

# MSN PSYCHIATRIC MENTAL HEALTH NURSE PRACTITIONER

The MSN-Psychiatric Mental Health Nurse Practitioner degree prepares the graduate for advanced mental health practice roles across the lifespan in various settings. The graduate develops expertise as a psychiatric mental health provider with advance practice skills in the assessment and management of mental health needs as well as in patient education, consultant and researcher roles.

The Master of Science in Nursing program builds on UT Tyler’s undergraduate program in nursing and provides a firm basis for doctoral level education.
