Attendance Expectations

College instructors not only train students to retain course content, but also to be responsible and dependable employees. By the time a music major reaches upper-division status, it is expected they will attend every class, just as teachers are expected to be at work every day. When class begins, the door is locked; students will then need music office staff to admit them. This is done both for security reasons and to encourage punctuality. Once a student has 55 minutes of tardy accumulated, this is considered the same as an absence. Students are allowed three absences without the final grade being affected. The student should note however, that any absence when homework is due does not excuse the student from turning in work by the class at which the homework is due. Each absence, starting with the fourth, will lower the semester average by three points. School-sponsored trips are exempt from this rule. Emergencies are handled on a case-by-case basis. Furthermore, if a student has ten or more absences, regardless of the reason, s/he must drop the course or receive a grade no higher than a D. **Regardless of the reason for the absence, homework must be turned in when due.**

Student Conduct and Dress

UT Tyler students are expected to act and dress like pre-professionals. There is always room in a college classroom for polite disagreement. However, profanity, ethnic/sexual/gender slurs, threatening actions, and/or insults towards students or instructor are not tolerated; a student exhibiting such behavior will be forced to drop the course, with referral for disciplinary action. Disagreements with grades or class policies are handled by conference during office hours. Note: Cell phones and/or any handheld devices are not allowed in class. Students who make/receive calls/text in class, or use the Internet will be charged with an absence. Students are expressly forbidden to record, broadcast, or transmit any part of this class, whether it be by photograph, text message, audio recording, digital media, or social media. The following are not permitted in class: caps or hats, hoods (sweaters or jackets must be worn with the hood down), pajamas, sagging pants, tights worn as pants, or any clothing that the instructor deems to be immodest and/or not fitting for the academic environment. All backpacks, briefcases, bags, etc. must be left at the periphery of the room during class.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 12.) Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract. The Census Date (Sept. 12th) is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- _Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- _Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- _Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- _Being reinstated or re-enrolled in classes after being dropped for non-payment
- _Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Student Accessibility and Resources

In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University offers accommodations to students with learning, physical and/or psychiatric disabilities. If you have a disability, including non-visible disabilities such as chronic diseases, learning disabilities, head injury, PTSD or ADHD, or you have a history of modifications or accommodations in a previous educational environment you are encouraged to contact the Student Accessibility and Resources (SAR) office and schedule an interview with the Accessibility Case Manager/ADA Coordinator, Cynthia Lowery Staples. If you are unsure if the above criteria applies to you, but have questions or concerns please contact the SAR office. Student Absence due to Religious Observance

Students who anticipate being absent from class due to a commonly-observed religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

Student Absence for University-Sponsored Events and Activities

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

Social Security and FERPA Statement

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

Emergency Exits and Evacuation

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor's directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.
