HNRS 3000/4000 is a zero-credit course that is required for participation in the Honors College. This course is designed to allow students to get the most out of their experience in the Honors College during their time at UT Tyler. The Online Track Seminar is limited to students who cannot attend the required face-to-face track seminar due to a class conflict. Students will arrange alternate meeting times and assignment due dates with the Honors Coordinator.

Evaluation

Students will receive a grade of either “CR” (credit) or “NC” (no credit) for this course. Please keep in mind, as a zero-credit course, no credit hours are earned. **In order to receive the grade of CR for this course, students cannot miss more than one class meeting.** If you must miss more than one meeting, you must set up a time to meet with me outside of class. Additionally, students must earn a satisfactory evaluation on the following assignments:

- Meeting Attendance
- Submission of Junior level trackwork Proposal (3000) or Senior Project Proposal (4000)
- Completion of trackwork (and approval from faculty mentor if doing research) (3000)
- Faculty or Coordinator approval of Senior Project progress (4000)

Students who do not earn a grade of CR in an Honors Seminar will lose good standing in the Honors Program.
