Methods of Instruction: Meetings will largely consist of individual and group participation activities.

*** Attendance/Participation/Promptness Policy:** Your attendance is expected at each lecture. Excused absences require written documentation and are granted by the instructor. Absences due to illness, emergency, or participation in an official University activity are excused. Please give your written documentation to the instructor no later than one week after the absence. Bring a copy that you can leave with the instructor. Each student will be allowed three absences without penalty. **After the 3rd absence, each class missed will reduce your final grade by two points.** The excused absence must be documentable and verifiable in order to be considered for an exemption from point reductions, which is the sole decision of the instructor.

Cell phone use, food, outside work, and leaving the room are not allowed during class. Tablets and laptops are allowed at the discretion of the instructor for note taking, however they may be revoked if off-task or disruptive to the class. Students who are disruptive will be asked to leave and will receive an absence for the day. Students who are repeatedly tardy or leave class early will have a meeting with the instructor and receive attendance deductions accordingly. Violation of any of the above policies will negatively impact the attendance grade.

**** Due Dates and Absences Policy:** All assignments are due on the days indicated, at the start of class. Late assignments will not be accepted, and no credit will be given for assignments, quizzes, or exams not turned in due to *unexcused* absences. At the instructor's discretion, absences may be considered *excused* only for **legitimate, documented reasons** (serious illness, family emergency, etc.). In cases of *excused absences*, any outstanding assignments are due at the following class period. Missed quizzes or exams **must be made up within one week of the absence.** In all cases, students who must miss class should inform the instructor as soon as possible prior to the absence.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Student Absence for University-Sponsored Events and Activities

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number.
