Location of Classroom: HPC 3055

COURSE DESCRIPTION, GOALS AND LEARNING OUTCOMES:

Course description and goals: This course is designed to give students the knowledge and understanding necessary in order to apply the physiological principles of exercise training for improvement of muscular endurance, strength and power. This course includes the study of resistance training programs for enhancing health, fitness and performance of various populations. The information covered by this course will help students learn how to facilitate rapport, adherence, self-efficacy and behavior change in clients, as well as design programs that help clients to improve muscular endurance and strength, posture, movement, flexibility, balance, core function, and cardiorespiratory fitness.

Learning Outcomes: Upon completion of this course, the student will be able to:
1. Apply the principles of exercise science, human anatomy, and biomechanics to movement design and exercise instruction.
2. Identify the principles and methods of training for muscular strength, endurance, power, flexibility, and cardiorespiratory endurance.
3. Gain a better knowledge of how to develop and administer safe and effective strength training and conditioning programs.
4. Demonstrate the ability to individualize exercise instruction for apparently healthy adults and special populations using an exercise progression model.
5. Exhibit the communication skills needed in personal fitness instruction.

INSTRUCTIONAL METHODS:

Classes will consist of a mixture of lecture, discussion, working of problems, and evaluation of cases. Student activities will include though may not be limited to: (a) textbook and articles readings; (b) completing assignments, including solving of problems; (c) participating in small-group and whole-class discussions; and (d) completing exams. Students are expected to read assigned material before coming to class and must be prepared to discuss the previously assigned readings (including handouts). That is- READ beforehand! Active participation in the classroom is strongly encouraged!
COURSE POLICIES:

Professionalism: Students are expected to arrive on time for class. It is expected that students will display a professional attitude at all times, including being attentive during lectures and being respectful to the instructor and fellow classmates.

Attendance: Although attendance is not required, it is important because we will cover some information in class that will not be covered in the textbook. Although you will not directly earn or lose points based on your attendance, your success in this class will depend on your attendance and the effort you put forth. Do not expect to do well if you do not attend class regularly.

IMPORTANT: Monday, November 5th is last day to withdraw from class with automatic grade of W. (Disclaimer: My alerting to this date in this syllabus does not make this UT Tyler's official withdrawal date. You should check UT Tyler’s official calendar to verify this date.)

Group Activities and/or Assignments: All group activities and/or assignments will be given out during class times and are to be turned in on time. Some group activities and/or assignments will be turned in during class and/or online through Canvas.

Note: Spelling and grammar will be graded on all group activities, assignments, quizzes, and exams.

Canvas and E-mail: Canvas will be used in this class as a means to help you prepare for class meetings. Important class resources, including the syllabus, lecture notes, grades, announcements, external links, assigned readings, study guides, and other assignments or materials will be distributed through this site. You should consult it frequently. Please check your patriots e-mail account as this is where the instructor will send all announcements to.

Note:

a. The instructor will not send any e-mails to private accounts such as Yahoo, Gmail, Hotmail, etc.

b. When e-mailing the instructor (or any other faculty or staff members), please be sure to use proper etiquette in on-line communication, including the proper use of spelling, grammar, and punctuation. There are numerous resources on e-mail etiquette on the web and you are expected to review some if you are not familiar with these accepted procedures.

c. All e-mail communication from you to me should reference “KINE 4305-001” in the subject line. If it does not, the likelihood of it being read by me decreases.

d. Due to teaching and research loads and the size of this class, it may take me a day or two to respond to e-mail; however, I will make every effort to respond to e-mail on the same day. Please note that emails received on the weekends (late Friday through early Monday) will generally be responded to on the following Monday.

Make-up: Unless you contact the instructor ahead of time, late assignments will be penalized 50%. After one week, late work will not be accepted at all and a zero will be given for that grade. Contact the instructor before the due date if you will be unable to complete it and want to avoid a penalty. Please do not email the instructor group activities, assignments and/or projects unless otherwise asked to. A missed exam without a prior excuse receives an automatic zero. An excused, missed exam must be taken before the next class (arrange with instructor).

Technology: Cellphones are not allowed in the classroom during lectures, assignments, quizzes, and/or exams. Cellphones must be turned to "OFF" or "SILENT" (not VIBRATE) during class. Place your cellphones inside your backpacks or in your pockets. If I see it or hear it, there will be an automatic deduction of 20 points off your total points at the end of the semester. If you need it in case of an emergency, please see me before class.
Laptops and iPads are okay to use in class, but only for taking notes. If I catch you browsing the internet, playing solitaire, or anything else unrelated to the class, you will be asked to not bring it to class anymore and an automatic deduction of 20 points off your total points at the end of the semester.

