

## ATI Student Login Instructions

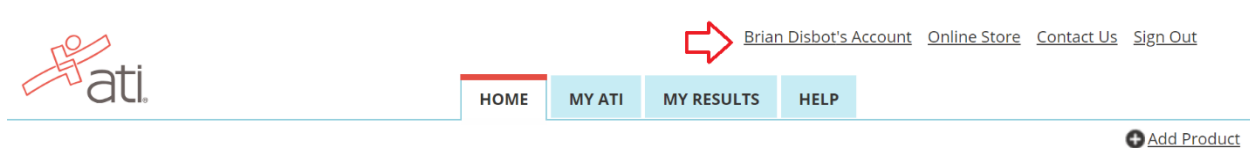

1. Please go to [atitesting.com](http://atitesting.com) and click on 'Student Login' to the right of the page.
2. If you can't recall your Username/Password, please click on the 'Forgot username and/or password?' button below the sign on (see image below):

**Student Sign On**

[Forgot username and/or password?](#)

3. Once in your Student Account, please click on "(Your Name)'s Account" at the top of your screen:

4. Once in your Account Settings, please make sure that your Institution is 'U of TX Tyler' and that you are associated with the correct Graduation Date, then click 'Save':

**Edit** Institution Info

**Institution\***  
U of TX Tyler

**Credentials**  
PhD, RN, BSN, MSN, MS, NP, AACE

**Student ID**

☐ Non-degree seeking

**Expected Graduation Date\***  
5/31/2018

Cancel **SAVE**

- Finally, go back to your Student Account Home Page and click on 'Add Product.' You will receive a CDN code from your faculty. **You must enter CDN prior to the numbers in the code. You will only need to enter this code once. This will enable your ATI Resources:**

## ATI Plan Orientation

After you log on, go to the My ATI tab and open the ATI Plan Student Orientation Tutorial. Watch the 8 minute video. Once complete, test your self on the information by taking the 13 question test. ***Now you're ready to start using ATI!***

The screenshot displays the ATI Plan Student Orientation Tutorial interface. At the top, the ATI logo is on the left, and navigation tabs for HOME, MY ATI (highlighted), MY RESULTS, and HELP are on the right. Below the navigation bar, the 'Study Materials' section is active, showing 'Active Learning Templates'. A 'Content Area' dropdown menu is set to 'All'. A horizontal bar contains tabs for LEARN (highlighted), TEST, IMPROVE, APPLY, and NCLEX PREP. Below this bar, a 'Type' dropdown is set to 'All', and a checkbox for 'Hide disabled products (0 hidden)' is checked. An 'ADD PRODUCT' button is visible. The main content area displays a grid of product cards:

- Tutorial** (Achieve): MODULES 5, Accessed: 6/14/2018
- Flashcards** (Active Stack® Pharmacology Flash Cards): MODULES 12, Accessed: Never
- Tutorial** (ATI Plan - Student Orientation \*NEW\*): MODULES 1, Accessed: 7/26/2018
- Tutorial** (ATI TEAS SmartPrep): DEMO 4, Accessed: Never
- Tutorial** (Dosage Calculation 2.0: Desired Over Have)
- Tutorial** (Dosage Calculation 2.0: Dimensional Analysis)
- Tutorial** (Dosage Calculation 2.0: Ratio and Proportion)
- Quiz Bank** (Learning System RN 2.0)

## Product ID Student Handout

Date: 8/9/2018 2:32:45 PM  
To: U of TX Tyler  
Cohort: 0520T  
Graduation Date: May 2020

The product ID below can be used to give your account access to all of the products associated with your cohort (shown above).

**Product ID**  
**CDN005967936**

Before using the Product ID above, review the information in the header at the top of this document. **If it does not match the information for your class/cohort, do not activate this Product ID and contact your instructor immediately.** If you activate a Product ID for the wrong class/cohort, the wrong products will be assigned to your account.

If the class/cohort information is correct:

- Activate your Product ID by logging into the ATI Website and clicking on the *+Add Product link* located in the top right of your Home or My ATI page.
- In the Add Product window, enter the Product ID and then click the Continue button. You will be granted immediate access to all online practice assessments and tutorials that are associated with your class/cohort and have been enabled by your instructor.
- In addition, on proctored testing days, your proctored assessments will appear automatically under the Test tab on your My ATI page once a proctor is available. Simply click the Begin button on the assessment card front to begin your assessment.
- In future semesters, any new products associated with your class/cohort will be added automatically to your account.

Technical requirements for the ATI Web site are listed on the ATI Technical Requirements page at <http://www.atitesting.com/TechnicalRequirements.aspx>.
