COURSE DESCRIPTION:

The UT Tyler Jazz Combo(s) is a performing musical group that is open to music majors and non-music majors enrolled at the university. The ensemble rehearses T/TH from 2:00-3:20 PM. It is offered for 1 credit, and all performers must enroll. Students rehearse and perform standard and contemporary repertoire for small jazz ensemble. Special emphasis is given to interactive playing, improvising, and developing appropriate stylistic competency and techniques.

COURSE OBJECTIVES:

Upon successful completion of this course, the student will be able to demonstrate the following learning outcomes:

1. Demonstrate rudimentary understanding of basic jazz chord notation and its various scalar components.
2. Demonstrate knowledge of jazz style and important historical aspects as they relate to the appropriate subject.
3. Apply proper jazz style and interpretation into performance practice.
4. Recognize and use the appropriate rhythmic patterns and articulations for any given jazz style.
5. Combine aural, written, and cognitive skills acquired to formulate their own unique interpretation of jazz improvisation and evaluate their success.

PREREQUISITES:

Students will need to have previous performance experience and study on their instrument.

REQUIRED COURSE MATERIAL:

- Your instrument and any music required as announced in class.
- A real book/fake book
- If you do not have your music or required materials, you will be marked absent for that rehearsal.

REHEARSALS

Rehearsals take place in FAC 1221. Students should arrive in time to be warmed up and ready to start at 1:25 p.m. Each member of the ensemble will be responsible for music, all peripherals (mutes, doubles, reeds, cords, etc.), and a pencil. These items will be checked and factored into a daily grade given per rehearsal. In addition, students' preparedness and ability to execute his/her music along with their rehearsal etiquette will factor into the daily grade.

ATTENDANCE POLICY

All absences are classified as "excused" or "unexcused."

An "excused" absence allows the student the opportunity to make up the missed rehearsal and avoid a loss of grade. In order for an absence to be excused, players must contact the director well **in advance and secure permission** to be absent. E-mail or text messaging is NOT acceptable for this purpose, and phone calls to the director less than an hour before rehearsal do not constitute notice "well in advance." Emergencies do occur, but for the purposes of music ensemble rehearsal, they must meet three criteria: 1. The absence was emergency in nature; 2. The absence was

unavoidable; and 3. The emergency has documentation. Usual minor illness (“sick”), illness of girlfriend/boyfriend, bad weather, car trouble, “forgetting” to call the director, early/late vacation trips not associated with a UT Tyler class, etc. are not causes for exception. If a student is too sick to attend school, s/he **must** see the UT Tyler clinic or a doctor and obtain a note. Missing a rehearsal for illness without seeing a physician constitutes an unexcused absence. ANY unexcused absence is reason to reduce the semester grade.

Student tardiness is documented. Once that time equals 60 minutes, it is considered the same as an unexcused absence and a letter grade is deducted. Because of the inherent collegial nature of music ensembles, attendance is essential. Regardless of the reason, a student with **six or more absences** can not receive a grade higher than a D.

ASSIGNMENTS/ARRANGEMENTS

The nature of a jazz combo lends itself to the individual members creating their own arrangements. Students will be assigned work individually and collaboratively within the group to create arrangements for the group to perform.

CONCERTS & PERFORMANCES

All dress rehearsals and performances are mandatory. It is imperative students to keep all dates listed below free and clear from any other obligations as this class is primarily based on performance. If the student has a conflict due to a University evening class, it is his or her responsibility to present the “activities letter” to their professor prior to the date of the conflict and acquire all necessary homework in advance of missing the class. Grades for concerts will not only be based on students’ individual performances, but will also include students’ attitude and willingness to help the group setup and tear down equipment.

Concert dress is: Men – suit and tie; Women – something comparable to suit in tie. No sleeveless dresses and length of dresses must be below the knee.

Other performance dress will include the UT Tyler Jazz t-shirt or polo and either jeans, khakis, or black pants.

EVALUATION

Grades are determined by: preparation for rehearsals and performances, punctuality, attendance, and attitude. Preparation for rehearsals mean each individual is responsibly preparing his/her part for correct execution. If the director warns an individual or section during rehearsal about preparedness, this means that the section has not prepared the music in a timely manner. Repeated warnings will reduce the grade due to the lack of preparation.

Absences mean that a part is missing from the group sound, and the rehearsal is less effective. In college, there are less than seven weeks between performances, so every person must be at all rehearsals. Each unexcused absence from a rehearsal lowers the semester grade by one letter. Missing any dress rehearsal (rehearsal within a week of the performance) will lower the semester grade by two letters. Missing any performance constitutes a failing grade.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 12.) Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract. The Census Date (Sept. 12th) is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
