**Office Hours:** By appointment

**Department:** School of Music

### Course Outcomes

(1) To introduce students to chamber music literature, and to learn how to rehearse and to perform in small ensembles. To play in a chamber music ensemble effectively takes both individual and group practice time. It is necessary not only to have your part prepared, but also to listen carefully to the other parts and react to them.

Repertoire: Standard chamber music repertoire such as serenades and divertimenti, string quartets and piano trios of Haydn, Mozart, and Beethoven; trio sonatas of Telemann and Vivaldi, and other romantic and twentieth century repertoire at the discretion of the instructor.

Evaluation Criteria: Attendance and punctuality: 30%, Preparedness: 30%, Participation in Performance 30%. Reasonable cooperation: 10%.

Rehearsals and coaching: Each ensemble is required to have one or two rehearsals a week, in addition to one coaching time with faculty. Each of these sessions must be a minimum of one hour, and the times (and locations of rehearsals) should be decided by the second week of class AT THE LATEST. The coaching time must be arranged with the instructor and will be ½ hour to 45 minutes in length. PLEASE do not skip or show up late to rehearsals or coaching; it is incredibly disrespectful to your fellow musicians!!! Chamber music can be one of the most rewarding and enjoyable aspects of playing an instrument, so I hope that you will all get the very most that you can out of this experience.

### Text and Materials:

No Text required (Music to be played is determined by the professor)

Materials (performance pieces) to be named upon formation of the ensemble.

### Grading Policy & Course Requirements:

Each student's grade will be based on the preparation of the daily assignments, attendance, and performance evaluations. Students must have at least one public performance during the semester in which they are enrolled in chamber music class. This performance can be, but not limited to "Student Recital", or other performances to be determined by the instructor.

### Attendance Policy:

Each student must submit any absence request at least **one week** in advance, except for emergencies, by **e-mailing** the instructor. In the event of an absence, the student should arrange for a meeting with the instructor to discuss the reason for the absence. **2** unexcused class absences – maximum semester grade of a **B**. **3** unexcused class absences – maximum semester grade of a **C**. **4** unexcused class absences – **F**. Regarding excused absences: An excused absence is an absence

discussed and/or arranged with the instructor prior to the class meeting. As well, any sickness or family emergency will be excused as long as documentation is provided and communication is present. Final determination of whether or not an absence is excused or unexcused is completely left up to the instructor.

**Grade Replacement/Forgiveness and Census Date Policies** Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or

before the Census Date of the semester in which the course will be repeated. (For Spring, the Census Date is Jan. 30.) Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract. The Census Date (Jan. 30th) is the deadline for many forms and enrollment actions of which students need to be aware. These include: • Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit. • Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date) • Schedule adjustments (section changes, adding a new class, dropping without a "W" grade) • Being reinstated or re-enrolled in classes after being dropped for non-payment • Completing the process for tuition exemptions or waivers through Financial Aid

**State-Mandated Course Drop Policy** Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

**Student Accessibility and Resources** In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University offers accommodations to students with learning, physical and/or psychiatric disabilities. If you have a disability, including non-visible disabilities such as chronic diseases, learning disabilities, head injury, PTSD or ADHD, or you have a history of modifications or accommodations in a previous educational environment you are encouraged to contact the Student Accessibility and Resources (SAR) office and schedule an interview with the Accessibility Case Manager/ADA Coordinator, Cynthia Lowery Staples. **Student Absence for University-Sponsored Events and Activities** If you intend to be absent for a university sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

**Social Security and FERPA Statement** It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number.
