2018 Standards Course Objectives:

1. Analyze the influence of occupational therapy history, philosophical base, theory, and sociopolitical climate upon practice.
2. Discuss traditional and emerging occupational therapy practice and promote OT.
3. Analyze and evaluate theories, models of practice, and frames of reference that underlie the practice of occupational therapy.
4. Apply, analyze, and evaluate the interaction of occupation and activity, including areas of occupation, performance skills, performance patterns, contexts and environments, and client factors.
5. Demonstrate knowledge of AOTA official documents and how they are used to guide and inform OT practice.
6. Practice clinical reasoning, implement professional behaviors and ethical practice.
7. Search occupational therapy literature, including national and international resources, to demonstrate an understanding of the ways in which occupational therapy is practiced around the world.
8. Discuss and justify how the role of a professional is enhanced by participating and engaging in local, national, and international leadership positions in organizations and agencies.
9. Apply foundational knowledge, previous professional experiences and new academic learning to fieldwork and community engagements to meet the needs of clients in various contexts and cultures reflecting ethical practice.
10. Explain the process of theory development and its importance to occupational therapy.

Connection to the MOT Curriculum

Clinical Reasoning and Reflective Practice Application

This course offers essential foundational knowledge and professional skill that is built upon in courses taught later in the curriculum as it applies specifically to practice areas such as pediatrics, physical rehabilitation, work programs, geriatrics, and psychosocial settings. Content of this course is integrated with content of the Professional Development Seminar course which is taught simultaneously. This course focuses on occupational therapy history, OTPF and AOTA documents that guide practice.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 12.)

Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract. The Census Date (Sept. 12th) is the deadline for many forms and enrollment actions of which students need to be aware.

These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid.
