Methods for Assessing Outcomes: Students will be evaluated through regular out-of-class assignments, analysis projects, in-class quizzes, participation (not mere attendance), a composition project, and midterm and final exams.

Methods of Instruction: A variety of instructional methods will be used, including in-class lectures, group and individual exercises and discussion, listening examples, and online assignments.

**** Due Dates and Excused Absences Policy:** All assignments are due on the days indicated, at the start of class. No credit will be given for analyses, presentations, or other work that is late or missing due to *unexcused* absences.

At the instructor's discretion, absences may be considered *excused* only for legitimate, *documented* reasons (serious illness, family emergency, etc.). Even in cases of *excused absences*, any outstanding assignments are due at the following class period. Missed presentations typically must be made up within one week of the absence. In all cases, it is the student's responsibility to inform the instructor of absences as soon as possible, and to *document* that absence if an *excused absence* is being requested.

**** Attendance Policy:** Full attendance and participation are expected in this course. Arrival after class has begun will count as a tardy. Three tardies will count as one unexcused absence.

For this course, students are allowed **three (3) "free" unexcused absences**. After this, the following penalties may be applied:

4-6 unexcused absences = 1 letter grade reduction

7-9 unexcused absences = 2 letter grades reduction

10+ unexcused absences = automatic failure of the course ("F")

(This penalty is not part of the Participation grade, which reflects engaged activity in class.)

Additionally, avoidable distractions such as cell phone use/texting, eating food, outside work, and unnecessarily leaving the room during class time may result in a tardy or absence for the day, at the instructor's discretion. Multiple occurrences will result in the student being asked to leave the class session.

**** Communication:** Students are required to regularly check their Patriot e-mail account and the class Canvas page.

**** Academic Integrity:** Academic dishonesty will not be tolerated (cheating, copying homework, plagiarism, etc.).

Grade Replacement/Forgiveness and Census Date Policies: Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)

This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
