; any additional teams registered in the sport will be at the will of the respective fraternity/sorority and encouraged to participate, however, they will not earn Greek Cup points for registration.
- Teams mixed with affiliated and unaffiliated individuals will not earn points toward the Greek Cup.
- Co-ed Greek teams will earn registration points for their respective organizations, however, they will not earn points for their groups if a championship is won.

If an IM championship in a sport is won by a fraternity/sorority team, their organization will earn 500 points.

**COMMUNITY SERVICE HOURS**

Organizations will be awarded 1 point for every hour of community service contributed by active members and new members. Community service hours can include any activity where time is given...donations as well as set-up, clean-up, or staffing for events where no formal ‘action’ of service is given do not count for service points for the Greek Cup (i.e. bake sales).

Organizations will also receive 150 points for turning in the service hour report form by the designated deadline each month. Even if an organization does not complete any service hours for that month, they can still receive the points for turning in the form on time.

Community service hours are to be turned in to the Office of Greek Life on a monthly basis through the form provided on the Greek Life ‘resources’ website by the deadline assigned from the Office of Greek Life. Hours must be turned in with the event, description of event, names of members, hours completed per member, and the Chapter Name & Month listed at the top of the form.

If a chapter submits and earns 100 community service hours (that meet the description listed above) for that month, that chapter will receive a 300 point bonus for that month. These bonus points are awarded on a monthly basis, so hour totals will not carry over from month to month in order to qualify.

**COWAN CENTER EVENTS**

Organizations may turn in ticket stubs from Cowan Center events to the Office of Greek Life for 5 points each for a maximum of 10 ticket stubs per group per event (i.e. a maximum of 50 points per event). Each ticket stub must have the participant’s name printed legibly and signed by the participant before being submitted to the office. In order to qualify for points, the ticket stubs must be turned in no later than 5 days after the conclusion of the event.

**HOMECOMING**

There are three ways an organization may earn points during homecoming.

1) A chapter can earn 50 points simply by registering their organization for participation during UT Tyler homecoming events. REGISTRATION IS REQUIRED, IN ORDER TO EARN POINTS. You must register through Student Life & Leadership for the homecoming spirit competition. Your organization may opt to not to participate in the spirit competition, but you must register so that all points can be properly recorded and sent to the office.
of Greek Life. IF YOU DO NOT REGISTER, YOU WILL NOT EARN ANY POINTS DURING HOMECOMING.

2) **25** points will be awarded per event that an individual organization wins during homecoming.

3) Organizations will earn points for finishing in the top 3 out of all organizations participating. Overall Homecoming winner: **200** points; Second place: **100** points; Third place: **50** points*

*Due to the process of planning Homecoming activities, these points may or may not apply to the current year. For example, if the Homecoming schedule does not have said spirit competition to allow for an overall winner, those points will be invalid.

**REC SPORTS/GREEK LIFE DODGEBALL TOURNAMENT**

Greek organizations will receive **100** points for registering a team for the tournament (same regulations apply as Intramurals as stated above for co-ed teams and Greek teams with multiple groups represented). Teams can also earn **250** points for their organization by winning the tournament championship.

**PATRIOT DAYS**

A chapter can earn **50** points simply by registering their organization for participation during UT Tyler Patriot Days events. For Patriot Days 2013, your chapter can earn **50** points by either having a chapter member be a part of the Patriots Got Talent show or registering in the Field Day events. You can only earn points for registration *once* (i.e. you do not get 50 points for a Patriots Got Talent participant and another 50 points for a Field Day team).

**COMMUNITY EVENTS**

Greek organizations will receive **5** points per chapter member that attends a community event and submits proof of attendance to the Office of Greek Life for a maximum of **50** points per event.

The proof of attendance may be in the form of a program with the chapter member’s signature on the program, a picture of the chapter member at the event, or a ticket stub with the member’s signature on the back. Proof of attendance shall be turned in *no later than 5 days after the event* (unless holiday schedules apply).

Community events are events held in the local community of Tyler and include (but are not limited to) city of Tyler-sponsored events, Chamber of Commerce events, Mistletoe & Magic, Azalea Trail run & festival, Festival on the Square, etc. Attendance at these events does not count for community service points. Please check with Greek Coordinator if there is a question on what qualifies as a community event.
