HNRS 1000 is a zero-credit course that is required for participation in the Honors Program. This course is designed to allow students to get the most out of their experience in the Honors Program during their time at UT Tyler. HNRS 1000 will focus on helping students stay active and connected to the Honors College and track attendance at mandatory events. This course is designed to be taken twice and in sequence, beginning in the fall semester.

### Student Learning Outcomes

- Students will attend Honors colloquium events.
- Students will review preparatory material for all colloquium events.

### Evaluation

Students will receive a grade of either “CR” (credit) or “NC” (no credit) for this course. Please keep in mind, as a zero-credit course, no credit hours are earned. In order to receive the grade of CR for this course, students must participate in the life of the Honors College. Additionally, students must earn a satisfactory evaluation on the following assignments:

- Colloquium Attendance (Lyceum in April and other events as announced)
- Canvas Participation (turning in paperwork, etc.)

Students will earn a satisfactory evaluation by preparing and fully participating in the aforementioned assignments. Students who do not earn a grade of CR in an Honors Seminar will lose good standing in the Honors College.
