Administration (MBA), or a Master of Health Administration (MHA) and who is in a leadership position. (The preceptor should not be someone who is directly responsible for the student's employee evaluation.) Students are discouraged from using a preceptor who is in an educator role at the facility. Faculty will have final approval of preceptor assignment. (Students may bank up to ten hours of clinical between semesters.)

The SON is required to have a facility agreement/contract with any agency in which students are participating in clinical experiences. Students cannot start their clinical until this agreement is in place. Since some course activities are contingent on the clinical, the agreement must be in place within the first two weeks of the semester. If this is not the case the student may be expected to arrange clinical at another agency with whom the SON has an agreement or may be expected to withdraw from the course.

3. A signed preceptor agreement before starting clinical uploaded to InPlace clinical Software.

4. Notification of the education department at the respective facility (even if it is the student’s place of employment) in which the student will be doing his/her clinical. Students are expected to meet all agency requirements and are to provide the required documents asked for by the education department i.e. confidentiality statement, proof of immunization requirements, etc.

5. Clinical objectives developed with the goal of developing his or her role as a nurse leader/administrator. Students are to develop objectives before beginning clinical rotation with preceptor and cannot be copied form one course to another. Objectives must be original and specific to the course enrolled.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date).
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment.
- Completing the process for tuition exemptions or waivers through Financial Aid.

Students repeating this course may not use previously submitted assignments nor utilize the same patients for an assignment. Submitting the same or slightly modified assignments from previous semesters is considered self-plagiarism and is subject to academic discipline, including failing the assignment or the course.

State-Mandated Course Drop Policy
Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