**Class distractions:** Please do not participate in any activity in the classroom that may be a distraction to other students or the instructor. This includes talking to neighbors during lectures or discussions, eating, texting, instant messaging, checking e-mail, surfing the web, etc. *Finally, class will begin at 8:00 a.m.* Please be on time.

**Quality of work:** All written work, including exams and assignments, must be written legibly or typed according to the assignment instructions. All work turned in will be graded with rigor appropriate for senior-level standing.

**Copyright:** All handouts used in this course, including those delivered via Canvas, are copyrighted. The term “handouts” refers to all materials generated for this class, which include but are not limited to syllabi, quizzes, exams, Power Point slides, outlines, lab problems, in-class materials, review sheets, and additional problem sets. Because these materials are copyrighted, you do not have the right to copy the handouts, unless I expressly grant permission.

**COURSE REQUIREMENTS AND EVALUATIONS:** Some modifications may be necessary due to time, facility, and/or equipment constraints.

**Exams:** There will be 3 regular exams (Exam 1, Exam 2 and Exam 3 (final)) given during the semester. Exams might consist of some short-answer questions (i.e., three or four whole sentences), short essay (i.e., two to three paragraphs), and long essay (i.e., more than four paragraphs) questions, and/or diagrams. The exams will be based upon material covered in the reading assignments, lectures, quizzes, discussions, and group work. Be sure to arrive to class early on exam days. Exams will start no later than 8:00 a.m. and will end no later than 9:20 a.m. If you arrive after an exam starts, you should take your seat quietly so as to not distract others. If you arrive after the first exam is completed and turned in by another student, you will not be allowed to take the exam.

**Final Exam (Exam 3):** The final exam will be held during the scheduled final examination period and will be cumulative (i.e., comprehensive). The final exam for this class is tentatively scheduled for **Tuesday, December 11th from 8:00 to 10:00 a.m.** However, this date or time may change when the university releases its official exam schedule later in the semester.

Make-up exams will be given only for university-approved absences (flat tires, vacations, oversleeping, etc. are NOT valid university-approved absences). Since University-approved activities (i.e., athletic events, performances, religious observance, etc.) are generally known at the beginning of the semester, it is up to the student to notify the instructor during the first two weeks of class if there is a conflict with any of the scheduled exams. In such an event, a makeup exam will be given prior to the exam to be missed. If the absence is due to illness, the student should contact the instructor immediately and proper documentation (e.g., doctor’s note) should be presented to the instructor upon their return.

**Short-answer quizzes:** The quizzes will include two or three short answer questions from the lectures and/or the reading assignments. There will be several unannounced quizzes throughout the semester. These quizzes will usually cover material presented in the previous lecture, but may cover the previous two lectures. If you are not in class when the quiz is handed out, you will not be allowed to take it. *Therefore, you should make every effort to attend class and to be in class on time.* The quizzes will expose the students to the types of questions that may be asked of them on the exams.
**Evaluation:** Total 300 points

Exam 1 65 points
Exam 2 65 points
Final Exam (comprehensive) 80 points
Class project - Exercise prescription 30 points
Quizzes 15 points
Group Activities and Assignments 45 points

**Extra Credit:** Do not count on extra credit to be given in this class. It is not fair to the class as a whole to presume the instructor will give individuals opportunities to obtain extra credit points. Please do not ask for extra credit opportunities. Should any extra credit be given, these assignments must be turned in to me individually during my office hours (unless stated otherwise). You may not turn in someone else’s assignments for them.

**Grading** will be based on the following modified scale:

- **A** = 270 - 300 points (90 - 100%)
- **B** = 240 - 269.97 points (80 - 89.99%)
- **C** = 210 - 239.97 points (70 - 79.99%)
- **D** = 180 - 209.97 points (60 - 69.99%)
- **F** = ≤ 179.97 points (≤ 59.99%)

**Getting help:** If you find yourself struggling in the class (especially if you fail an exam or any quizzes), you should meet with me as soon as possible so that we can determine what steps you need to take to succeed in the class. I am available during my office hours or by appointment. I also have an open door policy.

**IMPORTANT DATES:**

- September 10th: Census Date (11th Class Day)
- October 1st: Final Filing Deadline for fall 2018 graduation
- **November 5th:** Last day to Withdraw from Classes
- November 19th - 24th: Thanksgiving Holiday
- December 10th (Monday): Study Day
- **December 11th (Tuesday): Final Exam (8:00 a.m. to 10:00 a.m.)**
- December 14th - 15th: Fall Commencement
- December 18th (Tuesday): Final grades due in Faculty Center by 12:00 p.m.

