Opportunities:
- Students participate in innovative and cutting-edge research.
- Culture of excellence provides a nurturing environment with student success programs.
- Diverse faculty are scholars in their fields of study and work closely with students in small classes.
- Our athletes compete in NCAA Division 3 sports including baseball, basketball, cross country, golf, soccer, softball, tennis, track and field and volleyball.
- UT Tyler's beautiful campus is nestled along a lake, surrounded by thick pine and oak woodlands, providing a picturesque location for study and recreation.
- The City of Tyler has a population of over 100,000 and is known as the “Rose Capital of America.”

Almost 11,000 students representing all 50 states and over 55 countries.

Campus Life:
Six Colleges
- Arts & Sciences
- Business & Technology
- Education & Psychology
- Engineering
- Nursing & Health Sciences
- Pharmacy

More than 80 bachelor’s and master’s degree programs are offered in classes with an average student to teacher ratio of 18-1.

UT Tyler is located midway between Dallas, Texas and Shreveport, Louisiana and four hours north of Houston, Texas.

The University of Texas at Tyler is part of the prestigious University of Texas System that includes eight (8) universities and six (6) health institutions located throughout the state.

Learn more at uttyler.edu
UT Tyler’s Intensive English Language Institute (IELI) assists non-native English speakers in improving their academic English language and American culture skills for successful university admittance. Consisting of 7 levels of instruction organized into two 8-week sessions each semester, and one 8-week summer session, the program includes Listening & Speaking; Grammar; Reading & Discussion; Writing; Editing & Research; Entry Level American Classroom Culture; and Advanced Level University Preparation, including Texas Success Initiative (TSI) training, in levels 5-7. Optional seminars* offered include TOEFL, PTE, and IELTS preparation and English Language Development (ELD) classes focusing on conversation, pronunciation, and grammar. Speciality seminars* offered: English for Business, English for Engineering, Tourism, and English for Health Care Professionals.

One 8-week Session (168 classroom hours)

Tuition is assessed each semester and is based on the number of credit hours students take. The College of Pharmacy follows a different tuition structure than listed above. For more information see uttlyer.edu/cashiers/pharmacy/payment-plans.php or email pharmacy@uttlyer.edu.

F-1 international students are required to enroll full-time in each semester. The minimum credit hour load for a full-time graduate student is 9 credit hours during a fall or spring semester, and 6 credit hours during a regular summer session. Students are required to show proof of adequate finances to cover all expenses for the entire length of their program of study. Mandatory Health Insurance must be PPACA compliant. uttlyer.edu/oip/insurance.php
