The mission of the office of Greek Life at the University of Texas at Tyler is to promote excellence in scholarship, leadership, and service while challenging members to live according to the principles outlined by their own organizations. The Office of Greek Life strives to enhance the collegiate experience of fraternity men and women and their involvement in the Greek community through leadership opportunities, educational programs, and other services aimed to develop the students through their journey of becoming UT Tyler and Greek alumni.
ATTENDANCE

Certain events during Greek Week 2013 will be based solely on attendance. As we are a diverse Greek community, there will be a unique system in place by which points are awarded.

**Attendance Incentive:**

1-49% of active membership in attendance = 50 points
50-74% of active membership in attendance = 100 points
75-99% of active membership in attendance = 150 points
100% of active membership in attendance = 200 points

**Double attendance incentive:**

1-49% of active membership in attendance = 100 points
50-74% of active membership in attendance = 200 points
75-99% of active membership in attendance = 300 points
100% of active membership in attendance = 400 points

The “active membership in attendance” will be based on those who are available for the event. This means that those who are on the “excused list” for events will not be figured into this percentage.

*Percentages will be rounded up or down to the nearest whole number.*

**Excused List/ Class Schedule Accommodations:**

- Members will be eligible for an excused absence if they have class during the time of an event.
- Note: Work will not count as an excused absence.
- The president or appointed representative of each fraternity/sorority is expected to submit all excused absences for ALL Greek Week events by **Friday, March 8.**
- When submitted, the excused list shall be broken down by day and by event.
- Members that are on the excused list will not be able to check-in for points at the event.
- If the excused list is turned in past the deadline, you will receive a 75 point deduction from your attendance point total.
- If no excuses are turned in at all, every member listed as active on your roster will be counted for each attendance based event.
