NEWEST UT TYLER LONGVIEW UNIVERSITY CENTER NURSING GRADUATES

Eighteen East Texas area students graduated from The University of Texas at Tyler on Friday, May 6. These students successfully completed the bachelor of science in nursing program at the UT Tyler Longview University Center and are now prepared to take the National Council Licensure Examination for Registered Nursing.

“We are very proud of these graduates,” said Dr. Helene Hakim, director of Longview nursing programs. “It took a great deal of hard work to reach this goal and I am confident that the knowledge and skills they have acquired will greatly benefit our community.”

One of the 14 campuses of the UT System, UT Tyler features excellence in teaching, research, artistic performance and community service. More than 80 undergraduate and graduate degrees are available at UT Tyler, which has an enrollment of more than 8,500 high-ability students. UT Tyler offers courses at its campuses in Tyler, Longview and Palestine as well as a location in Houston.
