**Course Description:** Access, critique and incorporate evidence into practice with the goal to improve client outcomes. Evaluate current research evidence and apply evidence to practice decisions. Focus on critically appraised topics based on community practice stakeholder PICO questions.

Credits: 3

**Course Objectives:**

1. Evaluate, critique, and apply critical analysis to published research.
2. Apply ethical and statistical aspects of published research to clinical settings.
3. Articulate value of research to stakeholders.
4. Select appropriate research design for determined PICO question.
5. Demonstrate understanding of concepts and process of data collection, data management and data analysis.
6. Integrate evidence to formulate proposed research study in occupational therapy.
7. Apply foundational knowledge, previous professional experiences and new academic learning to fieldwork and community engagements to meet the needs of clients in various contexts and cultures reflecting ethical practice.

**Connection to the MOT Curriculum**

**Inquiry, Evidence and Knowledge Translation**
This is a two part course focusing on research as it applies to evidence based practice and knowledge translation. This course focuses on inquiry and synthesis of existing evidence to enable informed occupational therapy practice decisions. Building upon foundational knowledge and skills, the students will apply skills to evaluate, critique, and critically analyze evidence and propose new evidence based on stakeholder input.

UT Tyler a Tobacco-Free University
All forms of tobacco will not be permitted on the UT Tyler main campus, branch campuses, and any property owned by UT Tyler. This applies to all members of the University community, including students, faculty, staff, University affiliates, contractors, and visitors. Forms of tobacco not permitted include cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco, and all other tobacco products. There are several cessation programs available to students looking to quit smoking, including counseling, quit lines, and group support. For more information on cessation programs please visit www.uttyler.edu/tobacco-free.

Grade Replacement/Forgiveness and Census Date Policies
Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 12.) Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract. The Census Date (Sept. 12th) is the deadline for many forms and enrollment actions of which students need to be aware.

These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid.

State-Mandated Course Drop Policy