**Career Success Conference 2018 on Thursday, September 6th**
The Conference will host 200 speakers from a variety of industries, sharing their stories of career development and career success. With three interactive lecture sessions, current students have the opportunity to engage with industry leaders and learn how to build and develop core traits of career success.

SELECTED UT TYLER STUDENT POLICIES
(From the Handbook of Operating Procedures and the UT Tyler Website)

Students Rights and Responsibilities
To know and understand the policies that affect your rights and responsibilities as a student at UT Tyler, please follow this link: http://www.uttyler.edu/wellness/rightsresponsibilities.php

Campus Carry
We respect the right and privacy of students 21 and over who are duly licensed to carry concealed weapons in this class. License holders are expected to behave responsibly and keep a handgun secure and concealed. More information is available at http://www.uttyler.edu/about/campus-carry/index.php

UT Tyler a Tobacco-Free University
All forms of tobacco will not be permitted on the UT Tyler main campus, branch campuses, and any property owned by UT Tyler. This applies to all members of the University community, including students, faculty, staff, University affiliates, contractors, and visitors. Forms of tobacco not permitted include cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco, and all other tobacco products. There are several cessation programs available to students looking to quit smoking, including counseling, quitlines, and group support. For more information on cessation programs please visit www.uttyler.edu/tobacco-free

Grade Replacement/Forgiveness and Census Date Policies
Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 12.) Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract. The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:
- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy
Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
Student Accessibility and Resources

In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University of Texas at Tyler offers accommodations to students with learning, physical and/or psychological disabilities. If you have a disability, including non-visible diagnosis such as a learning disorder, chronic illness, TBI, PTSD, ADHD, or you have a history of modifications or accommodations in a previous educational environment, you are encouraged to visit https://hood.accessiblelearning.com/UTTyler and fill out the New Student application. The Student Accessibility and Resources (SAR) office will contact you when your application has been submitted and an appointment with Cynthia Lowery, Assistant Director Student Services/ADA Coordinator. For more information, including filling out an application for services, please visit the SAR webpage at http://www.utt Tyler.edu/disabilityservices, the SAR office located in the University Center, # 3150 or call 903.566.7079.

Student Absence due to Religious Observance

Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

Student Absence for University-Sponsored Events and Activities

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

Social Security and FERPA Statement

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

Emergency Exits and Evacuation

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor’s directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

Student Standards of Academic Conduct

Disciplinary proceedings may be initiated against any student who engages in scholastic dishonesty, including, but not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts. i. “Cheating” includes, but is not limited to:

- copying from another student’s test paper;
- using, during a test, materials not authorized by the person giving the test;
- failure to comply with instructions given by the person administering the test;
- possession during a test of materials which are not authorized by the person giving the test, such as class notes or specifically designed “crib notes”. The presence of textbooks constitutes a violation if they have been specifically prohibited by the person administering the test;
- using, buying, stealing, transporting, or soliciting in whole or part the contents of an unadministered test, test key, homework solution, or computer program;
- collaborating with or seeking aid from another student during a test or other assignment without authority;
- discussing the contents of an examination with another student who will take the examination;
• divulging the contents of an examination, for the purpose of preserving questions for use by another, when the instructors has designated that the examination is not to be removed from the examination room or not to be returned or to be kept by the student;
• substituting for another person, or permitting another person to substitute for oneself to take a course, a test, or any course-related assignment;
• paying or offering money or other valuable thing to, or coercing another person to obtain an unadministered test, test key, homework solution, or computer program or information about an unadministered test, test key, home solution or computer program;
• falsifying research data, laboratory reports, and/or other academic work offered for credit;
• taking, keeping, misplacing, or damaging the property of The University of Texas at Tyler, or of another, if the student knows or reasonably should know that an unfair academic advantage would be gained by such conduct; and
• misrepresenting facts, including providing false grades or resumes, for the purpose of obtaining an academic or financial benefit or injuring another student academically or financially.

ii. “Plagiarism” includes, but is not limited to, the appropriation, buying, receiving as a gift, or obtaining by any means another’s work and the submission of it as one’s own academic work offered for credit.

iii. “Collusion” includes, but is not limited to, the unauthorized collaboration with another person in preparing academic assignments offered for credit or collaboration with another person to commit a violation of any section of the rules on scholastic dishonesty.

iv. All written work that is submitted will be subject to review by SafeAssign™, available on Canvas.
