Overview

This course is designed to refine existing conducting technique within the context of choral directing, score preparation and choral performance practices.

Prerequisite

Successful completion of MUSI 3311 - Conducting

Course Scope & Objectives

Upon successfully completing this course, the conducting student should be able to:

1. Effectively demonstrate gestures and techniques unique to rehearsing and conducting a choral ensemble, and at a more refined level than a beginning conductor.
2. Effectively analyze, edit, and prepare (mark) a choral score for rehearsal/performance.
3. Develop an appropriate interpretive concept of a choral work.
4. Objectively evaluate his/her conducting technique, and formulate steps for continued improvement.

Course Equipment

You will need to purchase a 12" Mollard baton before our second class. These are available at Mundt Music for approximately \$30 (cash or credit, no check). Please do not purchase a cheaper off-brand as the Mollard batons are weighted properly for conducting.

Highlighters and/or colored pencils.

A three-ring binder for your score packets.

Course Activities

1. **Course Packets.** Packets for each module in this course will be provided in class or as announced prior to class on Blackboard. Score packets for each module in this course must be brought to each class. Batons must also be brought to each class. A pencil is not a baton. Not bringing your score packet or baton to class will result in a 1% deduction off your final grade for each occurrence. You should also not depend on other students to share their materials, as each conductor should be marking their own personal score packets.

2. **Lab Recordings.** Regular, graded video recordings will be completed throughout the semester, focusing on the techniques learned in class. You will record your conducting video using your smart phone in class, upload your recording(s) to YouTube by the announced due date, and email me the link (do not email me the actual video file). The links may be on “Public” or “Unlisted” YouTube pages, but not “Private.” As it only takes a minute or so (or less) to upload video, late links will not be accepted. If you do not have a smart phone, please let me know the first day of class. A video camera will be provided on those days if you do not have a smart phone. Prior to video recording days, you must ensure that you have enough free memory on your phone for the length of assignment being recorded. A good way to test this is to do a trial recording of the assigned pieces ahead of time. Videos that are incomplete due to phone memory, tardiness, or any other reasons will be reduced in score. Please plan accordingly.
3. **Written Self-Reviews.** In conjunction with each recording, a 1-page, double-spaced, 12-point, 1” margin, 200-word minimum, personal review of each recording is required. Late reviews will not be accepted as it is critical that reviews are completed promptly after a lab exercise in order for you to effectively evaluate your own progress and improvement.
4. **Attendance.** Students are expected to attend all scheduled classes. Excused absences on video recording days are only given in the event of an official university-sanctioned absence, or with a doctor’s note.

Grading & Evaluation

Grading scale: A = achieving at least 90% of possible scores, B=80%, C=70%, D=60%, with final class grade comprised of and weighted as follows:

1. Lab Recordings will be weighted as 85% of the final grade.
2. Self-Evaluations will be weighted as 10% of the final grade.
3. Attendance will be weighted as 5% of the final grade

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 12.) Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date (Sept. 12th) is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

The University has changed its computer programming so that all students have an identification number.
